We can sell pine lumber more advantageously than others can! It is because we take it from the stump and do all the handling ourselves, saving money in this way and that, economizing in one thing and another, and at the same time making sure that the quality is right. We sell pine lumber only—the best there is.

On account of several cases of smallpox in town, it was thought necessary by the county authorities to have all the pupils in the school vaccinated. Dr. Rhum came up several days this week and on Monday afternoon, 120 were vaccinated; on Tuesday, 111 and in all about 500 have been vaccinated. There only remains about 25 children in school who have not been vaccinated.

The readiness with which the pupils of the school responded to the appeal to protect themselves and others against smallpox was very gratifying indeed.

At a meeting of the Board held on Friday afternoon a resolution was passed that on and after April 1st, 1913, no pupil will be allowed to attend school who has not been successful vaccinated within 3 years. This was made a permanent regulation at the school.

## Sickness Among Troops.

San Antonio, March 18.—General orders were issued today to govern the maneuvers. They include target practice for the recruits, practice marches by regiment, brigade and, ultimately, by division for the purpose of disclosing the efficiency and fitness, or the contrary, of the force as a moving and fighting machine.

In particular the multiplication of orders is to be avoided. Every shroud of red tape that can be dispensed with is to be dropped. The encampment is expected to prove of great value in this regard. There are fifty cases of sickness among the recruits, including one of smallpox. There is no alarm felt over this as the case is perfectly isolated.

WEST TO DIE  
ON MAY FIFTH

Stetson Gets Thirty Years at  
Hard Labor, Other Men-  
bers Sentenced.

Wilson, March 18.—The curtain rang down on the last act on the Wilson stage of the West and Stetson trial this morning, when Judge Adams passed sentence on these notorious prisoners who yesterday were found guilty, the former in the first degree, the latter in the second degree for the murder of Deputy Sheriff Geo. Mumford in this city on Friday afternoon, February 2d.

The scene now shifts to Raleigh where in the State penitentiary the final gruesome acts will be enacted.

Lewis West stood up when Judge Adams passed the sentence, that West be taken to the Wilson jail, then to the State penitentiary, where he be executed on May 5th, between the hours of 10 and 2 o'clock.

Stetson was sentenced at hard labor in the State penitentiary for the term of thirty years.

Prayer for judgment on Jim Simms, who is charged with being connected with the gang, was continued until next court.

Dave Young, for conspiracy and carrying concealed weapons, was sentenced to two years in each case and to work on the public roads, one sentence to begin after other ends.

As to Tom Smith, prayer for judgment was continued.

Will Lane for conspiracy, was sentenced to two years in jail and to work on the public roads.

Wade Williams for carrying concealed weapons, was sentenced to jail for two years and work on public roads.

Mary Young imprisoned in jail for 12 months.

Grand jury did not find true bills against Fred Lane and Jimbo Taylor, who were thought to have been connected with the gang.

## Joseph Cooper Granted Pardon.

Joseph Cooper, of Craven county was convicted at the October term, 1910, Craven superior court, of the crime of highway robbery and gambling and sentenced to serve twelve months, less seventy days, on the roads.

The pardon is conditional and the reasons are:  
Prisoner, a darkey of good general character, never having been in the courts before, came to New Bern on the occasion of the bi-centennial celebration and got in with a negro of bad character and others and gambled. The bad negro lost and drew his pistol to get his money back, when he was disarmed by the others and his pistol turned over to the police. Prisoner has served five months on the road. The trial judge, two attorneys who prosecuted, several of the jurymen, all the county officers, several deputy sheriffs, the chief of police, and several policemen and many other citizens recommended pardon. There is no protest. His punishment for the part he played in the matter has now been sufficient to justify a conditional pardon. Pardon on condition that he remain law-abiding and of good behavior.
