STOMACH MISERY ENDS
No Indigestion, Gas, Heartburn or Dyspepsia five minutes after taking a little Diapepsin.

The question as to how long your are going to continue a sufferer from indigestion, dyspepsia, or out-of-order stomach is merely a matter of how soon you begin taking some Diapepsin.
 If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.
 People with weak stomach should take a little Diapepsin occasionally, and there will be no more indigestion no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach or belching of undigested food, headaches, dizziness or sick stomach, and besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour out-of-order stomach and dyspepsia are generally relieved five minutes after taking a little Diapepsin.
 Go to your druggist and get a 50 cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.

New Words of Praise For Savodine.

Winston-Salem, N. C. November 21, 1910.
 The Savodine Co., Gentlemen:—
 I have been a sufferer from asthma for 28 years and had to do a lot of my sleeping sitting up, could not lie down. Your representative placed two samples of Savodine in my hands which I used, and much to my surprise, for they gave me relief. I now use Savodine at night lie down and sleep well. Use my name any way you wish, and refer any one to me.
 JACK LEE,
 So. Poplar St.,
 Jack Lee is well known in Winston-Salem. He has been in the employ of the Fries Manufacturing Co. for many years.

A Voracious Menager.

The most voracious of all marine beasts of prey is the orca, or killer whale. It reaches a length of twenty-five feet, and its jaws bristle with teeth from four to six inches long and as sharp as a dirk knife. Its digestive power is proportioned to the tremendous efficacy of its jaws. It seems also to be an atrocious glutton, as one specimen examined contained in its stomach thirteen porpoises and fourteen seals.

It isn't so difficult to strengthen a weak stomach if one goes at it correct. And this is true of the Heart and Kidneys. The old fashioned way of dosing the stomach or stimulating the Heart or Kidneys is surely going. Dr. Shoop first pointed out the error. "Go to the weak and ailing nerves of these organs," said he. Each inside organ has its controlling or "inside nerve." When these nerves fall then those organs must surely fail. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. A few days test will surely tell. Sold by Bradham Drug Company.

Gross Carelessness.

Tom bought a gallon of spirits to take home and, by way of a label, wrote his name upon a card, which happened to be the seven of clubs, and tied it to the handle. A friend coming along and observing the jar quietly remarked, "That's an awful careless way to leave that liquor."
 "Why?" said Tom.
 "Because somebody might come along with the eight of clubs and take it."
 —Pittsburg Chronicle-Telegraph.

Ticking, tight Coughs, can be surely and quickly loosened with a prescription Druggists are dispensing everywhere. And it is so very, very different than common cough medicines. No Opium, no Chloroform, absolutely nothing harsh or unsafe. The tender leaves of a huckleberry, long healing mountainous shrub, gives the curative properties to Dr. Shoop's Cough Remedy. These leaves have the power to enter the most distressing Coughs and loosen the most tenacious phlegm, and soothe the inflamed throat.

Iron Nails.
 The first iron nails made in this country were hammered into shape at Cumberland, R. I., in 1777.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; also cases out of ear caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
 We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

The Barber's Idea.

Bentley had been out into the night before, or rather he had stayed in late in a little affair, and about all he had left to show for it in the morning was an old fashioned wax-from-blame-makes-headache. In hope of relief he had sought his old friend, the barber, and the latter had been busy on Bentley's head and face for the past hour.
 "By Jove, Karl," said Bentley, "the barber rubbed the top of his head, 'that feels mighty good, I can tell you. The man who invented massage was not only a genius, but a benefactor to the whole human race. They ought to put up a statue to him. There's nothing like it when a fellow feels seedy. There's only one trouble about it."
 "For us it?" asked Karl, hoping that perhaps he might overcome the difficulty.
 "Why, it's all on the outside," said Bentley. "If there were only some apparatus that would enable you to get inside a fellow's head and clear out the pains of the morning after, what a blessing it would be."
 "Well," said Karl, "I think that maybe some day doc. vacuum cleaner feelers will do it already. Got?"—Harper's Weekly.

The Practical Goat.

M. Jules Henard was the mayor of Corbiy, in the Alsace. Every Sunday he contributed to the Journal de Clamecy, and this is the sort of things he used to give the peasants. Writing of the Journal Official, posted up on the wall of the manure and which no one ever reads, he said:
 "I had forgotten the goats. One of them never misses a number. Standing on its hind legs, with its front legs resting on the poster, it moves its horns and beard from right to left, like an old woman reading. When it has finished reading, as the official sheet has an appetizing smell of fresh paste, the goat eats it. After pouring the mind one must feed the body. Thus nothing is lost in the commune. What a pity that all novel readers have not the stomach of this practical goat! They might then eat the books they had read, buy more, and so the man of letters would in the end be able to eat in his turn."—Paris Letter to London Globe.

SAVES AN IOWA MAN'S LIFE.

The very grave seemed to yawn before Robert Madsen, of West Burlington, Iowa, when after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvelous curative power of Electric Bitters. For, after eight months of frightful suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors, five bottles of this matchless medicine completely cured him. Its positively guaranteed for Stomach, Liver or Kidney troubles and never disappoints. Only 50c. at all druggists.

His Sarcasm Was Lost.

In his early days at the bar the late Lord Bowen presented a prisoner who had been caught in a house at night crawling downstairs with his boots off and carrying portable property. The evidence was so overwhelming that Bowen ventured to indulge in a little irony and remarked on the thoughtfulness of the prisoner in removing his shoes, thus disturbing nobody, and in selecting only solid silver articles from the plate basket, so that the family had enough forks and spoons left for breakfast. The jury were so impressed with these extenuating circumstances that they acquitted the prisoner. Bowen never employed jury agents when addressing a jury.—London Spectator.

WOMEN'S WOES.

New Bern Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, nervousness, or pain; they must stoop over, when to stoop means torture. They must walk and stand, and work with aching pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.
 Mrs. N. Vincent, 103 Craven street, New Bern, N. C., says: "Doan's Kidney Pills cured me of backache several years ago, and at that time I gave a public testimonial in their favor. Since then I have had no occasion to use them or any other kidney remedy, as the relief I obtained has been lasting. I procured Doan's Kidney Pills at Bradham's Pharmacy."

GOLDSBORO HEARD FROM

A Lady Who Lives in Goldsboro Joins in the Chorus of Praise for Cardui, The Woman's Tonic.

Goldsboro, N. C.—"A physician treated me for many distressing symptoms," writes Mrs. Elna A. Smith, "but gave me no relief."
 "I suffered with neuritis around the heart and was troubled at times with my head. I had pain in my left side, bowels, left thigh, shoulders and arms."
 "After taking Cardui, I am now well and can recommend it to other suffering women."
 Just such doubtful symptoms, as those from which Mrs. Smith suffered, are the ones for which it will pay you to take Cardui, the woman's tonic.

It is at such times, when there is nothing to show, for certain, the real cause of the trouble, but you need a tonic to give the body strength to throw off the illness that so vexes the system.
 Take Cardui, when you are ill, with the assurance of your own, Mrs. Cardui's success in getting better, when you are ailing.

NOT SORRY FOR BLUNDER.

"If my friends hadn't blundered in thinking I was a doomed victim of consumption, I might not be alive now," writes D. Sanders, of Harrodsburg, Ky.; "but for years they saw every attempt to cure a lung-racking cough fail. At last I tried Dr. King's New Discovery. The effect was wonderful. It soon stopped the cough and I am now in better health than I have been for years. This wonderful life-saver is an unrivaled remedy for coughs, colds, influenza, grippe, asthma, croup, hoarseness, whooping cough or weak lungs. 50 cts., \$1.00. Trial-bottle free by all dealers."

All About It.

To appreciate fully this scrap of dialogue quoted from London Punch one should see the two odd characters engaged in it. Apparently they part a satisfied one, one that he had imparted some real information, the other that he had received some. Said one man: "Do you recollect old wot's 'is name?"
 "I'm with the collar?"
 "Aye!"
 "Wot abaat 'im?"
 "He 'ad to go down"—Jerk of the head—"you know. They give 'im wot you call it—didn't art git it, I don't think!"
 "Realy?"
 "Adn't you 'ard, then?"
 "I did 'ear somethin, but no details, not afore now."
