TAKE CARE.

Remember that when your kidneys are affected, your life is in danger, M. Mayer, Rochester, N. Y. says, "My trouble started with a sharp shooting pain over my back which grew worse daily. I felt sluggish and tired, my kidney action was irregular and infrequent. I started using Foley Kidney Pills. Each dose seemed to put new life and strength into me, and now I am completely cured and feel better and stronger than for years."—Davis Pharmacy.

Work has begun on the new brick walks at the white graded school.

There will be watch night services at Centenary Methodist Church tonight.

The grading and shelling of New St. is being continued west as far as George street.

There was no session of the police court yesterday afternoon, there being no cases ready for trial.

Do not complain if it feels a little cold today the weather bureau reports 42 below zero at Winnipeg.

The little son of Mr. and Mrs. J. H. Weddell, who was injured by an automobile Thursday afternoon, is rapidly improving.

Two new blackboards upon which will be marked the arrival and departure of the various trains has been received by the Norfolk & Southern.

Monday, Jan. 23, 1911 being a legal holiday, the three banks in town will be closed. All paper maturing that day, will be due and payable the day following.

The doll which was exhibited in the window of Mrs. T. Cohen on Middle St. on which numbers were sold, was won by Mr. L. Wainau, who held the lucky number 20.

Just at this time the local market is well supplied with wild game. Squirrels, quails, ducks and possums can be purchased at any of the local market at a nominal price.

Mr. Edward Clark has a mechanical contrivance in his show window that is attracting much attention. It is two miniature figures who automatically fill a fountain pen. You should not fail to see it.

Every cold, wet snap catches a number of people totally unprepared for that variety of weather and yesterday was no exception. All through the day the wagons of the local coal and wood dealers were kept busy supplying empty bins.

It begins to look as if New Bern would not receive the returns of the cent census for several weeks and many of those who have previously been so much interested in the outcome are beginning to have their ardor cooled off. The census bureau, however, is still busily engaged in the work.

YOU MUST READ THIS IF YOU WANT THE BENEFIT.

J. W. Greer, Greenwood, La. suffered with a severe case of lumbago. "The pains were so intense I was forced to hypodermic injections for relief. These attacks started with a pain in the small of my back which gradually became fairly paralyzing. My attention was attracted to Foley's Kidney Pills and I am glad to say after using this wonderful medicine I am no longer bothered in any way by my old enemy lumbago."—Davis Pharmacy.

The old fashioned way of dosing a weak stomach, or stimulating the heart or kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, heart or kidneys, if one goes about correctly. Each inside organ has its controlling or inside nerve. When these nerves fall then those organs must necessarily fail. These vital truths are being taught everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days and see! Improvement will promptly and surely follow. Sold by Bradshaw Drug Co.

MANY NEW IDEAS IN BOYS CLOTHING

Boys are mighty hard on clothes. They are restless, always on the go, kneeling, scrambling, scuffling, climbing and in a hundred and one pranks that knock clothing to pieces. Our clothing is made by makers who know the needs of boys. They are made to wear and stand the strain. They will not rip and go to pieces. They are out in the latest fashion and have all the new ideas admired by the "Little Men" and their elders.
