## WOMEN

Women of the highest type, women of superior education and refinement, whose discernment and judgment give weight and force to their opinions, highly prize the wonderful corrective and purgative properties of Chamberlain's Stomach and Liver Tablets. Throughout the many stages of woman's life, from girlhood to the decline of motherhood, the health of the system is maintained by the use of this medicine.

## CAMELS IN A RAGE.

When Roused These Usually Patient Animals Fight Like Fury.

The usually patient and submissive camel, like the proverbial worm, will sometimes resent an overdose of abuse. Too dense to think of a way in which he can outwit his driver and so take him unawares, when roused to the pitch of fury he rushes at the tyrant open mouthed, and his formidable teeth and powerful jaws do serious damage.

Of this vindictiveness the camel driver is aware and of the certainty that sooner or later the camel will seek revenge. Accordingly it is customary for the person who fears his malice to throw his clothes before the camel, meanwhile hiding himself until the animal's fury has been expended in tossing and tramping on them, when the injury, real or supposed, is at once forgotten.

The camel will not identify himself with his driver or rider in the smallest way whatever. He steadily declines all advances. His eye never lights up with love or even interest at the approach of his master. Should you attempt to pat or caress him he will object in a very decided manner.

Good treatment or bad makes no difference to the camel. Life and its hard conditions are taken for granted. His view of things is far too serious. He is so absorbed and preoccupied that he has no time to waste in the gambols indulged in by all other young animals.—Harper's Weekly.

### IT'S YOUR KIDNEYS

Don't Mistake the Cause of Your Troubles. A New Bern Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to more serious ones. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. New Bern people testify to permanent cures.

L. A. Smith, 18 Griffith street, New Bern, N. C., says: "Backache caused me a great deal of suffering, and I had other distressing symptoms of kidney complaint. Doan's Kidney Pills which I procured from the Bradman Drug Co. completely and permanently cured me. I have publicly endorsed this remedy before, and I am now pleased to confirm my former statement. Our son, who had a weakness of the kidneys, also used Doan's Kidney Pills and was relieved."

For sale by all dealers. Price 50 cents. Foster-McLennan Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The Roses.  
Poet—I can make no mistake in saying her cheeks are like the rose. Friend—But you have never met her. Poet—That matters not. If she is rosy there are red roses, if she is pale there are white roses, and if she is sallow there are yellow roses.

## A Well Known Man's Opinion.

The Savodine Co., New Bern, N. C.

We have derived so much benefit from the use of SAVODINE, that we wish to add our testimony to the list of those already acquainted with its merits.

My wife has been using SAVODINE for quite a while for cold in the head, also has found it a ready relief for CATARRH but above all that, is the fact of its having proved itself invaluable to us for our baby. A short time ago he was taken very sick, and as he would clap his little hands to his ear, we decided he must be suffering with earache, and realizing that something must be done at once, we put a tiny bit of SAVODINE in his ear covered it with warm cotton and in a few minutes he was sleeping as sweetly as though he had never had a pain. We cheerfully recommend Savodine as we will always feel grateful for what it has done for us.

## FOLEY KIDNEY PILLS

FOR RHEUMATISM, KIDNEYS AND BLADDER

Slavery in Old Greece.

The Greeks were slave owners with a vengeance. All manual work was done by "barbarians," as the Greeks called those who had been captured in war. The greatest of the Greeks saw no evil in the institution. Aristotle is quite outspoken in his justification of slavery. A certain amount of menial work had to be done, he claimed, and "mean natured men" were intended to do it. The slaves in some of the Greek states outnumbered the freemen four or five to one. Manual labor was in Greece to be thought a degradation, suited only for beings who could not do the higher work. Even freemen who worked for wages were by Aristotle placed outside the constitution. And what was true of the Greeks was equally true of most of the other ancient nations.—Exchange.

Pierce, M. D., President, Buffalo, N. Y.—Dr. Pierce has been chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N.
