## HARMON BIGGEST MAN IN PARTY

Ohio's Governor Accomplished More in Way of Reform and Elimination of Graft Than Any Other State Executive.

Columbus, Ohio, Sept. 11.—Governor Harmon's extermination of graft and grafters and his fight for laws beneficial to the people have won for him support of progressive Democrats in Ohio—the class which heretofore has been the most enthusiastic of all of W. J. Bryan's following in the Buckeye State.

Assemblyman Joseph J. Greeves, one of Ohio's leading progressive Democrats and an old political lieutenant of the late Tom L. Johnson, ex-mayor of Cleveland, and former ardent Bryan supporter, in a recent interview with a Syracuse N. Y. Herald representative, was quoted as saying:

"Governor Harmon is the biggest man the Democratic party has seen in a generation. I make no exceptions and I was one of the strongest supporters of Bryan that he had in Ohio each time he was a candidate. Ohio has turned out a crop of statesmen that have been shining lights in public life—McKinley, Taft, Burton, Hanna, Foraker and Tom Johnson representing different types of politicians, but not one of them was ever as near or as dear to the people as Governor Harmon.

"His administration will go on record as being responsible for a greater amount of constructive legislation than any other governor Ohio ever had. In these days of political unrest, it is a hard matter to be a progressive without frightening the conservative or disturbing the business element. On the other hand, if a man is conservative he is also set down as a reactionary. A man who is able to strike a happy medium between the two is an extraordinary person and that is just what Governor Harmon has done.

"He has not done one thing to hurt any of the honest interests in his state and yet his administration has been one of radical reform. He has routed graft wherever he could find it and he has fought interests which have been in control in the state for years, and yet he is more popular than he ever was.

"Governor Harmon is not a candidate for president in the sense that he is seeking the office. The ancient tradition that the office should seek the man in good enough for him, and he goes along governing Ohio in a manner that is envied by the governors of half the other states in the Union. The presidential contest is not giving him great concern, but of course, he will accept the nomination, and he will be elected. He will defeat Taft in Ohio by a margin as Taft beat Bryan three years ago."

## FOUSHEE OF DURHAM APPOINTED

Governor Kitchin Appoints Howard A. Foushee to Succeed Judge Biggs, Resigned.

Raleigh, N. C., Sept. 11.—Howard A. Foushee, of Durham, wins the commission as judge for the Ninth District to fill out the unexpired term of Judge J. Crawford Biggs, resigned, to serve until the next general election.

The commission was issued Saturday afternoon by Governor Kitchin and closed a sharp contest that has been on for nearly two weeks in which the friends of Mr. Foushee, Mr. A. A. Hicks, Oxford; Mr. A. W. Cook, Greensboro, and Jacob A. Long, Alarance, have striven determinedly for their respective candidates for the place. Mr. Foushee is a lawyer of recognized ability and has served with distinction in the General Assembly and has been for many years a close friend of Governor Kitchin. Indeed, Governor Kitchin declares that this appointment has been a source of very great embarrassment in that it forced the choosing of the judge from among the group of such true and tried friends as the candidates for the place comprised.

Governor Kitchin has issued the formal proclamation the law requires relative to the adoption of the public school text books to be used in the schools of the State for the next five years—the work of adoption having now been fully completed by the State Text Book Commission of which the Governor is the chairman. The proclamation gives notice that the books have been adopted, the purchase and exchange prices fixed and that the State Superintendent of Public Instruction will publish, according to law, the full list and the prices along with all detail information concerning contracts and the books adopted.

A reward of \$250 is offered by the State through Governor Kitchin for the arrest of the unknown person who committed a murderous assault upon Gray Tolar a criminal assault upon the wife of Tolar on the night of September 2nd, near the town of McDonald, Robeson county.

**IN MEMORIAM.**

On Thursday night Sept. 7, 1911 the death angel came to the home of Mr. and Mrs. M. F. Pugh and bore to his heavenly home their darling little girl Elizabeth. Though her precious life was so short here on earth, she had gained the love of all who knew her and I have never known more sorrow over one so young. To know her was to love her. Her sweet ways won the hearts of all around her and papa and mama are not all that miss you little Elizabeth. No more will the patter of her little feet be heard and her sweet voice calling 'mama,' but in the beautiful city of God we hope to meet her where no burning fever, sickness or parting can come. Weep not beloved parents little Elizabeth is now a angel face does always behold the face of her Heavenly Father and where you are sure of being forever united if faithful to the end.

"I take these little lambs said he And lay them in my breast, Protection they shall find in me And in me be ever blest.

## NEGRO MAN SERIOUSLY CUT

Walter Jones Attacked By Flora Dudley and Carved so Badly With a Pocket Knife He May Succumb To Injuries.

Early Sunday morning Walter Jones colored, was attacked by Flora Dudley also colored, and a frequent visitor to the police courts, and so badly cut that he is now in a serious condition while the woman is being held in the county jail awaiting the next term of Craven county court.

From the evidences given by a number of witnesses in the case it seems that Jones and the Dudley woman had been very intimate during the past few months. Saturday night the Dudley woman went over to James City to attend a dance that was given by one of her friends. Upon returning to the city at an early hour Sunday morning she espied Jones engaged in conversation with Rosa Brown. This doubtless enraged her and she proceeded to carve the pair up. The Brown woman was cut in a number of places and Jones had his jugular vein almost severed and one of the main arteries in his arm cut in two.

In the hearing yesterday afternoon Flora Dudley plead not guilty but from the evidence of several witnesses probable cause was found and she was sent over to the next term of superior court.
