

A SAVINGS ACCOUNT

It is well known that a person in poor physical condition is more subject to attacks of disease than a person who is strong. It is just as true that a person who is in poor circumstances financially, is more liable to misfortune than one who is protected by some ready money in the bank. A savings account is the best means of strengthening yourself financially. Open an account at once. This bank accepts deposits of one dollar or more and interest is paid at the rate of 4 per cent per annum.

NEW ORLEANS GETS FIRST

Endorsement For Panama Exposition By House Committee Vote.

Washington, Jan. 21.—New Orleans has won the preliminary skirmish in her contest with San Francisco for the Panama Exposition. By a vote of 9 to 6 the House Committee on Industrial Arts and Expositions decided in favor of New Orleans as the place to hold the exposition, and will report the bill introduced by General Estopinal, of Louisiana, officially recognizing New Orleans authorizing the appointment of a Federal commission and a Government exhibit. The committee members who voted for New Orleans were: Eudenburg, of Illinois; Langley, of Kentucky; Murphy, of Missouri; of Iowa; Rhinock, of Kentucky; Heflin, of Alabama; Collier, of Mississippi; Cullop, of Indiana, and Coverington, of Maryland.

Prominent Greensboro Man Tells of Savodine.

T. F. Causey, a Greensboro merchant doing business at 713 E. Market street, says: "I have been a great sufferer from neurgia for several years, as every one in my locality knows. SAVODINE is the only thing I have ever found that would give me relief. I can't say enough for it."

T. F. CAUSEY.

The Naval Program.

Washington, Jan. 21.—Two battleships, two colliers, eight torpedo boat destroyers and four submarine boats constitute the naval increase program for next year, under action of the House Naval Affairs Committee. The committee's action carries out the main features of the administration's plan of building two battleships annually, with a few needed auxiliaries. The battleships will cost \$6,000,000 each, exclusive of armor and armament and will be of 27,000 tons.

Notice to G. L. Hardison's Friends.

The statement made by others—asking for endorsements for Collector Customs at New Bern, that I am no longer a candidate for this position is untrue. I am still in the race and expect to remain to the finish. I ask the continued support and loyalty of my friends.

G. L. HARDISON.

Annual Inspection State National Guard Announced.

Raleigh, Jan. 21.—Announcement is made from the office of Adjutant General R. L. Lelander of the North Carolina National Guard that the annual inspection of the companies composing the guard will begin with the Raleigh company February 14, and close with Wayneville's. Some of the more notable dates are Charlotte, Apr. 13; Greensboro, April 5; Wilmington, April 7; Durham, March 8; and Asheville March 24 and 25. There is no announcement yet as to who will represent the United States war department in these inspections. The date will be represented by Colonel Thomas Stringfield of Wayneville, inspector general of the North Carolina Guard.

From One of New Bern's Best Known People.

Having used Savodine freely according to direction in my family, I consider it the best remedy I have ever tried for bruises, for cold in the head, throat and chest, for rheumatism, for sciatica, neuralgia and catarrh. After a two year's test I recommend "Savodine" to all who suffer from any of the above complaints.

MRS. F. C. ROBERTS,
New Bern, N. C.

NOTICE.

After the big fire many of my friends have suffered a heavy loss. Many shingles, lathes, some pieces of cotton and other merchandise was turned inside of stores and houses, sheds, stables and other houses, and buildings. But now I may say I will try again to succeed and stop on nothing till I do succeed.

I now have the largest stock of all kinds of wood shingles on hand I ever had. I guarantee price and quality. Thanking my customers for past patronage.

THE SPORTING GOODS MAN

SCHOOL NEWS OF THE WEEK

Examination to Begin This Week. Hookworm Report Received. School Magazine to Be Issued This Week.

Nearly all of the upper grades began their examinations on Thursday or Friday. Next week the entire week will be given to the examinations and every pupil of the school should be present every day.

The new term will begin on Monday January 30th, on which date those who pass on all their work will be promoted to the higher section or grade.

All new pupils or pupils who have become 6 years of age since the opening of school should enter on Jan. 30th for the new term.

The boys and girls in the first grade held an attendance contest during the week. The girls won every day and on one or more days every girl in the room was present.

The next number of the School Lyceum Course will be given on Tuesday night Jan. 31st. On this night Elbert Foland and the Italian boys will present "A Night in Venice"—a musical and literary fantasy and a delightful concert program. The company is composed of Mr. Foland and five natives of sunny Italy. Mr. Foland is an entertainer and humorist and his company has a high reputation and is considered one of the best obtainable.

The first report of those who have been examined for hookworm has been received. There were 131 examinations made in this report and 26 were found to be infected. Those who were found to be infected are being notified and urged to take the treatment. During the coming week it is hoped that these pupils who have not been examined will attend to the matter, and their examination completed.

The next issue of the Athenian which will be issued during the coming week will be called the "School Information Number," and will be given over to last year's report of the school and such information as will be interesting to the public concerning the school. Every citizen of the city should get a copy and read the reports.

On Tuesday afternoon the piano and violin club held a meeting in the auditorium. An unusually interesting program was rendered. Besides the solo work on the violin by Carl Bunting and Kathleen Pittman there was a piano duet by Bessie Hollowell and Miss Claypool, and piano solos by Adolph Bahr, Esther Marks, Lavinia Folsom, Bertha Hawk, and Mary Turner. A pleasant feature of the afternoon was the papers read—Roderick Davenport on Creators' Band and Lavinia Folsom on Theodore Thomas' Orchestra.

On Friday afternoon at 4 o'clock the Household Economics Department of the Woman's Club held their second demonstration in the Domestic Science room of the Griffin building. To this all of the members of the Woman's Club were invited and the occasion was most helpful and enjoyable.

Miss McClure our Domestic Science Teacher read a most interesting paper on Beverages—taking up the growth, cultivation, preparation and properties of tea, coffee and chocolate. After which these three beverages were prepared and served with sandwiches and beaten blanchet. Much interest was shown by the ladies present and many questions asked. The attendance was about 20.

SOCIETY

ENTERTAINED YOUNG FRIENDS.

At her home last night Miss Grace Stewart entertained a number of her young friends, the time being spent in games with refreshments served before the party left. All enjoyed the occasion.

5th ANNIVERSARY.

Mr. and Mrs. F. C. Roberts celebrated their fifty-third anniversary of married life last Thursday evening. A number of friends called and congratulated them.

CANTERBURY CLUB

The Canterbury Club met Tuesday afternoon Jan. 17th with Miss Shain Roberts. Very interesting papers on the following subjects were read: "Short Historical Sketch on Florence," Mrs. J. J. Roberts.

CONVENTION COMES TO CLOSE

Pepsi-Cola Bottlers Return to Their Homes After a Delightful Visit.

The convention of the Pepsi-Cola Bottlers which convened in this city last Thursday morning, came to a close Friday night with a social session and yesterday morning the many bottlers from all over the United States who had been in attendance returned to their respective homes, each one profuse in their praise of the hospitality of Mr. Bradham, the president of the company, and of the citizens of New Bern in general.

Friday morning at 11 o'clock the entire party boarded the Elfrida and were given a trip down the river. They returned late in the afternoon and repaired to the hotel where supper was served to them.

From 6 until 10 o'clock Friday night a business session was held at the Pepsi-Cola factory, followed by a social session.

Rheumatism Relieved in Six Hours

Dr. Detchon's relief for Rheumatism usually relieves severest cases in a few hours. Its action upon the system is remarkable and effective. It removes at once the cause and the disease quickly disappears. First dose greatly benefits. 75c and \$1.00. Sold by Bradham Drug Co.

"The Church With Sore Eyes and Lame Feet."

At the Baptist Tabernacle tonight the pastor, Rev. A. C. Shuler, will preach on the Church with Sore Eyes and Lame Feet.

The music has been carefully planned and altogether the program for tonight's service is a very attractive one, and no doubt will draw a large congregation.

Creators Will Play Matinee Concert Here.

To the Citizens of New Bern: In view of the fact that the entire first floor and many balcony seats have been sold for Creators' Concert here next Wednesday night, thus making it impossible for many people who are anxious to hear this wonderful band attend the night concert, I have tonight had a long distance talk with the manager of the Band, and he has agreed to play an afternoon concert here next Wednesday at 3 p. m.

The entire theatre will be reserved for white people. The admission to the balcony will be 25 cents and admission to the first floor will be 50 cents. There will be no reserved seats.

This gives women and children and those out of town an opportunity of hearing the world famous Creators, who could not possibly go at night.

J. L. WILLIAMS.
Jan. 21, 1911.

In The Legislative Halls.

Raleigh, Jan. 21.—Introduced simultaneously in the House and Senate, by Dillard in the former and Hobgood in the latter, a bill designed to prohibit the shipment of live quail from the state and revoking the power of the secretary of the Audubon society to issue permits for such shipments, was passed by both bodies of the general assembly. It was the first urgency bill passed by the present assembly, provision for its prompt passage and enactment into law having been made on Thursday night at a joint meeting of the same committees.

Among the notable bills reported favorably by committees was Senator Gardner's bill increasing the salary of the governor from \$4,000 to \$8,000, effective at the beginning of the term of Governor Kitchin's successor. Senator Gardner spoke in favor of the bill and on motion of Senator Bassett it was made a special order for next Wednesday at 11:30 o'clock.

The Senate received a large number of bills from the House, including one for the protection of employes as members of an organization, another prohibiting State officials and Senators and Representatives in Congress from this State from accepting fees to prosecute claims against North Carolina and another raising the age limit for working on the public roads from 15 to 21 years. Also a joint resolution to give an old home belonging to the State at the intersection of Salisbury and Morgan streets.

Adds Words of Praise.

Having experienced wonderfully good relief to the use of Savodine in such cases, and having had a great deal of praise for it, I am glad to add a word of praise to the list.
