COMMISSIONERS  
MET YESTERDAY

Morning At The Court House In  
Regular Monthly Session. Much  
Business Transacted.

The Board of Commissioners of Craven county met at the court house yesterday morning in the regular monthly session of that body. The first matter brought before the board was a claim presented by guard Wood, of the convict force for \$11.20 for services. At the last meeting of the board they warned the guard that if he let another prisoner escape he would lose his position and that the expense of catching them would be paid out of his salary. Since that time two or three of the prisoners have escaped and the guard was released. The money owing him was not paid at the time, and yesterday the board decided that inasmuch as the county had been put to no expense in capturing the escaped prisoners that the full amount due him be paid. This was done.

Mrs. Leonard N. Toler appeared before the board and asked them for aid. She said that several years ago she married a man named Madison Dawe, that they had one child; that her husband died about a year after their marriage, and that she then married Toler, who took her to live with his parents. A month or more ago another child was born to them. Three weeks ago her husband told her that she would either have to get rid of the child by her first husband or leave his house. After thinking the matter over she decided to leave and went to her mother, who lives in Pamlico county. Owing to the fact that she was not a citizen of this county the board was unable to assist her, but a committee was appointed to investigate the case and report it to the Solicitor who if facts are as they were represented to them, indicted the husband for desertion.

Mr. Albert Willis appeared before the board in behalf of the Naval Reserves and asked that all taxes be removed from a carnival which they were intending to have here in April. This request was granted.

Dr. Rhem notified the board that there were now two cases of smallpox in the city; one at the home of a colored woman on Kilnomic street and the other on Burn street. The board ordered him to rent a house wherever he thought best and use it as a pest house if he found it necessary to do so.

The following juryman were selected for the next term of Superior Court which convenes on April 10th: J. A. Ipoek, E. L. Riggs, W. B. Pugh, Alonzo White, H. C. Ipoek, E. K. Bishop, W. P. Toler, R. B. Jones, B. H. Parrott, G. L. Toler, Rufus Eastwood, S. D. Dawson, J. H. Forrest, J. A. Taylor, L. F. Merritt, G. F. Bright, A. W. Davis, W. A. Adams, B. S. Sutton, Amos Joyner, J. E. Ewell, W. T. Wyon, C. W. Russell, C. B. Knox, Claude Taylor, J. F. Godwin, R. D. Russell, H. A. Russell, C. E. Ipoek, John Crabtree, E. J. Baylis, M. W. Carmen, C. A. Foy, D. M. Ipoek, A. McKay, C. E. Forrest.

Among the other business transacted during the morning session of the meeting the board allowed the widow of the late Joseph French, a Confederate Veteran, the sum of \$30.00 to be used in defraying the expenses of his burial.

The board has had so many requests for adding the past few months that they have been unable to grant all of these requests and it was decided yesterday that this matter would be taken up and more fully discussed at the next meeting and that if it was possible to send all of the paupers to the county home and do away with the mode they now have of giving them a sum of money each month.

Patsy Hicks, colored, appeared before the board and asked that the assessment of her property which is located on George street be lowered. She failed to show why this should be done, however, and her request was not granted.

Mr. W. B. Flanner presented a bill for services rendered by his son for the clerk of the court. This however, was referred back to the clerk of the court for payment.

At the afternoon session the auditor's bills and all of the other bills were brought before the board and passed upon.

The report of the grand jury for the last term of court was read and approved. In this they recommended that a quantity of mounds that is now located in the rear of the jail should be removed. This was ordered done at once.

A charge that caused considerable comment and discussion among the members of the board was the auditor's report of the expenditures of the county convict camp. The supervisor was ordered to call down expenses there if possible.

At the next meeting the matter of how much is to be expended in buying to repair the different bridges and roads in this county will be discussed. It is thought the board received requests from all parts of the county asking them to repair the same.

CHICAGO CROWDS  
GREET LORIMER

Illinois Senator Given Ovation On  
His Return From Wash-  
ington.

Chicago, March 6.—Admirers of Senator William Lorimer to the number of several thousand greeted him Sunday on his return from Washington. Two hundred and fifty automobiles, forming a parade headed by two bands escorted the Senator from the station to his home, where an enthusiastic reception followed.

Senator Lorimer was accompanied by former Judge Elbridge Haney and five detectives who met him at Fort Wayne, Ind. When he passed through the station to the street his followers shouted themselves hoarse and it required seven policemen to keep the crowd from swarming over his escort.

A parade was formed at the station and the 200 machines jammed their way down Jackson boulevard to Garfield park where Senator Lorimer was greeted by 200 members of the Letter Carriers' Association. Both sides of the park roadway were lined with women and children who waved flags and showered Mr. Lorimer with flowers.

## Dog Frightens Small Child.

Citizens residing on Broad street between Craven and East Front were greatly alarmed yesterday afternoon by the screams of some one presumably in great distress. Numbers of them rushed to their doors and found that a large Shepherd dog had cornered a little girl on one of the porches along that street and was savagely attempting to get his teeth fastened in her body. Assistance was quickly given to the little one and the dog put in charge of its owner. Fortunately the child was not injured. There should be a local law passed compelling all owners of dogs to muzzle them before they are allowed to run at large.

## Card of Thanks.

I wish to thank all who kindly assisted in saving my house from destruction Sunday night. Many kind hearts rushed to our assistance. The brave firemen quickly responded and fully sustained their reputation. The flames were soon under control.

Gratefully Yours,  
LINSTER DUFFY.

## Your Help Will be Appreciated.

Capt. Gossett of the Salvation Army informed the writer yesterday that he had received a few contributions toward purchasing some wearing apparel and other necessities for the two young girls who he is desirous of sending to the rescue home at Greenville, S. C., but that the amount received was not sufficient. Any assistance given him, no matter how small, will be greatly appreciated.

## ANNOUNCEMENT.

I herewith announce myself a candidate for the position of Chief of Police, subject to the Democratic Primary to be held in this city in April. Having served as police officer for over 9 years, I promise to faithfully perform the duties of Chief, if elected.

Dear Sir: From the use I have made of SAVORDINE I believe it to be a very valuable remedy for catarrh and colds. It gives almost immediate relief in case of difficult breathing and inflaming of the throat and gives relief in severe coughing. So far as I have had opportunity to use it, which is only a short time, I am much pleased with its efficacy.

SENATE HAS  
SHARP FIGHT

Over the Koonce Resolution. Other  
Business Disposed of. Dill-  
ard Bill Voted Down

Raleigh, March 6.—The Senate had a sharp fight over the Koonce resolution from the House for investigation of the conduct of fire insurance companies in North Carolina. Senator Baggett insisted on immediate consideration. Others insisted that the resolution be referred to the insurance committee for report. Baggett declared this would mean death to the bill. The senate voted to refer to the insurance committee.

The house resolution that passed to investigate the sale of the Atlantic Coast Line and its dismemberment in division with the Southern was voted down by the senate over the strenuous protest of Senator Hobgood.

The senate concurred in the house amendment to increase the governor's salary to \$5,000 instead of \$6,000. The Dillard bill for the creation of a state game commission to succeed the Audubon Society came up and met with strenuous opposition through demands for exemption of counties. An amendment exempting a large number of counties passed and the bill was voted down 60 to 28, since there would not be enough counties operating under the commission to warrant the machinery for the regulation of the hunting and other game and inland fishing affairs.

## In the Police Court.

The usual round-up of Sunday debtors showed up before the Mayor yesterday and required several hours' session of court to dispose of. Most of the cases were against negro brawlers and fighters, but one case wherein three young white men were charged with the same offense was equally disgusting. The usual fines and costs were imposed except in the case where the negro janitor of the Elks club was charged with stabbing a negro employer. He was bound over to court in the sum of one hundred dollars.

## THURMAN ITEMS.

March 4.—The weather has been quite cool for the season but nevertheless we are glad to hear the birds singing as it seems to promise us that Spring is on the way.

Sickness in the neighborhood is diminishing and attendance at Sunday school and also the day school is on the increase.

Hon. S. M. Brinson visited the Thurman school last week. His visits are looked forward to with pleasure, but when he arrives unexpectedly, as he always does, the children seldom do as well as they imagined they would, however they always want him to come again.

The weekly choir practices at Mr. A. W. Conner's are gaining in popularity. The young folks find it very pleasant to spend an hour or more of each week in hearing new songs under the leadership of Mr. G. L. Hardison, chorister. In a short time he hopes to give the people some very beautiful duets and quartets by members of the choir.

On Friday night, March 3rd, Mr. D. S. Koonce held prayer meeting at the Thurman school house. His subject was a very interesting one and every one seemed to enjoy his talk. Mr. Koonce who was here some years ago is highly respected and loved in this neighborhood. He is the father of Mr. G. L. Hardison.

Miss Mary Toss of Maple Hill is visiting Miss Janet Conner.

Quite a number of the young people of Beaufort County attended church at Beaufort much to the enjoyment of certain young bachelors of this vicinity.

Miss G. M. Hardison and son are spending a few days at Marshwood City visiting relatives and friends.

We are glad to see Miss George Bray in our midst, and give her a most cordial invitation to make this neighborhood her home.
