THE BEST PLACE TO KEEP YOUR MONEY is the place where you can get it back PROMPTLY if really needed.

Only those with a great deal of money can properly afford to consider permanent investments, and they had best consult with their banker before letting go of their cash.

The average man needs a good sized available reserve in a strong, safe bank, before putting a penny into anything outside of his own business.

Ready cash is a mighty good friend.

The committee on resolutions was Judge O. H. Guion, L. I. Moore, and P. M. Pearsall, and the resolutions were handed to Judge Henry R. Bryan who presided. Judge Guion read the resolutions and they were fittingly and beautifully worded. Addresses were made by W. E. McIver, J. L. Abernethy, W. E. Clarke, E. M. Green and L. I. Moore and upon the adoption of the resolutions, Judge Bryan spoke. The addresses were all great and touching tributes of the great ability and good qualities of their departed brother.

Tracks Covered With Water

Passengers on the train from Oriental yesterday afternoon reported that in a number of places between this city and Bayboro the railroad tracks were inundated and that it was necessary for the train to go very slowly in order that a possible washout would cause no accidents. Heavy rains are also reported all along the line.

PATHETIC CASE WAS HEARD

In Superior Court Yesterday When Oscar Kilpatrick Was Placed on Trial

One of the most pathetic cases ever tried in this city was heard before Judge R. B. Peebles, who is presiding over a one week term of Craven County Superior court, when Oscar Kilpatrick a 9-year-old colored boy was placed on trial for burglary in the first degree. Kilpatrick is the boy who several weeks ago broke into the residence of Mr. H. T. West at Dover in order to secure some food, he having eaten nothing in two days, and while in the house was fired upon by Mr. White and so severely wounded that his left arm had to be amputated.

On account of the boy's extreme youth the charge was finally changed to larceny and in this he entered a plea of not to contend and the court ordered him bound out to some responsible party.

Baptist Revival Notes

Yesterday afternoon at the First Baptist Church Evangelist Sledge preached to a good congregation on "The Barren Fig Tree." At night a large congregation heard him on the words of Jesus "Come Unto Me all ye that labor and are heavy laden and I will give you rest."

At the conclusion of the sermon one was received as a candidate for baptism and church membership, a little son of Deacon A. D. Ward. A large number made request for prayer.

The Evangelist announced a special service for Sunday afternoon on "Jesus Behold his Mother." Also special sermons next week to women and to old folks.

Preaching this afternoon at 4 o'clock and at 8 o'clock tonight.

In spite of inclement weather a large number of our people are attending these meetings, and there is a great under current of seriousness which is sure to lead to many conversions later on in the meeting.

The singing is very attractive to many. The new song books are proving very popular.
