RISKS ATTENDING FALSE FIRE ALARMS.

The number of false fire alarms turned in during the past week in this city, is a matter calling for some drastic action on the part of the authorities.

The seriousness of sending in false fire alarms, is too little appreciated, in its possible bearings. A number of things turn upon every such alarm, every one of them costly, if not dangerous. These calls for the fire department have come from boxes at quite a distance, and each turning out costs wear and tear to the apparatus, the cost of the time of the volunteer firemen who are taken from their work. The dangerous point is that every call means hurry, and hurry offers chances for break downs and accidents. If an estimate is made it will be found that more damage to fire apparatus takes place answering false fire alarms, than from calls for real fires.

Nothing is so weakening to the efficiency of the volunteer firemen, than to be constantly harassed by fire alarms and upon answering the calls to find that some miscreant has turned in the alarm. A few false alarms unsettle every fireman, and the public, so that when a fire comes calling for prompt attention, too often it is not responded to quickly because of previous deceptions, with the result that a big fire follows with heavy loss.

Whatever the law and penalty may be for turning in false alarms of fire, there will be no cessation unless the guilty parties are taken and given the full punishment. Every citizen should take a hand in this matter and help by catching or reporting any person who turns in a false fire alarm.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and seeking nature in doing its work. The proprietors have such much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure.

For months New Bern readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. No other remedy ever produced such convincing proof of merit.
E. A. Henderson, 156 George street, New Bern, N. C., says: "Doan's Kidney Pills are a very valuable remedy, and I can say that they did me more good than any other kidney medicine I ever took. I suffered from a dull pain across my loins and this was accompanied by an extreme lameness in my back. I also had inflammation of the bladder and the passages of the kidney secretions pained me. The use of Doan's Kidney Pills, which I procured from the Bradham Drug Co., removed all the lameness and pain and improved my condition in every way." (Statement given January 25, 1908.)

CONFIRMED PROOF.
Mr. Henderson was interviewed on Nov. 28, 1908, and he said: "I willingly verify my former endorsement of Doan's Kidney Pills, for I have been free from backache and kidney complaint since I took this remedy. You are welcome to continue the publication of my statement."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

The United States Circuit Court of Appeals in New York reversed the decree of Judge Haugh, of the Circuit Court, in which he upheld the Selden automobile patent.

In sickness if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve, or it may have given strength and support to the heart or kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the stomach nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see! Sold by Bradham Drug Co.

Dr. Detchen's relief for Rheumatism usually relieves severest cases in a few hours. Its action upon the system is remarkable and effective. It removes at once the cause and the disease quickly disappears. First dose greatly benefits. 75c and \$1.00. Sold by Bradham Drug Co.

ESCAPED WITH HIS LIFE.

"Twenty-one years ago I faced an awful death," writes H. B. Martin, Port-Harrelson, S. C. "Doctors said I had consumption and the dreadfulness I had looked like it, sure enough. I tried everything, I could hear of, for my health, and was under the treatment of the best doctor in Georgetown, S. C. for a year, but could get no relief. A friend advised me to try Dr. King's New Discovery. I did so, and was completely cured. I feel that I owe my life to this great throat and lung cure." Its positively guaranteed for coughs, colds and all bronchial affections. 50c & \$1.00. Trial bottle free at all druggists.

KILL MORE THAN WILD BEASTS.

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and expel these deadly disease germs from the system. That's why chills, fever, and ague, all malarial and many blood diseases, yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back if not satisfied. Only 50c at all druggists.

FOLEY KIDNEY PILLS.

Are tonic in action, quick in results. A special medicine for all kidney and bladder disorders. Mary C. Abbott, Wolfboro, N. H., says: "I was afflicted with a bad case of rheumatism, due to uric acid that the kidneys failed to clear out of my blood. I was so lame in my feet, joints, and back that it was agony for me to stop. I used Foley Kidney Pills for three days when I was able to get up and move about and the pains were all gone. This great change in condition I owe to Foley Kidney Pills and recommend them to anyone suffering as I have."—F. S. Duffy.
