In strange contrast to this recog pion to be of pugilism, is the leg islation in New York state that pomises to destroy the sport horse racing. What is the cause of Why has pugilism become recog nized as legitimate, for in the early ays of John L. Sullivan's career he fighters had to dodge the civin y art' has the most prominent of people in the country as its advo cates, and the fistic exhibition have leading citizuns .present to xplain fully space for analysis. That boxing the uew uame for pugilism, is no permitted in every city and state in this sport, as can be noted evrywhere, for, however small th town, it will be found that eve the small boy can tell pretty clearly the ring pedigree of Rullivan, Jeffries, Johnson hose only secured by being able to has bee ishment and give in to take pun splendid courage and a sturd
