About Bathing Suits, The square Dutch neck is a seriourival to the saller colla as a finish to

bathing suits this season. On the beach the latter is undoubtedly the more jaunty looking, but in the water and indeed after a wetting the nea square peck is the more designble. A bothing suit of good mohair chisand bluer made in semiprincess fach

lon, the full, philo skirt trimme around the bottom with a band or white mobile outlined with black and white fancy braid, would be service able. A well shaped panel placed down the front and the belt to correspond with the skirt trimming would be a desirable finish, the square necl finished with a broad band of mohat trimmed with three rows of the braid the sleeves puffs.
