

## A SAVINGS ACCOUNT

It is well known that a person in poor physical condition is more subject to attacks of disease than a person who is strong. It is just as true that a person who is in poor circumstances financially, is more liable to misfortune than one who is protected by some ready money in the bank. A savings account is the best means of strengthening yourself financially. Open an account at once. ## IN THE LEGISLATIVE HALLS

**Appropriations For State Normal. Avery But no Piedmont County, New Hope.**

Raleigh, Feb. 10th—Senator Hobgood of Guilford, introduced a bill providing for an annual appropriation of \$100,000 for the maintenance of the State Normal and Industrial College and \$100,000 annually for the next two years to enlarge the dormitory capacity and make other prominent improvements. Senator Hobgood also offered a resolution of appreciation of ex-Judge David Schenck and Maj. J. M. Morehead for preserving Guilford Battle Ground.

Senator Sikes, of Wake, introduced a bill for an appropriation of \$150,000 for the erection of a fire-proof building to house the state library, state museum, hall of history and state records. At his request this was referred to the committee on appropriations to be considered in connection with the Boyd bill appointing a state building commission and authorizing a \$1,000,000 bond issue for a state administration building to be erected in Raleigh.

The bill creating Avery county out of Mitchell, Caldwell and Watauga passed third reading and was ordered engrossed and sent to the House.

The bill creating Piedmont county out of Guilford, Davidson and Randolph counties was reported unfavorably and with a minority report, presented by Senator Hayden, who moved to defer action indefinitely.

The Senate committee on education decided to report favorably the bill to establish farm life schools by providing \$2,500 state aid to every county raising a like amount for building and equipment and providing for its maintenance.

Unfavorable reports were made on the bills relative to the service of summons, liabilities of married women and the Roberts House bill relative to divorces.

A deal has been consummated between R. H. Ricks, of Rocky Mount; Jones and Bailey, of Raleigh, and others whereby a fine pressed brick and marble hotel, five stories high is to be erected on the corner of Martin and Salisbury streets, to be managed by T. L. Bland, now in the new Rix Hotel at Rocky Mount.

## THE WILL OF MRS. EDDY

**Son of Deceased Brother Claims Entire Estate—Request to Church.**

Concord, N. H., Feb. 10—Another complication in the contest over the disposal of the two million dollar residue of the estate of Mrs. Mary Baker Eddy, founder of the Christian Science denomination, is threatened. Geo. W. Baker, of this city, son of a deceased brother of Mrs. Eddy, has decided to take steps to determine what he considers his rights in the matter.

Mr. Baker's attorneys, Taggart, Tuttle Burroughs and Wayman, of Manchester, today notified the Merrimack County Superior Court that on February 11, they will file a petition asking permission for Mr. Baker to intervene in the suit now pending in that court, brought by Geo. W. Glover, of Lead, S. D., Mrs. Baker's son, and Dr. E. J. Foster Eddy, Waterbury, Vt., against Henry M. Baker, executor of the Eddy estate.

In this suit the claim is set forth that the portion of Mrs. Eddy's will leaving the residue of her estate to the First Church of Christ, Scientist, Boston, is invalid because of certain New Hampshire and Massachusetts statutes forbidding the bequest of more than a specified amount to any single church. Mr. Baker's petition, the attorneys state, will be based on the claim that if the court shall declare this bequest invalid, then Geo. W. Baker will inherit the residuary estate as next of kin.

Mr. Baker will maintain, say his lawyers, that George Glover and Dr. Foster Eddy forfeited their rights of inheritance when they signed a contract by which the "next friends" proceedings of 1907 against Mrs. Eddy were settled. Under this contract they received a financial consideration and agreed not to contest Mrs. Eddy's will.

Several weeks ago Mr. G. S. Waters shipped to Mr. W. E. Hanff at Culebra Isthmus of Panama, one of his celebrated buggies. Yesterday Mr. Waters received the following letter from Mr. Hanff:

Culebra, I. P. Feb. 1, 1911.  
Mr. G. S. Waters,

New Bern, N. C.  
Dear Sir: The buggy I bought of you while on my vacation arrived in perfect condition and I think it a beauty. It arrived a few days after my return from the State and I assembled it and took a drive that night. It is as easy riding as a person could wish for. Every one who sees it thinks it is a beauty and several are thinking of ordering one from you. You put up a good strong rig and deserve to get the business.

Yours etc.

W. E. HANFF.

This is not the first buggy that Mr. Waters has shipped out of the United States and in each case he has received from the recipients letters expressing their satisfaction with their purchases.

### To the Public.

It may appear uncalled for to thank public officials for performing their duty, but on considering the matter of the petition recently carried before our board of sidewalkmen to place in the fire district, the property between Hancock and Metcalf streets on the south side of South Front street, which is on Trent river and practically isolated and believing that the purpose of the petition was to restrict W. F. Hill only in the use of his property, so that he could not build on it anything but brick structures. Knowing that brick buildings on that property could only be constructed on piles, which would make the expense, on account of the location hardly justifiable, and having concluded that the object of the petition was to serve some individual end and not for the protection of the public from fire originating on this isolated property, and considering the strong pressure brought to bear to attain the purpose of the petition without notice to me I feel constrained to acknowledge my appreciation of the wisdom and fairness exhibited by the board in rejecting the property.

## BEN BRINSON FOUND GUILTY

**J. D. Perry Found Guilty of Conducting a Lottery. Other Cases Tried.**

At the opening of yesterday morning's session of Superior Court the jury which had been out all of the previous night on the case of Brinson, who was charged with selling whiskey returned a verdict of guilty.

The first case called was that of the State vs James Neal, colored, who was charged with selling whiskey. In this case policeman Fred Ross was the star witness. He told of passing by Neal's cafe near Five Points and of seeing Neal sell O. Crispin, another negro a pint of whiskey and his subsequent arrest. Several witnesses were put on the stand by the defense to show that the whiskey seen by the officer had been left there by one of the defendant's friends to be kept until he called for it. The case was given to the jury at 11 o'clock who after several hours deliberation returned a verdict of not guilty and the defendant was released from custody.

The next case called was that of the State vs J. D. Perry of the firm of Perry Owens Shoe Company who was charged with conducting a lottery by running a suit club. The contention in this case was that the defendant had organized what is known as a suit club, of which the members had a chance of winning a suit of clothes by paying the sum of \$2 per week. The counsel for the defense contended that by operating a suit club the defendant was not operating a lottery and that each member of the said club was given the full value for the money he had paid to the company. The case was given to the jury just before court adjourned for dinner and after several hours deliberation they returned a verdict of guilty. Sentence has not yet been passed.

In the case of the State vs, Lon Bell, charged with retailing the case was continued on account of the defendant who is now confined to the hospital.

The case of the State vs. Gerry Hawk, charged with retailing took up the entire afternoon session. The evidence in this case was practically the same as that in the case of the State vs. B. Brinson and which was published in yesterday morning's Journal. This case will be concluded today.

No sentence has yet been passed on the defendant Ben Brinson.
