FOREST FIRES ARE NOW UNDER CONTROL

Thousands of Dollars Worth of Property Destroyed. Many Lives Lost.

Washington, Aug. 30.—That there are no serious fires east of the Rocky Mountain divide, and that the conditions in all the other forests are improved, is the substance of a report received from District Forester Greeley at Missoula, Mont., by the forest service today.

According to the report, the Bitter Root, Missoula and Pan D'Oreille fires are all under control, and the only ones now considered serious are on the west side slope, in the vicinity of Cour D'Alene and Wallace, Idaho. Mr. Greeley reported that the work of the fire fighters is well organized and progress is being made in the work of checking the fires. He announces that the total number of deaths among the temporary fire fighters is 75; five men are missing and two forces have not been definitely heard from. No deaths have been reported of regular forest rangers, although three have been injured.

To The Democratic Voters of Craven County.

Mr. Editor:—

Having heard that a rumor is being circulated about the streets of your city, that Mr. J. B. Harvey, candidate for Clerk of the Court, is an unpopular man in his township; now we desire to say that there is not a more popular man in No. One township than Mr. Harvey, and he will receive a big majority of the votes cast at the coming primary.

No. One township has always been the battle ground of Democracy in Craven county and has ever loyally supported the Democratic candidates from your city and the county at large, and it is not in the memory of the oldest inhabitants where she has been honored with any of the county offices except that of commissioner, and the Democratic voters of the county should turn out at the coming primary and give our candidates their hearty support and thereby show No. One township that the rest of the county appreciates the loyal support she has always given the Democratic ticket and give us some tangible evidence of their appreciation by nominating our candidate, Mr. J. B. Harvey for Clerk of Superior Court, at the primary to be held next Saturday.

As to Mr. Harvey's ability, we know that he is fully competent to fill any office in the county, and we would be only too glad to give him our support in securing any office to which he might aspire, resting assured that he would discharge the duties of such office with honor to himself and to the office, and we sincerely hope he will receive the support of the Democrats of Craven county at the primary to be held soon.

Foley Kidney Pills give a quick relief in cases of kidney and bladder ailments. Mrs. Rosa (nee) Terra Hunte, Ind., tells the result in her case. "After suffering for many years from a serious case of kidney trouble and spending much money for so-called cures, I found Foley's Kidney Pills the only medicine that gave me a permanent cure. I am again able to be up and about to my work. I shall never hesitate to recommend them."—Davis Pharmacy.

Gaynor Convalescing at his Country Home

St. James, Ill., Aug. 30.—Secluded in his home, Deepwells, in this village, Mayor William J. Gaynor, of New York, is today devoting all of his energies to getting well. No visitors will be permitted to see him for some time, and he will not attempt to transact any of his official duties.

It was stated today that he stood the transfer from Hoboken to this place yesterday well. The bullet is still in his throat, and he has trouble articulating while he frequently coughs, but this will wear off, the physicians say.

PREPARING TO WELCOME

Delegates. Has Entertainment Fund of \$25,000 for Deep Waterway Convention

Providence, R. I., Aug. 28.—The promotion of a movement, conceived more than a century ago to build a chain of Inland Waterways stretching along the Atlantic coast from Maine to Florida is the subject which will draw more than 1,000 delegates to the convention of the Atlantic Deep Waterways association in this city.

More than \$25,000, of which the state and city each appropriated \$5,000 will be spent by the people of Rhode Island to show hospitality to the visitors. It is expected every city along the Atlantic seaboard will send delegations. Philadelphia will send a large contingent on a chartered steamer; about 100 will come from North Carolina, 100 from Baltimore by boat, and about 30 from Washington, D. C.

The official program shows a formidable list of spectators including Commander Robert E. Peary, Congressman Richmond P. Hobson, of Alabama; Willis Moore, chief of the weather bureau, Washington; Rear Admiral C. S. Peary, U. S. N., Governor M. F. Ansel, of South Carolina, J. Franklin Fort, of New Jersey; Frank B. Weeks, of Connecticut; and Abram J. Pether of Rhode Island and many others. The convention will be formally opened Wednesday morning in the Providence opera house. Congressman J. Hampton Moore of Pennsylvania president of the Atlantic Deep Waterways association will deliver his address.

River Improvements—Important Meeting at Government Building

In accordance with the act approved by congress June 25th, 1910, providing for a preliminary examination of Core Creek, with a view to the improvement of navigation up to Core Creek landing Neuse river, Captain Earl I. Brown, U. S. Engineer in charge of this district will hold a conference at the U. S. Engineer's office in the Government building third floor, this morning at 10 o'clock.

Captain Brown has requested that the Chamber of Commerce of this city to notify interested persons to endeavor to be present at the hour named, and it is earnestly hoped that everyone who may be interested in opening Core Creek for navigation from New Bern will meet Captain Brown and set forth the merits of the project.

Thrown from Train.

While trying to jump from the west bound train just after it had passed the coal chute yesterday morning, Claude Ellis, a small white boy, was thrown to the ground and severely bruised and scratched. The train moves at a pretty lively clip at this point, and for a person who is not experienced in dismounting from moving trains it is a dangerous proposition to jump off.

LIFE ON PANAMA CANAL.

SCHOONER SINKS; TWO LIVES LOST

Sole Survivor of Drama of Sea Tells Thrilling Story of Schooner Williams.

Newport News, Aug. 30.—It is possible that four lives were lost about 4 o'clock yesterday morning off Newport light, Chesapeake Bay, when the two-masted schooner Williams, Captain Davis, brick laden, from Norfolk to Baltimore, lost a plank from her bottom and went down in a few minutes.

J. F. Watson, of Newport News, arrived here this morning on the Merchants and Miners steamer Essex and tells a thrilling story. He says that the schooner sank so quickly that the mer did not have a chance to clear a yawl from the davits. The small boat went down with the schooner and all the men took to the water.

Watson kept afloat from 4 o'clock in the morning until picked up on Sunday afternoon at 3 o'clock by a tug boat that carried him to Baltimore. When he last saw his companions they were swimming towards the west shore of the bay. He fears they were drowned, as the shore is some seven or eight miles away. The crew consisted of Willie Coles, Henry Marshall, Robert Williams and Watson.

Mrs. Christian Willis Dead.

News came yesterday of the death of Mrs. Christian Willis, of Waynesville, N. C., where she went some time ago to visit her son, Rev. Walter Willis.

Mrs. Willis had been a resident of New Bern a good many years, kept a boarding house on South Front street which used to have a large patronage of people from Jones and Onslow counties where she was well known and had many relatives.

The deceased was 78 years of age and leaves a son, mentioned and a daughter, Mrs. Annie Wood, of this city.

The remains will arrive here this a. m. and the funeral will be held from Centenary church at 10 o'clock, conducted by Rev. J. M. Wright, after which they will be laid to rest in Cedar Grove cemetery.

Fourth Day Steady Rain.

Yesterday, Tuesday, was the fourth successive day that rain fell, with only short intervals between the down-pours. Saturday was the most severe in rain fall and early Sunday, there being 3.70 inches of rainfall on these days. Monday the rainfall was .33 of an inch. The rain yesterday was not heavy but it was pretty continuous.

New Money Order to be Issued.

It has been announced that the Post-office Department would issue a new form of domestic money order in the near future. A principal feature of the new form will be a detachable coupon to take the place of the advice on the present slips, and which will be presented with the money order by payee or endorsee at the paying office.

It is stated that the names of the remitter and payee will not appear in the body of the order, but the sending of the coupon with the order will serve to acquaint or remind the payee of the name of the person entitled to credit for the remittance. The order and coupon together are somewhat longer than the order now in use, but may be handled conveniently with commercial paper by banks and business houses. The width is the same as that of the present order.

Beginning with the earliest date at which the government printer at Washington will be ready to print and ship such forms, domestic money orders of the new style will be furnished to all post offices in the United States. It is stated that the orders now in stock at the various post offices in the country will be used up before the new ones will be asked for.
