Miss Sara Congdon Entertains.

Miss Sara Congdon was hostess at a delightful bridge party, Wednesday evening in honor of Miss Ellis and Miss Burrus, the brides to be. The exquisite decorations were in yellow and white and score-cards in bride design.

After the game the guests were invited to the dining room which was a bower of beauty, the bridal scheme was carried out by the artistic arrangement of the table, the centerpiece being a bank of yellow and white chrysanthemums, overhung by wedding bells, under which was cupid, holding his arrow with pierced hearts.

The cutting of the brides cake, which was a huge heart, caused much merriment, Dr. Patterson and Miss Willis each cutting a ring, Misses Smallwood and Munger a thimble and Misses Marks and Richardson the money, while Mr. Claypool and Miss Blades cut the collar buttons.

The bridal scheme was further carried out, both salad and ice course being in hearts, wedding bells and cupid.

Mrs. D. S. Congdon, in her gracious manner, presented each bride with a lovely white and gold wedding book. Those present were: Misses Elizabeth Ellis, Elizabeth Burrus, Margaret Smallwood, Eulalia Willis, Jane Stewart, Harriette Marks, Maud Munger, Henrietta Hancock, Bessie Summerell, Ivy Blades, Armstrong, Mamie Richardson, Messrs. M. Allen, Vernon Blades, Jesse Claypool, Adolph Nunn, W. Malone, Mark Stevenson, Mabrey Hart, W. Griffin, Sedberry, Wade Meadows, D. S. Congdon, Drs. William Hand and J. Patterson.

SHORT PASSING EVENTS

Quite a number of boats loaded with merchandise from Northern cities have arrived in this port during the past few days.

The regular meeting of the Daughters of the Confederacy will be held at their hall this afternoon at 4 o'clock. A full attendance is desired as the officers for the ensuing year will be elected.

Mr. George E. Sutton, of LaGrange, has been appointed Deputy Collector of customs at the port of New Bern. The appointment is under the civil service, Mr. Sutton having recently successfully passed the examination.

The torn up condition of the down town street makes it look as tho' there was paving going on instead repairing the pavements so recently laid. Of course the contractors must make good the bad places, but why not try some other kind of pavement next time?

This is the season in which the possum hunter can get as much of that sport as he likes. Thursday night a party of local sportsmen started out on the chase. Early yesterday morning they returned home with three large possums.

Quite a number of New Bern citizens have signified their intention of attending the foot ball game between the A. & M. College and the V. P. I. which will be played at Norfolk next Thursday. The Norfolk-Southern railroad Co. offers reduced rates from this city. Read their ad in this issue.

Since the express drivers strike which paralyzed shipping interests in New York City a few days ago, has been ended and the postoffice clerks report a decided decrease in the number of packages from northern cities. The mails were used to a great extent during the strike in sending out packages that could not be delayed.

Some of the citizens in the northern section of the city have been missing chickens and upon an investigation there was found upon the premises of a Syrian nearby merchant, a device for catching chickens and upon further investigation there were found a lot of feathers buried which corresponded to the colors of the various chickens missed.

It is always the mysterious that baffles and attracts the undivided attention of the public. The marvelous Durno, who will appear at the Masonic Theatre on the night of November 25th, has been called "the man of mystery." He has recently given exhibitions of his marvelous powers in several North Carolina cities and at each place he has been highly praised. Subscription list now open at Waters store.

A representative of the Society for the Prevention of Cruelty to Animals could find a very fertile field in this city for his labors. Mention has frequently been made in these columns of the various atrocities perpetrated upon many of the feeble animals that are used by the local hack drivers in hauling their dilapidated vehicles. Yesterday morning an animal that could hardly be called a horse, fell to the pavement on Middle street and was badly injured. Several weeks ago this same horse fell overboard and came near being drowned. It would be a humane act to shoot such animals as this and end their misery.

When in search of a refreshing drink try Water's Hot Chocolate.

THE HARDEST STRAIN UPON EYES

is when looking at objects near by. Reading and sewing becomes tiresome at once to weak eyes. If you will wear glasses when your eyes first complain, it may only be necessary to wear them at work. If you neglect them too long you will have to wear them always.

To Farmers of Craven and Adjoining Counties.

This year is the farmers' own. We rejoice with you. A wise farmer seeks the best MARKET for his products. New Bern is paying more for farm products today than any town in Eastern North Carolina and the New Bern STORES are overflowing with well selected and attractive goods that may be bought at very low prices.

Now as a business proposition, if Cotton, Seed Cotton and other farm products are selling high in New Bern and the New Bern Stores are selling reliable goods cheaply, will it not pay the farmer to trade in New Bern?

A Cordial Welcome and a Square Deal Awaits You.
