A Clean Man

Outside cleanliness is less than balf the bettle. A man may acrub himself a dozen times a day, and atill be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and not it. He will work with energy and think clean, clear, healthy thoughts,

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepais and indigestion originate in unclean stomachly, Blood diseases are found where there is unclean blood, Consumption and bronchitis mean unclean lungs.

### Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy fiesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or babit-forming drags.

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.
