If All House-keepers

appreciated the very best vanilla possible to make there wouldn't be any other kind sold except BURNETT'S VANILLA. It costs no more than the ordinary kind because it is so much richer and so much more flavorful. It goes twice as far. Are you one of the good housekeepers who appreciate the best vanilla made? BURNETT'S VANILLA THEY COME AND GO

DELICATE CHILDREN. Made Strong and Healthy by Vinol.

"I wish I could induce every mother who has a delicate, sickly child, to try your delicious cod liver and iron tonic, Vinol.

"It restored our little daughter to health and strength after everything else had failed. It tastes so good she loved to take it—not a bit of cod liver oil taste.—Mrs. C. W. Stump, Canton, Ohio." (We guarantee this testimonial to be genuine.)

The reason Vinol is so successful in building up puny, delicate, ailing children is because it is a combination of the two most world-famed tonics,—the medicinal body building elements of cod liver oil, aided by the blood-making and strength-creating properties of tonic iron. It contains no oil, and children love to take it and it cannot harm the most delicate child.

If we can induce you to try a bottle of Vinol as a body builder and strength creator for your child, and you do not find it is all we claim, we will return your money on demand.—F. S. Duffy, Druggist, New Bern, N. C.

Make Your Own Paint and you will know what you are using on your property. The way is easy—Buy one gallon of

DAVIS' 2-4-1

and one gallon of Pure Linseed Oil, put them together, stir them up well, and you will have two gallons of Pure Linseed Oil Paint; there is no doubt about your oil being Pure since YOU have bought and added IT YOURSELF. This is safer, than to take someone else's word that the Linseed Oil in your paint is pure.

TRY IT. FOR SALE BY The New Bern Building & Supply Co., NEW BERN, N. C.

FOR RECORDER'S COURT

The opponent of the establishment of the Recorder's Court certainly is consistent. He says don't vote for the Recorder's Court, because it is framed up simply to "give somebody a job." and then he says vote for the Farm Life School. I would like to ask him, does he expect that school to run without giving "somebody a job." We have read the bill, and our impression is that competent teachers will have to be employed. This store is like all the other stores he has put up, and yet he thinks he can fool the people. We are in favor of the Farm Life School, and think it will be a great blessing to Craven County. This same opponent says that again, that Craven County had done without a Recorder's Court two hundred years. He does not mention the fact that Craven County had done without a Farm Life School two hundred years.

SHORT PASSING EVENTS

There was an session of the police court yesterday afternoon, there being no cases ready for trial.

The schooner Mabel and Rial, Capt. Geo. Cooney arrived yesterday from Washington, D. C. loaded with corn and fertilizer.

Such days as yesterday, wind blowing a gale and filling every one's eyes full of dust, is the time that the street sprinkler is needed.

The increasing popularity of the great importance drink, Pepsi-Cola, is attested by the large daily shipments that leave the factory in this city for all sections of the country.

Becoming frightened at some object a large bird dog jumped through one of the front windows of Mr. McGehee's store last Tuesday afternoon. The dog was not hurt, but the window was a total wreck.

Soft shell crabs have made their appearance on the local market. The price charged for them by the dealers is almost prohibitive to the average person and but few of them are being disposed of.

The price of eggs has advanced during the past few days, Saturday they could be purchased for fifteen cents per dozen and yesterday they sold on the local market for eighteen and twenty cents per dozen.

President D. H. Hill, of the A. & M. College, will speak in this city at the court house Friday night at 8 o'clock on the subject of Farm-Life Schools. Saturday at 2 o'clock he will speak at Vanceboro. It is hoped that a large audience will hear him.

We heard a gentleman from the country "cussing" the automobiles a few days ago because they frightened his horse. He claimed that some auto drivers pay no attention when a horse becomes frightened but go "scotching" by just as if they owned the universe.

Tomorrow night, the English Grand Opera Company will present Cavalleria Rusticana at the Masonic Theatre. This company is being highly praised by the press, and those who attend have in store for them a rare musical treat. Seats for the performance will be on sale today at Waters' store.

The Atlantic Fire Engine Company are having their engine overhauled and repaired preparatory to entering it in the tournament at Charlotte next month. The company has an engine that has "made good" in past years and they feel confident of making another world's record at the next tournament.

An exhibition prize fight between two local youngsters created considerable interest for those who happened to be in the vicinity at that time. Since the advent of two youthful heroes at one of the local theatres several days ago pugilistic encounters among the younger contingent here have been quite frequent.

The manager of the local branch of the Salvation Army has in his charge a young white girl whom he wishes to place in some family in this city. The girl has a good character and is willing to do all of the housework in return for her board and clothing. Further information may be obtained by inquiring at the Army headquarters on Broad street.

If the local horse teams who are to participate in the State Firemen's tournament which is to be held at Charlotte next month fail to return home with one or more prizes it will not be because they have not properly trained for that event. Every afternoon they can be found on George and East Front streets and so far they have shown up well in their trial runs.

During the past few days two colored boys have been playing ball out at the colored base ball park. On both Monday and Tuesday afternoon the game broke up in a fight and several of the participants in the games were badly beaten. Tuesday afternoon several of the scrappers were before Mayor McCarthy for being disorderly and were warned against any further similar conduct but on the same afternoon they engaged in another affray.

Mr. Herbert Edmondson who was employed as blacksmith by the Rope Lumber Company in this city, and who attempted to take his life several days ago by taking a number of grains of bicloride of mercury and who was later placed in Stewart's Sanitarium for

people are not "right" the Farm Life School because that the establishment of the Farm Life School does not take money out of the pocket of some politician and others, whose names I do not care to mention, as the establishment of the Recorder's Court will do.

Again, let us say that we are very much in favor of the establishment of the Farm Life School, and we believe that it will be credited by the voters in two weeks, the fact is that the same persons who are the opponents of the Recorder's Court will be the same persons who are the opponents of the Farm Life School. We are in favor of the Farm Life School, and think it will be a great blessing to Craven County. This same opponent says that again, that Craven County had done without a Recorder's Court two hundred years. He does not mention the fact that Craven County had done without a Farm Life School two hundred years.

SOCIETY

Mrs. H. B. Marks Entertains.

Complimentarily to Mrs. William Hood, Mrs. H. B. Marks entertained at a large and delightful bridge party Tuesday afternoon at her home on John son street.

The entire lower floor of Mrs. Marks' home was artistically decorated in roses, dog wood and wild flowers. There were nine tables of bridge and the place cards were suggestive of the Easter season.

After the game two delicious courses were served.

Delightful Luncheon.

Tuesday, at her home on New street Mrs. C. Curran-Schollenberger entertained at a beautifully appointed luncheon in honor of Mrs. L. T. Wolfe of Philadelphia.

Covers were laid for six and there were five courses.

The decorations were in white and green tulle of the vally, poets narcissus and flag lilies being effectively used on the table.

treatment, died at that institution Tuesday night. His remains, which were accompanied by his brother, Mr. Lester Edmondson, were taken to Robinsonville, N. C. yesterday morning for interment.

La Vallieres in the Newest Designs.

Fashion decrees that the La Vallieres will be worn more extensively than ever during the coming season. And in response to this demand it would seem that the designers of artistic jewelry have surpassed all previous endeavors.

Never before have we shown such a rich and varied display. And never before have we offered such values.
