### Care in Money Matters

Much money is lost by those who fail to keep accurate account of their income and outgo. Few make success of personal bookkeeping if they pay in cash.

The only practical way to have a complete record of expenditures and to secure a receipt for every payment, is to carry a checking account here and to pay all bills by check.

No business house would do otherwise and the simplicity of the plan adapts it quite as well to individuals.

### TRADE GENERALLY STIMULATED

By Favorable Crop Conditions. Manufacturers Report Good Sales.

Richmond, Va. June 24—Bradstreet's Saturday will say for Richmond and vicinity.

Weather conditions have favored crop growing this week, giving a stimulus to trade in practically all lines. Manufacturers and dealers in agricultural fertilizers report good sales, and improved collections, their sales have shown an increase over previous years. Manufacturers of trunks, bags and leather goods report active ordering. The show hat and cap trade is in good condition and satisfactory orders are being received for future shipment. Manufacturers of extracts, vinegar, pickles and similar commodities report good sales. The cotton crops reported from three weeks to one month later, but with favorable weather a full crop is predicted. Tobacco is in good condition. Wheat is being harvested throughout the district and a good average yield is reported. Retail trade is quiet in most lines, and collections are only fair.

### Who Is He?

During the past few nights a number of calls have been received at Police Headquarters from different sections of the city asking that an officer be sent out to arrest a man who was in that particular section and who was acting as though he was either drunk or crazy. In each case an officer has been sent to the scene but each time has been outwitted by the person who caused the alarm. He, as soon as the officer heaves in sight, becomes as orderly as possible and walks off. He is described as being about 5 feet 6 inches tall, wears a derby hat and a light colored suit of cloth.

### Vote For Thomas.

The usefulness of Hon. Charles R. Thomas in Congress is recognized as the time draws near for choosing his successor.

Mr. Thomas announced sometime ago that he was not a candidate for re-nomination.

The voters of the District have the right to nominate him.

It is no reflection upon any candidate to say that Mr. Thomas is in the position to give us better service than any other man in this District.

Heretofore he has sought the nomination. This time the people of the District seek him.

If you favor keeping him in Congress go to your precinct primary meeting, this Saturday, 25th June, 1910, and nominate and vote for him and send as delegates to your County Convention men who favor his re-election.

### Committee Meet and Arrange Program.

Yesterday afternoon at 4.30 o'clock the Publicity Committee who are to have charge of the publicity department and the committee who are to have charge of the arranging for the Bi-Centennial, met in Mr. R. D. W. Connor's office at the Pepsi-Cola factory and arranged the official program for the event. The program, which is a very elaborate one will not be issued just at this time on account of some reveals having to be made, but will be published next week. Two members of the Publicity Committee which is composed of Messrs. J. J. Wolfenden, C. L. Stevens, Owen G. Dunn and C. E. Foy, were out of town and that part of the work was postponed until a later date.

### Drinking Trough Torn Away.

Yesterday the large drinking trough that was located at the corner of Broad and Middle streets was removed. This trough had been of great convenience to those who owned horses and it is with regret that they see it taken up. The action, however, was compulsory, as within a few days the work of repairing the trough will begin and such a trough would not be the same as the one that was removed.

### Second Suicide Follows First

Prominent Business Man Shoots Himself Shortly After Woman Ends Life.

Birmingham, Ala., June 24.—Guy R. Johnson, former vice-president and general manager of the Alabama Consolidated Coal and Iron Company, who shot himself last night, died today. Johnson's family declares he killed himself because of business reverses, and because he had been deposed from his position.

The suicide of Mrs. W. F. D. Handley, wife of President Handley, of the First National Bank of Birmingham, who shot herself on her way home from a meeting last night, still remains a mystery. President Handley is expected to return from New York to Birmingham this morning.

### Heavy Thunder Storm Visits The City.

Shortly after six o'clock yesterday afternoon another heavy rain and thunder storm, very similar to the one which prevailed for several hours a few days ago, visited this city. For more than an hour the rain fell in torrents while vivid flashes of lightning, accompanied by heavy thunder played across the elements. So far as is known no serious damage was done by the storm.

### Trial Before Magistrate Street.

At 11.30 o'clock yesterday morning the trial of Rev. A. C. Schuler, who was summoned to appear before Justice of the peace S. R. Street and prove the statements he made last Sunday from his pulpit in regards to the blind-tigers in this city and the duplicity of some of the police force. There was very little evidence introduced by the defense and the evidence that was introduced was not explicit enough to be satisfactory. The Justice finally decided that there was nothing in the case and it was dismissed.

### Slashed With Knife.

A few days ago Richard Sawyer and Suck Reeves, both colored, became engaged in an affray, and as a result the latter was badly cut by a knife in the hands of Sawyer. In the police court yesterday afternoon Sawyer was given a hearing on a warrant charging him with an assault with a deadly weapon, while Reeves was tried for a simple affray. From the evidence introduced it seemed that Sawyer cut Reeves in self defense and his case was reserved in order to allow the Mayor to have an opportunity to have a consultation with the city attorney in regards to the matter. Reeves was taxed with the cost of the case.

### Weather Still Very Warm

Yesterday was another of those extremely warm humid days. Early in the morning the mercury began to slowly rise and by noon the 80 mark had been reached in the shade. Now is the time that a small recreation park would be highly appreciated by the people in this city, and just remember too, that Summer has only begun.

### Marched City Notes

The United States Torpedo DuPont, on June 24th, will be stationed off Morehead City. This Boat is stationed here for the New Bern Naval Reserve practice. The officers will be invited to attend the games given at the Atlantic Hotel Saturday night.

One of the most attractive parties of the season was given by Mr. Charles Herndon Wednesday night. After the dance the party assembled on the pier and the full moon was on the wane before the participants dispersed. Delicious refreshments were served.

Colonel Norton has made great preparations for the fourth of July. Many aquatic sports will be engaged in. And besides the boat races, swimming matches, tub races, there will be a morning and evening games. Mr. W. C. Young of Norfolk will lead the games. There will also be a beautiful display of fireworks. Colonel Norton expects the biggest crowd that he has ever entertained as his booklets are unusually large.

### COTTON MARKET QUIET

Weather Conditions Chief Matter of Interest. Dry Weather Not Yet Serious.

Special to Journal.

New York, June 24.—The cotton market was quiet today, and recovered part of yesterday's decline on short covering.

Attention is centered on the conditions in Texas and Oklahoma, where the weather continues hot and dry. No alarm is felt over this as yet as that section could stand two weeks more of the dry spell without serious consequences, but until rains occur there, the market is expected to remain firm.

Spot sales 18,700 bales at yesterday's prices.

### Bi-Centennial Hard at Work

The committee who have charge of the arrangements for the Bi-Centennial which is to be held in this city next month are now hard at work perfecting their plans. Mr. R. D. W. Connor, of Raleigh, is in charge of the work and he is conducting his campaign in an entirely efficient manner. Only 30 days remain in which all of the arrangements can be completed and it will be a rush from now on.

### Dr. Right Roberson Dead.

At the home of his daughter, Mrs. Mary J. Suggs, in Cove City, Thursday morning, June 23d, after a short illness the soul of E. R. Roberson passed into eternity.

Mr. Roberson was one of the most unique characters in this section and had lived to a venerable age, 84 years. He was known to everybody, and well liked by all. He was what is, or used to be known, as a Thomsonian doctor, was well acquainted with the virtues of all kinds of roots and herbs, which he used for fifty years in a practice covering five or six of the eastern counties. Even in his old age people came from long distances to consult and buy medicine of him.

He was a veteran in the Confederate army and carried various scars on his body, testimonials of his bravery on the field of battle. The old gentleman attended the Veteran's dinner here a few weeks ago, declaring when he left, that it had been one of the happiest days of his life.

In his private life Mr. Roberson was a congenial companion, an accommodating, kind hearted neighbor, an upright man in his dealings with his fellow creatures. In his old age he visited around among his friends in the different counties a good deal and there was always a hearty welcome awaiting him at whatever home he chose to stop. He was very entertaining in conversation, being a close observer of things all his life and having a most wonderful memory, which remained clear until the end.

Dr. Roberson was a native of Onslow county, went to Jones county 60 years ago and married Betsey Hancock and settled on a farm in the Beaver Creek section, where several years ago his wife preceded him to the grave. His remains were taken to his old home in Jones county for interment.
