either India or China. In one of John Ashiou's works on England he cites a case in which a boy charged with gambling stated that the money found in his possession had been made by picking tea leaves. This led to the discovery that many persons made a living by picking sloe leaves and white-thorn leaves in the fields near Cambonwell and selling them to a local cow-keeper for a penny a pound. One man said he picked from fifty to sixty pounds a day and always found a merchant of the country sold to a wholesale merchant. quently sold to a wholesale merchant who obtained as much as 8 shillings s ound for them under the guise of tea. chant was prosecuted and fined, not for adulteration, but for de-frauding the revenue. Grave Mounds In China. The Chinese do not use monuments for marking graves. The coffin is interred about one foot below the surface, and over it a mound is raised, its size depending upon the rank of the family and its feeling toward the departed member.

WARNING TO RAILROAD MEN.

Look out for severe and even danger-ous kidney and bladder trouble result-ing from years of railroading. Geo. E. Bell, 689 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroading left my kidneys in terri-ble condition. There was a continual pain acress my back and hips are my dneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foleya Kidney Pills and the first bottle made a wonderful improvement and four bot-tles cured me completely. Since being cured I have recommended Foleys Kidney Pills to many of my railroad friends,"—F. S. Duffy,
