OFFICIAL PAPER OF NEW BURN AND CRAVEN COUNTY. New Bern, N. O. July 9, 1911.

THE MISERABLES.

Hot weather expansion takes place among the material and the physical, alike. In the material its phases are technical, can be reasoned and mathematically demonstrated and explained. In the physical, take the family, and its phases are varied and without exact or reasonable demonstration.

At no period of the year, can there be found so many men of families, living in the smaller cities, such as New Bern, who may be aptly and truthfully styled, The Miserables. It is not that these men are over worked, or are specially sufferers from the heat. They are just homeless, quiet of his home kitchen eating 9 a m, to 2 p m, and 3 p m, to 6 p m. canned goods.

Perhaps at no public place are The Miserables move conspicuous, exhibiting more different moods, than at the post office at mail hours. Note the grin on that man's face as he reads his letter beginning "Dear Hubby," Not a mention of "please send \$10." The family are well, and so "Dear Hubby" can return to his next day's labors and try to collect some over due accounts. See the long face of that other man. No use looking over his shoulder to read his letter. The day has been To all knowing sufferers of rheama- Township is hereby called, to be had in a hot, tiresome one to him. And tism, whether muscular or of the said Township under the provisions of sent away to enjoy a change of air, are not doing as well as hoped. Better a letter with a money request than such a one.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that acience has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Oure is the only positive cure now known to the medical fraternity. Catarry being a medical fraternity. Catarrh being a constitutional disease, requires a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that that they offer One Hundred Dollars for any case that it fails to cure. Sand for list of testimonials. Address,
