OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTIES

New Bern, N. C. June 19, 1911.

JUDSON HARMON, NO-TABLY PROGRESSIVE.

The National Democracy in naming its presidential nominee, has too often permitted its enthusiasm of the hour to override the due consideration and conservatism that should govern so important a decision.

Already the American people are looking forward to a presidential campaign. The national democracy will go before the people with men for its candidates that can command national respect, men honored in public office.

There is nothing new about the idea of using sage to restore the color of the hair. Our grandmothers kept their hair as young as ours by using a "sage" oil. Sage is a natural hair restorer and it is a fact that it has been used for centuries to restore faded and gray hair to natural color.

PURITY AND QUALITY ARE NOT ALWAYS THE SAME. Pure cider can be made from green sour apples. A cheap South African coffee is pure coffee. So there are many pure vanilla extracts on the market made from mouldy beans, cuts, seconds, etc.

We guarantee the absolute purity of

BURNETT'S VANILLA

and you can judge of its quality by the delicious flavor it gives your desserts.

In a single gallon of trial than in a barrel of arguments—or hot air. One gallon of

DAVIS' 2-4-1
