

A SAVINGS ACCOUNT

It is well known that a person in poor physical condition is more subject to attacks of disease than a person who is strong. It is just as true that a person who is in poor circumstances financially, is more liable to misfortune than one who is protected by some ready money in the bank. A savings account is the best means of strengthening yourself financially. Open an account at once. NORFOLK-SOUTHERN BOND ISSUE

Action Postponed One Week. Gradual Expansion of Property and Lines.

The stockholders' meeting of the Norfolk Southern Railroad called for today to authorize an increase in the company's bond issue from a present maximum of \$12,000,000 to \$35,000,000, was postponed for one week.

It is not the idea to issue bonds at once to the authorized limit of \$35,000,000 if this proposition carries, but simply to make it so that the Norfolk Southern can expand and grow by extension of its own lines or the acquisition of other lines.

The capital stock of \$16,000,000 will remain just as at present. Of the present authorized bond issue of \$12,000,000 there are outstanding \$7,700,000 plus \$1,200,000 to take care of underlying securities. With only an authorized issuance of \$12,000,000 this would give the Norfolk Southern but \$3,000,000 upon which to work. This was deemed inadequate and thus the program to provide for an authorized bond issue of thirty-five millions of dollars.

STOP GALAPAGOS DICKERING

Violent Anti-American Demonstration the Cause. Islands as a Naval Base.

Washington, Jan. 31.—Negotiations for the lease by the United States of the Galapagos Islands for naval purposes will probably be suspended indefinitely, it was said at the State Department following the report of the Anti-American demonstrations in Guayaquil, Ecuador.

The reported pledge of President Estrada, given to a mob of citizens who surrounded his residence, that he would drop the matter, is taken here to mean the end of the plan for the present at least. As the negotiations were opened at the request of Ecuador, the State Department feels that they cannot be pressed by this country in the opposition in Ecuador.

It was proposed that the islands be leased for 99 years, and be used by the United States as a naval base for defense of the Panama Canal and other operations in the Pacific. The project is looked upon here largely as a money-making scheme of the Ecuadorian administration. Several presidents of that country have endeavored to consummate the deal. On the other hand, there is no great interest in Washington, even among naval circles, in the proposed acquisition of the islands.

According to the plan the \$15,000,000 suggested as the price of the lease, was to be used in placing Guayaquil in a sanitary condition.

Most Delightful Entertainment

Elbert Poland and the Italian Boys presented a program of exceptional merit at the Griffin auditorium last night. All the pieces were heartily accorded and usually there was a second recall. The readings of Mr. Poland were more than that; the parts were acted and real. The musical selections were such as would appeal to the musician as well as to a popular taste and not a selection but was enjoyed. The remarkable boy soprano was well up in that class, and the Lyceum Course is to be congratulated again for the excellence of its program.

Caraway-Biddle

A beautiful wedding was solemnized at Rose Hill farm, near Fort Barnwell, N. C., on Wednesday January 26th, at 12:30 o'clock. The contracting parties being Miss Helen Biddle, daughter of Mr. and Mrs. John Biddle, and Mr. Gordon Bennett Caraway, of Lenoir Co., Rev. Mr. Huckle, of New Bern, officiating. The parlor was artistically arranged in potted plants and Southern smilax, with numerous tapers peeping forth.

At the sweet strains of Mendelssohn's wedding march, beautifully rendered by Miss Isabel West, of Dover, the bride entered with her father who gave her away. She was handsomely attired in white embroidered tulle over a foundation of museline trimmed in point lace and hand made roses; she carried a shower bouquet of lilies of the valley, brides roses and maiden hair ferns and wore orange blossoms in her hair, her only ornament being a diamond brooch, the gift of the groom. She was attended by her sister, Miss Rosa Biddle, as maid of honor. Her gown was of white embroidered tulle and she carried pink, La France roses. Mr. Bruce H. Caraway, brother of the groom acted as best man.

Immediately after they were pronounced man and wife they received the congratulations of their many friends, and then a bounteous wedding dinner was served, after which Mr. and Mrs. Caraway left for their future home, beautiful Mountville farm, a well placed they were tendered a grand reception that night.

The bride and groom were in a delightful mood of many happiness and beautiful wedding guests.
