Window Pane Falling Five Stories Strikes And Kills Woman

New York, July 16.—By a most peculiar accident Miss Lena Phillips, of Harlem, was almost instantly killed when a pane of glass fell from a fifth-story window in the apartment of Mrs. Tillie Goldstein, in East One Hundred and Third street, striking Mrs. Phillips in the neck, nearly severing her head from her body. The young woman fell on the sidewalk and died before assistance could reach her.

In their investigation the police learned that Mrs. Goldstein was cleaning the front windows in her apartment when the loose pane of glass suddenly slipped out of its frame and fell. Mrs. Goldstein said she thought it strange that she did not hear the glass smash on the sidewalk, but she paid no further attention to the incident until some one rushed up to her apartment and told her a woman had been killed in the street.

WILL HAVE BIG PARADE

Merchants Should Make Every Attempt to Make Industrial Parade a Success.

The business houses of New Bern should promptly realize the responsibility for the success of the Industrial Parade that rests upon them and take steps to enter floats typifying their line of business in this parade without fail. Every firm that fails to respond to the call of the committee from lack of time or interest is showing a woeful want of appreciation of the occasion. Distinguished visitors from all parts of the country are going to witness this parade and it should be as fine a pageant as was ever witnessed in this State. Never before have our merchants and business men been afforded an opportunity to show their public spirit appreciation of the loyal support given them by the citizens of this place and surrounding territory and it is the least that they can do to take part and assist in making the parade a grand success.

The Second Regiment, 600 strong with a fine band will be in this parade and many beautiful floral floats will also be entered. The sum of \$100 has been devoted to prizes for this parade and it is going to prove a success so that citizens will swell with pride. A large number of establishments have already entered their names for floats, and it is earnestly hoped that every merchant and manufacturer within the city will respond to the call and do likewise. Let the committee have your name without delay.

A Worthy Rector Leaves Us

In the resignation of Rev. Jno. H. Brown from the Rectorship of Christ Church Parish, and his recent departure for his new field of labor and usefulness at Pensacola, Fla., the church suffers no greater loss than does the community, and the neighboring mission towns and villages over which he had charge. While a resident of this city for only a little over two years, by his pious and gentlemanly deportment, he won the love and esteem of the people of this community regardless of church affiliations. During Mr. Brown's stay in New Bern the additions to Christ Church membership were large, and his congregation has been greatly blessed by his administration of the services of the church, and from his learned and practical discourses.

The compliment paid to Rev. Mr. Brown by the citizens of Fernandina, Fla. his former home, on the eve of his departure for this city two years ago, the various congregations closing their houses of worship in order that they might be present on the occasion of his farwell sermon, beautifully exemplified his standing among the people there.

At the time of Mr. Brown's arrival at New Bern he was Worshipful Master of the Blue Lodge of Masons at Fernandina, since which time he joined St. John's Commandery of New Bern, becoming thereby a Knight Templar, and he has taken an active interest in masonic work in its various branches, since residing here. The people of Pensacola are fortunate in securing the services of so able and conscientious a man as Mr. Brown, and the Journal commends him and his family to the good people of that city as worthy of every consideration and mark of esteem which can be shown them.

Mr. and Mrs. Brown leave here on Sunday and admirers here who join in wishing them much happiness and good health in their new home.

Ex-Judge D. L. Ward

Hon. David L. Ward, who was some months ago appointed to the Superior Court bench by Governor Kitchin, has tendered his resignation. His last court adjourned on Thursday at Clinton and the Sampson county bar unanimously adopted resolutions expressing "profound regret" and declaring that "the conduct and deportment of Judge Ward has impressed each one of us with a sense of his upright character, judicial temperament, profound knowledge of the law and fitness for the bench."

In that estimate of Judge Ward the people and the bar in every county in which he has held court will heartily concur. No man in North Carolina in a score of years has gone on the bench and won higher praise from the bar and the people than Judge Ward. To knowledge of the law and a belief in its impartial enforcement he adds the qualities of wise dispatch of business with courtesy and firmness.—News and Observer.

Knocked Out By Intense Heat

While engaged in working on the roof of a house in the Northern part of the city yesterday afternoon James Allen, colored, had a slight attack of sunstroke and toppled off his perch. During his descent he struck a portion of the scaffolding and was painfully cut and bruised. Persons who saw the accident secured several buckets of water and dashed them on his body and he was soon revived. It was necessary, however for him to visit a physician in order to have his injuries attended to.

A Prayer for All Working Women.

BY WALTER RAUSCHENBUSCH.

O God, we pray thee for our sisters who are leaving their ancient shelter of the home to earn their wage in the store and shop amid the press of modern life. Grant them strength of body to bear the strain of unremitting toil, and may no present pressure unfit them for the holy duties of home and motherhood which the future may lay upon them. Give them grace to cherish under the new surroundings the old sweetness and gentleness of womanhood, and in the rough mingling of life to keep the purity of their hearts and lives untarnished. Save them from the terrors of utter want. Teach them to stand by their sisters loyally, that by united action they may better their common lot. And to us all do thou grant wisdom and firm determination that we may not suffer the women of our nation to be drained of strength, and hope for the enrichment of a few, lest our homes grow poor in the wifely sweetness and motherly love which have been the saving strength and glory of our country. If it must be so that our women fall like men, help us still to reverence in them the mothers of the future. If they yearn for love and the sovereign freedom of their own home, give them in due time the fulfillment of their sweet desire. By Mary, the beloved, who bore the world's redemption in her bosom; by the memory of our own dear mothers who taught our little daughters by the little daughters who taught our little granddaughters, give them the grace to stand firm in their own homes, and to be faithful to their husbands and children.

If you don't find what you need, show your civic pride and let your merchant order it for you, for by so doing you will encourage our merchants to keep the best of everything at the cheapest possible prices.

Thousands of dollars are being sent away annually to enrich other communities. Let's keep this money at home and prosper.
