OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTIES.

New Bern, N. C. Sept., 27, 1910

SHOULD COUNTY OFFICES BE SPECULATIVE?

Every legitimate business has a basis upon which it can name the salaries to be paid each and every employe. This is not haphazard, it is business. Why should not a county be governed the same, as to salaries, and not make the offices speculative as to the remuneration that the sheriff, the treasurer, the register of deeds and clerk of county might receive?

Craven county has this matter to decide on November eight, when for salaries act or against salaries act is to be given to the voters. The present system of taking fees by county officers at one period in the history of Craven county, was necessary. There was small business, there was not much work to do, and most important, the people were poor, and the county had to say to men, serve this office and take as your compensation all the fees you collect. It was not a good money job in those days, but there was the speculative chance that the county and its people would grow richer and the fees would increase. This has come, and to such an extent that it is the belief in Craven county that these county offices cannot longer be given to the fee system; that the tax payers should have their interests preserved, and that the salary system take the place of the fee system. In making this change it is the belief of all who have studied conditions that the change is a business one. Each officer of the county knows what he will receive, and the county receiving the fees from the several offices will conduct its business in a practical way, will gain for the tax payers, besides paying liberal salaries to each and every county officer.

Elia—Her face speaks for itself. Stella—Yes; and it is pretty plain talk—Chicago News.

Mrs. Jacob Wilmert, Lincoln, Ill. found her way back to perfect health. She writes: "I suffered with kidney trouble and backache and my appetite was very poor at times. A few weeks ago I got Foley's Kidney Pills and gave them a fair trial. They gave me great relief, so continued till now I am again in perfect health."

AN ORIENTAL GARDEN

It is Not Planted With Flowers, and It Has No Lawns. A garden does not necessarily mean a collection of flowers arranged more or less symmetrically, with spaces of lawn, shelter of trees and paths hither and thither. There have been gardens that, beyond a terra cotta jar or two holding a rosebush or a flowering almond, have had no green thing within their gates.

I know of an oriental garden in Fen where white garmented Moors come in the cool of the evening to sit and listen to ancient stories that they know by heart, or to music that was old when the pyramids were new, or perhaps to look at a dancing girl or two taking soft steps while they smoke their opium. Yet that garden is nothing more than a series of arches upholding walls beyond walls, toned a faint, mysterious yellow that is not yellow, but white, and yet not white, but rose. In the middle is a pool of water in a stone basin that looks blue because of the intense sky overhead and that shimmer with gold in reflections from the walls. In the corner stands a mighty jar full of strange scarlet blossoms, and rugs of deep color and intricate patterns lie on the sun warmed flags. There is always the fairy music of dripping water, and wonderful shadows move among the arches.

Rice All the Way. Bridegroom (at the first stopping place)—It's no use, Clara; we can't hide it from people that we are on our honeymoon! Bride—What makes you think so, George? Bridegroom (dejectedly)—Why, here the waiter has brought us rice pudding!

Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh cure, manufactured by F. J. Cheney & Co. Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Sold by Druggists. Price, 75c, per bottle. Take Hall's Family Pills for constipation.

DON'T BREAK DOWN. Severe strains on the vital organs, like strains on machinery, cause breakdowns. You can't over-tax stomach, liver, kidneys, bowels or nerves without serious danger to yourself. If you are weak or run-down, or under strain of any kind, take Electric Bitters the medicinal, tonic medicine. Mrs. J. E. Van de Sande, of Kirkland, Ill., writes: "That I did not break down, while enduring a most severe strain, for three months, is due wholly to Electric Bitters." Use them and enjoy health and strength. Satisfaction positively guaranteed. 50c. at all druggists.

THE LASH OF A FIEND would have been about as welcome to A. Cooper of Oswego, N. Y., as a merciless lung-racking cough that defied all remedies for years. A RELIABLE MEDICINE—NOT A NARCOTIC. Mrs. F. Marti, St. Joe, Mich., says Foley's Honey and Tar saved her little boy's life. She writes: "Our little boy contracted a severe bronchial trouble and as the doctor's medicine did not cure him, I gave him Foley's Honey and Tar in which I have great faith. It cured the cough as well as the choking and gagging spells, and he got well in a short time. Foley's Honey and Tar has many times saved us much trouble and we are never without it in the house."—Davis Pharmacy.

GRATEFUL ACKNOWLEDGEMENT Chicago, Ill. July 1910. The Savadine Co. New Bern, N. C. My Dear Sirs: I have for many years been a great sufferer from an accident in which the vein between my ankle and knee was severed. After a while the flow of blood was stopped but the impure pent up blood produced an eruption causing the most intense itching which began to spread over my body. After trying every remedy I could hear of I was persuaded to try Savadine. This gave immediate relief and now I can sleep in great ease and comfort which has not been the case for several years. This testimonial I send in grateful acknowledgement and will take pleasure in recommending it to my friends. Very sincerely, M. E. JOHNSON, Formerly of Chapel Hill, N. C.
