Practically every event of importance of the great Bi-Centennial celebration has transpired and the thousands of visitors who have been in this city during the week are today leaving for their respective homes, after attending one of the greatest events ever held in this State. There is still remaining, however the carnival company and today will doubtless be a record breaker for them in the way of attendance.

Britton, Associate Editor of the Raleigh News and Observer and who has been in the city all this week in the interest of his paper will leave today for Morehead City where he will spend Sunday before returning home. ## BALTIMORE PAIR ARE RELEASED

Miss Nellie Small and Mr. William Stone Leave This City For Paris Unknown.

Miss Nellie Small and William Stone both from Maryland, and who were arrested in this city Thursday morning on a warrant sent here from Baltimore, and who spent the night in the custody of the police, were released early yesterday morning on account of the lack of sufficient evidence to hold them.

Chief of Police Hargett received a message from Miss Small's father requesting that she be released and sent home, but as there were no funds sent with the message, it was decided to release both Miss Small and her colleague and let them get home on their own resources.

#### MISS SMALL'S STORY OF THE CASE.

Shortly after the pair was released from custody Miss Small was visited by a Journal representative and she told the following story of the affair:

"I have been living with my father near Frappes, Maryland, for the last ten years. There were only three of us in the family, my sister Bell, my father and myself. During the past few years father has been in very poor financial circumstances and we have at times been greatly in need of the necessities of life. Several months ago my father borrowed a sum of money from a young man named Strong who resided in the same town in which my home is located. Shortly after he had made this loan he began visiting our home and paying attention to me. From the first I disliked him and did not refrain from informing him of the way I felt. Several times he had asked me to marry him, but this I had repeatedly refused to do, but still he persisted in calling upon me.

A few weeks ago the mortgage fell due and father was unable to raise sufficient cash to pay it. Mr. Strong told me that he must have the money or the property by a certain day or either that he would induce me to marry him. This father consented to do, and later on during the day he broached the subject to me and intimated that it would be a good match for me. I, however, loathed the man and would have died rather than have done this, but I told him that I wanted to visit my sister in Baltimore for a few days, and that I would let him know what I would do when I returned.

I left home the next day presumably to visit my sister, but instead, I went on over to the city and procured employment with Mr. Stone who was engaged in operating a fortune telling scheme. It is simply a case of where I would have either had to see my father give up his home or marry a man I did not love, and in order to avoid doing either I left home.

Miss Small and Stone left yesterday day afternoon for some other city, where they will stand less chance of being re-arrested if another warrant is issued for them.

#### Boat Races Yesterday Afternoon.

Yesterday afternoon at 4 o'clock the boat race which was postponed last Tuesday on account of there not being a sufficient number of entries took place on Neuse river just off East 1st street. Despite the fact that many of the visitors had come out to attend the Interstate Hose Wagon Race there was a large crowd present to witness the exhibition.

The first contest was the half mile rowing race, and in this there were two entries. The Revenue Cutter "Pamlico" crew and a crew from the "Royal Reserve" boat the "Elfrida." In this race the crew from the "Pamlico" won the prize.

The canoe race had four entries, a one half mile course out and return. The winners were, first, Riley Wood; second, Thos Smith; third, Nettie.

In the motor boat race there were 7 entries. The course was triangular, a total distance of eight miles. Mr. Stewart's New Bern was first, Jack Crabtree second, and third was between J. E. Pope and S. H. Eaton, which was not learned last night, as the judges had to figure out the handicap.

The judges deciding this contest were Captain Joe Gaskill, W. C. Willett and D. E. Henderson.

#### Farmers Horse Race Yesterday.

The event of the morning at the grand stands was the farmers race and the following owners entered their horses, Mr. Ben Warren, of Vanceboro, Mr. Ed. Wadsworth, Mr. E. G. Lee and Mr. B. J. Dougherty, of Perfection, Mr. John Dawson, of Jasper, Mr. Whorton, Mr. Pittman and Mr. McGinnis of Pamlico.

The animals made a fine exhibit. The 2100 yard was divided into five prizes. The first was Douglas in 25 seconds, Wadsworth in 26 seconds, Warren in 26 1/2 seconds, Lee in 27 seconds, Dawson in 27 1/2 seconds.

## KINSTON WINS INTERSTATE RACE

Makes Spectacular Run And Gets Water in 22 Seconds. Raleigh Wins Second Prize.

At 3:45 o'clock yesterday afternoon more than 5,000 people had assembled on George street to witness the interstate hose wagon race. At 4 o'clock sharp, Mr. J. D. McNeil, President of the State Firemen's Association, stepped out on the track and waved his flag for the race to begin.

Asheville No. 1 was the first company to run, and they made splendid time but the nozzle blew off at the hydrant and their run did not count.

High Point came next, they made it in 32 seconds.

Stateville followed with 32 1/5 seconds.

The next team to run was the Caswell Hose Company, of Kinston, and this was one of the most spectacular runs of the evening and also the winning run, they making it in 29 seconds.

The Rescue Company of Raleigh ran next and they finished up in 30 1/5 seconds.

Sanford made the run in 30 seconds, while the "Capitol" hose company, of Raleigh lost all chance of winning the prize by having the nozzle blown off.

Asheville No. 2 was the last company to run and they made it in 29 1/5 seconds, thereby winning the second prize. Each one of the contestants made fast runs and it is deplorable that two of the companies were disqualified by the accidents mentioned above. This race concluded the week's list of events and the Firemen's Tournament.

#### Wilmington Delegation Highly Pleased

As could only have been expected the German citizenry of Wilmington, moving in large force upon New Bern and in most elaborate manner, has scored a brilliant triumph. The papers and people speak glowingly of the success of the Wilmington delegation at New Bern, and all of which must appeal with especial force to the heart of every Wilmingtonian. It was fitting indeed that the Germans of Wilmington should take part in the New Bern celebration and their action reflects much credit upon this city, because Wilmington is the largest German-American city in North Carolina and one of the very largest in the South. This in itself is a matter for the folks of our city, recognizing as they must their sturdy qualities, and progressive and otherwise splendid citizenship, to appreciate keenly and deeply—Wilmington Dispatch.

Special to Journal.

#### Asheville Firemen's Appreciation

To the Editor.  
On behalf of the Asheville Firemen I wish to express through your columns our appreciation of the entertainment, the interest and the many courtesies shown us by the firemen and citizens of New Bern.

We have enjoyed every minute of our visit to your city, and we will long remember it as one of the most pleasant we have ever taken.

We wish to particularly thank the firemen and the management of the Gaston Hotel, for they have supplied everything we needed.

Very truly yours,  
S. G. BERNARD.

#### Protest From "Red Wings."

Editor of Journal.  
Please give me space in your valued paper to state to the public and citizens of New Bern my reason for not exhibiting my launch, "Red Wings" when requested to do so at the races yesterday.

I came over here as a member of the "Tarheel Motor Boat Club" of Washington, to enter the race for launches, by the invitation of the committee, published in the Washington Daily and other State papers.

After being here a week and seeing the committee and making necessary repairs on my engine, I am told at the last minute that I cannot enter. Now I expected to be handicapped and talked with the committee regarding same and expressed my willingness to submit to any handicap they saw fit to make under the rules governing such events. I certainly think it unfair, unjust and sportsmanlike to rule against me in this manner.
