WOULD-BE SLAYER MAKES STATEMENT

Says Gaynor Deprived Him of Bread and Butter and That He Got Even

Hoboken, N. J., Aug. 10.—The following statement was made by J. J. Gilhugh to acting Chief of Police Robert Bell and Policeman Daniel J. Kiley after the shooting of Mayor Gaynor.

"I am fifty years of age and live at No. 440 Third avenue, New York City. Was born in Ireland and was employed as watchman by the department of docks and ferries in Manhattan until a short time ago when I was discharged. I came to Hoboken at 9:20 o'clock this morning and went direct to the steamship and on board the steamship Kaiser Wilhelm der Grosse. There I met a clergyman and asked him to point out Mayor Gaynor. He did so and I drew my revolver and fired at the mayor. I do not know whether more than one shot was fired. Knowing that Gaynor was going to Europe to enjoy himself after depriving me of my bread and butter (I did not ask for porthouse steak) it irritated me to do the act."

After being shown the revolver the prisoner continued:

"That is the revolver I shot him with. I don't know how many bullets were in the gun. The revolver was in my possession for a long time and I used it while I way in the employ of the city."

MOREHEAD-BUTLER FACTION WINS

Convention Not So Exciting As Was Expected; Duncan Withdraws From Contest For Chairmanship

Greensboro, August 10.—The Republican State convention which met here today was a record one. The opera house overflowed with at least two thousand people, delegates and their friends when Chairman Spencer B. Adams called the convention together at noon.

Chairman Adams made an able speech appealing for harmony and peace in the party, which was frequently applauded.

Roll call showed contests in the following counties, Ashe, Carteret, Clay, Cumberland, Dare, Durham, Vance, Wake and Wayne, Credential Com. took charge of contests and convention adjourned until 3 o'clock.

The afternoon session was held in the auditorium, which was packed. Speeches were made by Thomas Settle, District Attorney Holton, Victor Lusk, Mike Harshaw, Harry Skinner and Walter Henry.

Lusk was particularly bitter in his speech against Taft on account of his Southern appointments, Skinner defended Taft against Lusk's aspersions, but said something that brought Duncan to his feet and voice, and the convention resolved itself in an uproar which was repeated from time to time until the Credentials Committee which had been out three hours reported when the chairman was again able to restore order.

The report showed that the Duncan crowd had lost out by long odds.

In the ballot for permanent organization Thomas Settle, Morehead's candidate received 787, and H. G. Ewart, Duncan's, 318 vote, so Settle was made permanent chairman.

In the contest for State Chairmanship E. C. Duncan withdrew and J. M. Morehead was unanimously elected.

Whale Sighted at Morehead City

Atlantic Hotel, Morehead City, Aug. 10.—This afternoon while Col. Tate and son, and Mr. Harber, of Tennessee, were out in Captain Charlie Bennett's launch, trolling for mackerel, a large whale arose about twenty feet astern the boat at the time they were near the sea buoy at the inlet, about two miles from Morehead City. Captain Bennett says the whale was the species known as fishing whale and was probably following a school of mackerel. From what the party could see of this whale the monster was fully thirty feet long. They think the boat had just passed over the whale before it came to the surface. The whale coming up so near the boat gave the occupants some fright but after it was over they were glad to have had the unusual experience of seeing the monster.

TRAIN HIT AUTO AND KILLED FIVE

Baltimore Touring Party Enroute to Cape May Were the Victims.

Cape May, N. J., Aug. 10.—Five persons were crushed to death tonight when an express train on the Pennsylvania Railroad dashed into an automobile at Mill Lane Crossing on the West Jersey and Seashore Railroad.

The dead are: Frederick W. Feldner and wife, and Fritz Mergenthaler and wife and their chauffeur M. C. Jones, all of Baltimore. Mergenthaler was the son-in-law of Mr. and Mrs. Feldner.

The party had been spending a few days in Atlantic City and this afternoon left for an automobile trip to Cape May.

As they approached the tracks, the fast running express was hidden from view by a cornfield and it was impossible for the chauffeur to see the train until he was within a few feet of the tracks.

As the automobile bore down towards the tracks Mrs. Thomas McNeill, who resides close to the crossing, saw the rapidly approaching express and waved her hand for the driver to stop his car, but the man either did not see the danger signal or thought that he could cross the tracks before the train reached him and dashed on to the road just as the express struck the auto squarely between the wheels and threw it and all of the occupants clear of the tracks. All five of the riders were instantly killed and badly cut and bruised.

The bodies were quickly gathered together and a physician hurriedly summoned, but a glance at the mangled forms showed plainly there was no need for medical aid.

Coroner Reeves was summoned and reached the scene a few minutes after the accident occurred. He took charge of the five bodies and had them brought to his morgue here.

So severe was the impact that pieces of the machine were fastened to the piston rod.

In Regards to "Suit Clubs"

The following article in regards to "suit clubs" and which will doubtless be of interest to many of our readers was clipped from the Saratoga Art Journal of New York:

A tailor who organizes and conducts a suit club, the members of which are to pay the price of a suit of clothes in weekly installments, a suit being made up each week for that member of the club which shall be determined by lot drawn under the supervision of the members, each member being entitled to credit upon clothing for the amount paid in by him, and the lucky ones having discretion to withdraw upon receiving their suits, is held, in Grant vs. State, 54 Tex. Crim. Rep. 403, 112 S. W. 1068, 21 Z. R. A. (N.S.) 876, to be guilty of conducting a lottery.
