A SAVINGS ACCOUNT

T is well known that a person in poor physical condition is more subject to attacks of disease than a person who is strong It is just as true that a person who is in poor circumstances financially, is more liable to misfortune than one who is protected by some ready money in the bank. A savings account is the best means of strengthening yourself financially. Open an account at once. This bank accepts deposits of one dollar or more and interest is paid at the rate of 4 per cent per
