INDIGESTION

An Interesting Statement.

Portland, Me.—"I suffered so long with indigestion and stomach trouble that I lost flesh rapidly—I had used all kinds of remedies without help. Vinol was recommended and I decided to try it.

"I soon commenced to feel better my stomach trouble disappeared and I can eat heartily without the slightest distress. My experience leads me to believe that no other medicine equals Vinol for stomach troubles and indigestion. It tones up the stomach, increases the appetite creates strength."

W. E. Waterhouse. (We guarantee this testimonial to be genuine.)

Vinol seldom fails to strengthen and tone up the tired, overtaxed and weakened nerves of the digestive organs, and remove the cause of indigestion and soon enables the sufferer to digest with ease the foods that once caused distress. Moreover Vinol is delicious to the taste, contains no oil and does not upset weak stomachs, as do old-fashioned cod liver oil and emulsions.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. F. S. Duffy Druggist New Bern N. C.

SHORT PASSING EVENTS

Although yesterday was generally observed as a holiday in this city there was a large shipment of cabbage and peas made. Cabbage brought \$1.25 while peas sold for \$1.10.

His best of friends will be pleased to learn that Mr. C. T. Bennett, the general manager of the Gaston Hotel, who has been confined to his room for some time is again able to be out.

Every visitor in the city is extended a cordial invitation to attend the Revival services now going on at the Tabernacle Church. Large crowds are attending this meeting each night and much interest is being manifested.

A number of the windows of the various business houses in the city were yesterday adorned with the emblem of the Mystic Shriners in honor of their visit here this week. The work was executed by Mr. Ed. Berry, Jr.

Supt. S. M. Brinson returned yesterday morning from Beaufort where on the previous night he delivered an address at the closing of the Beaufort High School. Mr. Brinson stated that one of the largest audiences ever assembled in that town was in attendance at the closing exercises of the institution.

Yesterday afternoon the North Star Giants and the Blue Ribbon Sluggers again engaged in mortal combat, with the result that the former team again won the honors by a score of 7 to 5. Ball and Nixon handled the spheres for the victors while Thompson and Morning were the battery for the Blue Ribbon boys.

Tonight in the store formerly occupied by C. V. McGehee, the Atlantic Steam Fire Engine Company will hold a festival for the purpose of getting money to defray their expenses to the Tournament at Charlotte next week. All varieties of delicious refreshments will be on sale and the public is extended a cordial invitation to attend.

All citizens of this city are urged to decorate their buildings today in honor of the visiting Shriners who will meet here tomorrow. During the celebration last summer thousands of flags and banners were displayed, and after that event was concluded these were put away for future use. Now is the time to use them. Show the visitors that we have the best and most progressive town in the State.

The members of the Foreign Missionary Society of the First Presbyterian church, instead of meeting at the residence of Mrs. Monroe Howell, as previously announced, are requested to meet at the lecture room of the church today at 3:30 o'clock, and from there adjourn in a body to the Methodist church to attend the Foreign Missionary exercises being held there. It is earnestly hoped that all members will be present.

While out fishing several days ago, Edwin, the young son of Mr. C. B. Hill, accidentally struck a large nail through his right foot. Although very painful the wound was not considered to be very serious at first but it became very sore and a physician was called in and medical attention was rendered the young man. Yesterday it was learned that the wound was healing and that all danger of any serious complication had passed.

The city is full of visitors from all parts of the State and others are coming in on every train. The convention of the Woman's Foreign Missionary Society and the meeting of the Shriners here have attracted large crowds and hundreds of new faces are seen on the streets. The hospitality of the New Bern people is known all over the State and whenever a convention or meeting of any sort is to be held here it is largely attended.

People who live in the business section of the city and whose rooms overlook alleys should use some precaution in emptying water and in throwing useless articles from their windows before they first ascertain whether any one is passing through the alley. While passing through one of these thoroughfares yesterday afternoon a gentleman who had stopped over in the city to spend the day had a suit of clothes ruined by a tub full of greasy water. Of course it was very provoking to him, but nothing could be done in regard to the matter.
