OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C. Sept., 29, 1910

SMALLER INDUSTRIES MAKE FOR POPULATION GROWTH.

A notable feature of the census of 1910, is that in the exhibit which shows that the most marked examples in population growth have been in those cities where the local industries turned out the finished articles, such as in Detroit, where the automobile is largely responsible for the increase of population, and to Akron, Ohio, where special industries have been established, and Schenectady, N. Y., where electrical appliances are manufactured, and South Bend, Ind., where vehicles and farm machinery are made and Waterbury, Conn., increased in population 59 per cent. due to the manufacture of watches and articles made of copper—industries which appear insignificant compared with the iron and steel industries and their allied trades.

It is this diversification, both as to the farm and equally so as to the city, that counts for success that makes prosperity and growth. The farmer with his several crops, instead of one crop, wins out. The city that can have twenty to two hundred industries, tho' these be small, in the way of capital and number of employes, yet there will never be a year in such a city of general depression, for with diversified industries there will be a certain demand for the greater part of the finished products that are manufactured, and this will create a healthy local condition among wage earners, and in commercial circles.

In this smaller industry establishment, New Bern has the location to do much. The Chamber of Commerce is doing what it can in the publicity line to attract attention to New Bern's advantages. But equally important to local development and growth, is it necessary for each citizen to be a committee to act in the publicity line and help attract to this city capital and builders.

Although money is the root of all evil, the most successful men seem to be those who plant it.

A RELIABLE MEDICINE—NOT A NARCOTIC

Mrs. F. Marti, St. Joe, Mich., says Foley's Honey and Tar saved her little boy's life. She writes: "Our little boy contracted a severe bronchial trouble and as the doctor's medicine did not cure him, I gave him Foley's Honey and Tar in which I have great faith. It cured the cough as well as the choking and gagging spells, and he got well in a short time. Foley's Honey and Tar has many times saved us much trouble and we are never without it in the house."—Davis Pharmacy.

Money talks, but what the "copper" says may not be worth two cents.

Pale-Faced Women

You ladies, who have pale faces, sallow complexions, dark circles under eyes, drawn features and tired, worn-out expressions, you need a tonic. The tonic you need is Cardui, the woman's tonic. It is the best tonic for women, because its ingredients are specifically adapted for women's needs. They act on the womanly organs and help to give needed strength and vitality to the worn-out womanly frame. Cardui is a vegetable medicine. It contains no minerals, no iron, no potassium, no lime, no glycerin, no dangerous, or habit-forming drugs of any kind. It is perfectly harmless and safe, for young and old to use.

Take CARDUI The Woman's Tonic

"After my doctor had done all he said he could for me," writes Mrs. Wm. Hilliard, of Mountainburg, Ark. "I took Cardui, on the advice of a friend, and it helped me so much. Before taking Cardui, I had suffered from female troubles for five years, but since taking it, I am in good health. I think there is none of the best advice in your book that I ever saw." Your druggist sells Cardui. Try it.

GRATEFUL ACKNOWLEDGEMENT

Chicago, Ill. July 1910. The Savodine Co. New Bern, N. C.

My Dear Sirs: I have for many years been a great sufferer from an accident in which the vein between my ankle and knee was severed. After a while the flow of blood was stopped but the impure pent up blood produced an eruption causing the most intense itching which began to spread over my body. After trying every remedy I could hear of I was persuaded to try Savodine. This gave immediate relief and now I can sleep in great ease and comfort which has not been the case for several years. This testimonial I send in grateful acknowledgement and will take pleasure in recommending it to my friends. Very sincerely, M. E. JOHNSON. Formerly of Chapel Hill, N. C.

It's a pity when sick ones drug the stomach or stimulate the Heart and Kidneys. That is all wrong! A weak Stomach means weak stomach nerves all ways. And this is also true of the Heart and Kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is promptly helping Stomach, Heart and Kidney ailments. The Restorative teaches out for the actual cause of these ailments, the failing stomach nerves. An arrow points to the failing stomach nerves. An arrow points to the failing stomach nerves. A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangement, bloated impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Interfering impurities reveal themselves commonly later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are sending help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They give to women's systems the same relief that they give to men's. They are sold by all druggists.
