

## The Prudent Farmer

THERE is a great deal being said throughout the country about the importance of farming as an occupation. The fact is, that the great mass of people are just beginning to understand the value of land and the independent position of the farmer. The great drawback to farming in the past has been the lack of knowledge with regard to methods of agriculture and the precaution on the part of the farmers to lay up money in good years for possible emergencies when crops fail.

The farmer who deposits his surplus money in a strong, safe bank can tide over a season of bad crops, when it comes. This bank issues Certificates of Deposit, yielding interest at the rate of Four Per Cent.

one way out of it. The world says unless you have "the goods" you are not fit. It matters little what you make unless you save regularly and persistently. Therefore it is not wise to save money while you may and invest in something that is good and absolutely safe. By taking stock in the October Series of the NEW BERN BUILDING & LOAN ASSOCIATION (established 1888-22 years) which we now have on sale you not only lay the foundation for a snug sum, but become a factor in the town's uplift, as the money circulates freely and improves business conditions generally.

At the end of seven years when the stock matures and you draw out \$100, \$500, or \$1000, to cost only \$84, \$520, or \$540, it comes so easy it's like picking money up out of the street.

APPOINTS DAY  
FOR YOUNG MEN

State Chairman Eller Follows Out  
Suggestion Offered by Ex-  
Gov. Jarvis.

Raleigh, N. C. Oct. 24.—State Democratic Chairman Eller appoints October 29, as young men's day in North Carolina. This is in response to the wide interest invoked by Governor Jarvis' letter of last Sunday, directing the thoughts of young men to their duties as citizens, and asking them to take a lively interest in all public questions and to become active, working democrats. Letters have come in from all about the state from young men expressing their appreciation of the ideas set forth, and pledging themselves to work for the party of sound government and clean administration.

On young men's day, the speakers through the state will devote special attention to the young men and the democratic press will give the idea hearty support, and call attention to the work that young men can and are doing. Leaders have been selected in each county, who will, in turn, appoint township and precinct leaders to put high class literature in the hands of young men and to secure their interest and active support up till the election. It is the desire that every young white man is of voting age, not only register and be prepared to cast an intelligent vote, but that he shall also be a student of public questions and a working democrat.

Weight and Strength Regained by  
Savoline

I had a horrible case of Catarrh, Nasal passage and throat were always inflamed and I was more or less always expectorating. My Cough at night annoyed me greatly. Loss of appetite and indigestion soon caused me to lose weight and strength rapidly. I was advised to try Savoline. I did so. I used it internally and externally. It cured my Cough and Catarrh. I now eat and sleep well. My weight and strength I have regained. Savoline was of untold benefit to me.

## The Writers.

Robert W. Chambers, the author, was born in Brooklyn and used to draw pictures for the illustrated weeklies.

Maurice Henry Hewlett is in his fortieth year. He was educated at private schools and at London International college.

Clinton Scollard was born at Clinton, N. Y., where he still resides. He graduated at Hamilton college and later was for nine years professor of English literature there. His first poems were published in 1884, and many volumes have followed.

It is rumored that Mrs. Humphry Ward will succeed to the Order of Merit bestowed upon Florence Nightingale, who was the only woman that had ever received it. Mrs. Ward has not only written a great many convincing books, but she has taken a great interest in the humanitarian problems of England.

## KIDNEY-BACKACHE VANISHES.

In all the world there is no man or woman who can afford to neglect the slightest kidney disorder for one single day.

Kidney diseases are the most dangerous, because the first signs are seen in other parts of the body before anything wrong is noticed with the kidneys themselves.

Some of the symptoms, though, cannot be mistaken, for instance, a constant aching or misery in the back, sides or loins, or headaches and dizzy spells, nervous twitchings, disturbed sleep, inflamed or puffy eyelids, heart palpitations, rheumatic pains, weakness, bilious stomach or a feeling of languor and fatigue. Sick, unhealthy kidneys also cause thick, cloudy, offensive urine or it is full of sediment, irregular of passage and often uncontrollable or attended by a sensation of burning.

The time to cure kidney trouble is before it settles into Diabetes, Dropsy, Gravel or Bright's Disease. The moment you suspect the slightest kidney, bladder or urinary disorder, begin taking Pope's Kidney Pills as directed, with the knowledge that there is no other medicine, at any price, made anywhere in the world, which will effect so prompt a cure. In just a few days you feel and know that the kidneys, bladder and urinary organs are healthy, clean and normal and all danger passed.

Your physician, pharmacist, banker or any trustworthy agent will vouch for the responsibility of Pope, Thompson & Co. of Cincinnati, Ohio, who prepare and bottle these pills.

DOCTOR CRIPPEN  
FOUND GUILTY

British Justice. Deceives American  
Dentist Will Hang Nov.  
15th.

London, Eng., Oct. 24th.—Dr. Hawley Harvey Crippen, after a trial extending over five days, and thirty minutes deliberation by the jury, was on Saturday found guilty of the murder of his wife, an American woman, known on the stage as Belle Elmore. Lord Chief Justice Alverstone who presided at the trial, sentenced Crippen to be hanged on Nov. 15th.

There is however, the strongest prejudice in England against executing a man purely on circumstantial evidence, and an incident at the close of Crippen's trial has caused the impression that the jury may have recommended a life sentence. After Crippen was sentenced to death, the foreman of the jury handed to the Lord Chief Justice a note, after looking at which, the Justice said: "That shall be forwarded to the proper quarter."

"The proper quarter," might mean the Home Secretary, who has jurisdiction in such matters. The jury refused to discuss the incident.

A crowd saw departure of Crippen from New Bailey. There were a few "boos" as he drove away to the Pentonville prison, but no other demonstration.

The jury was out just thirty minutes, when it returned and announced that it had found the defendant guilty. Lord Chief Justice Alverstone asked the physician if he had anything to say. Crippen replied in a low voice, "I still protest my innocence."

The Chief Justice then donned the black cap that has rested near him during the trial, and pronounced the sentence of death.

Addressing the condemned man Lord Alverstone said:

"You have been convicted on evidence which can leave no doubt in the mind of any reasonable man that you cruelly murdered your wife, and then mutilated her body."

"I advise you to entertain no hope that you will escape the consequences of your crime. I implore you to make your peace with Almighty God."

As the Lord Chief Justice concluded a policeman stepped forward and in the hush that had fallen over the court led Crippen from the dock.

POSTAL SAVINGS  
BANKS OPEN

Board of Trustees of Postal Savings  
Bank System Selects Cities to  
Try Out New Service

Washington, Oct. 24.—The board of trustees of the postal savings bank system Saturday approved at last of 42 second class post offices, at which the plan will be given its first trial. The list includes one office for each State and territory.

The trustees are Postmaster General Hitchcock, Secretary of the Treasury MacVane and Attorney General Wickersham. They met in the office of the Postmaster General late this afternoon. The list they formally approved was selected after careful investigation by the postal officials with a view to making the first test of the service as thorough as possible under the limit appropriation of \$100,000 provided by Congress which includes all the expenses of equipment, including the engraving and printing of forms certificates bonds, etc., clerical assistance, etc.

Owing to the smallness of this appropriation it has been impossible to establish postal savings banks during the first year in the large city post offices of the country. Communities were chosen in which conditions were exceptionally favorable for the development of a postal savings business mostly industrial centers where wage-earners will be especially benefited by the kind of banking facilities afforded.

## Fire at Cotton Exchange.

Just before 3 o'clock yesterday afternoon Mr. B. M. Hart who conducts a cotton broker's office near the cotton exchange discovered that two bales of cotton which had been brought in yesterday were on fire. He at once ran up to the engine house to give the alarm but at that time none of the drivers could be located and considerable time was lost before the alarm was turned in. Both companies, however soon arrived and the blaze was extinguished. The damage done will amount to about \$50.00.

## The Tyrant in the Field.

There have been few commanders so tyrannous as Lopez, the dictator of Paraguay, when, in the war of 1865-70, it fought single handed the neighboring countries of Argentina, Brazil and Uruguay. Lopez, says Mr. W. H. Koebel in his "Argentina," was wont to carry the theory of victory or death to an uncomfortable point. "Officers were executed for mere remarks whose tone fell beneath the standard of confidence that Lopez had set up for himself. One, for instance, was shot for having announced in the course of his duty that the enemy was strongly intrenched. Another met his end on account of an unguarded speech to the effect that the Paraguayan army was accustomed to count the enemy's losses and forget its own."

A large shipment of E. P. Reeds fine shoes, just received J. J. Baxter.

## Savoline Has Great Merit.

The Savoline Co., New Bern, N. C.

Gentlemen:— I wish to add a word of commendation to my Savoline. Having used it in my family for Croup, Colds in the head, throat and lungs, Neuralgia, Piles, Cuts, Sores, Bolls and eczema, I unhesitatingly pronounce it one of the best remedies ever used by me, and would recommend it to any one as a valuable family remedy in such cases. I find that a small quantity placed in the nose upon retiring affords a restful night, and by an occasional application that way I have been practically cured of insomnia.

Your Savoline has great merit.  
Very truly yours,  
W. G. BOYD,  
Secretary New Bern Chamber of Commerce.
