PAGE TRIAL NOW IN PROGRESS

Entire Session Yesterday Consumed in Hearing Evidence in Seduction Case. The Day's Proceedings.

At the opening of yesterday's session of Superior Court, the case of the State vs. Hugh Napoleon Pace, of Wake county charged with seducing Miss Henrietta Daughtery, of this county, under promise of marriage, was taken up. Messrs Moore & Dunn appeared for the defendant and the prosecution was assisted by Mr. D. E. Henderson.

Considerable time was taken up by the attorneys in examining several witnesses who had arrived on the morning train and in selecting a jury. At 11:30 o'clock the trial began.

Miss Henrietta Daughtery was first placed on the stand. She stated that she was 26 years and was the daughter of Mr. and Mrs. J. W. Daughtery of Lenoir county. She told of meeting Pace while she was employed as a waitress at the Gaston Hotel. That she walked out with him on one or two occasions and that he had asked her to let him keep company with her steadily. This she consented to and Pace became a frequent visitor at the home of her sister, Mrs. L. K. Tindal on Hancock street where she was staying at the time. She then told of several other incidents which had but little bearing on the case. One Saturday night he, Pace, suggested that they go down to Morehead City on the following day. She consented to this and they spent the day at that resort and upon their return to New Bern Pace proposed to marry to her and she accepted him. That they set the date for sometime in August. A few days later Pace called upon her and prevailed upon her to go to Wilmington within a day or two and they would be married there. She consented to this and they went to that city on July 20th. Upon their arrival there they went to a hotel and registered as man and wife. Went up to a room on the second floor. That Pace had influenced her under the promise of marriage within a few hours, have improper relations with him. After they had been down to lunch, Pace went out for the purpose of securing a license, but returned within a short while and said that they would be compelled to return to this city to secure a license. This they did and Pace made no attempt to marry her after their return. During her evidence she told of many incidents that occurred during the time that she had known Pace but these had but little bearing on the case.

Miss Daughtery was kept on the stand several hours, and although she went through a very rigid cross-examination, she stuck to practically the same story which she has related all along. The defendant's lawyers tried in vain to break down her evidence and prove that the improper relations she had with the defendant were of her own accord and with her full consent, but in this they failed.

Mr. Foy L. Perkins, steward at the Gaston Hotel, was the next witness placed on the stand. He stated that Miss Daughtery worked at the Gaston Hotel for two years and that during this time she conducted herself well. Had been told by her that she intended giving up her position and get married. Had seen Pace a few times but was not acquainted with him.

Minnie Daughtery, colored, the pantry woman at the Gaston Hotel, said she had known Miss Henrietta Daughtery for a number of years. That she told her that she was going to Wilmington to be married to Pace. She also told of Miss Daughtery's physical condition when she returned from Wilmington.

Mr. J. R. Fleming stated that he lived in Wilmington and stood at the Orton Hotel. That he saw Pace and Miss Daughtery at the hotel on the date claimed by the prosecution. That both occupied the same room.

Mr. C. T. Bennett stated that he was proprietor of the Gaston Hotel, knew Miss Daughtery—was in his employ, and while there conducted herself in the proper way and that he had a high regard for her.

Bob Daughtery, one of the colored barbers at the Gaston Hotel, stated that he had heard Miss Daughtery state that Pace was going to marry her.

Dr. Z. V. Parker, dentist, and U. S. Deputy Collector, J. E. Cameron, stated that they knew Miss Daughtery and that her character was good. Several other witnesses were also placed on the stand and testified as to Miss Daughtery's good character.

J. K. Tindall stated that he was a brother-in-law of Miss Henrietta Daughtery; that he knew H. N. Pace and that he had visited Miss Daughtery at his home. Knew that Miss Daughtery and Pace were to be married. Had two conversations with Pace, one at his home the other at the jail. Told of bringing Miss Daughtery to the jail to see Pace at his request. That Pace offered to marry her at that time but that Miss Daughtery refused.

o'clock last evening several witnesses were called to testify as to the character of Miss Daughtery and her brother-in-law, L. K. Tindall. Each of those witnesses testified that the character of these two persons were good.

Mrs. Daughtery, mother of Miss Henrietta, was placed on the stand. Said she had lived in Lenoir county 40 years, that her daughter came to New Bern in 1908. Was at home on a visit in August. That her daughter wrote her a letter saying that she and Pace were to be married at an early date and that she would like for her mother to be present.

At this juncture the State rested its case. Attorneys for the defendant offered a plea of alibi and that the case be moved to Hanover county where the illegal improper relations occurred. Plea denied.

Mr. S. R. Matthews, master mechanic at the N-S shops here said he had known Pace 6 or 7 months, saw him get off the train one evening in July.

Mr. F. I. B. Pace, father of the defendant, said he lived in Wake county, that his son was 26 years of age. Passed through New Bern on 14th of July enroute to Morehead City, saw his son at depot here, was with Miss Daughtery. That he asked how his wife and children were. Asked him to stay over until next day and go to Wilmington with him. His son had been married also it 7 years, had three children. Upon cross examination said he saw his son and Miss Daughtery at the depot here at midnight on the 15th inst.

Mrs. Pace, wife of the defendant was next placed on the stand. Said they had been married 7 years, lived at Richmond Va., after leaving there she went to Wake county to live, that her husband had visited her several times since he came to New Bern.

H. N. Pace was then put on the stand, said prior to coming here he resided in Richmond, had been married 7 years, came here Mar 23 1911 and went to work in the N S Railroad shops. Visited his wife while he was here and tried to get her to come to New Bern to live. Met Miss Daughtery about 2 weeks after he came here at Godley's boarding house at 25 Hancock street. Told Miss Daughtery he was married, that he had told her so a few days after he met her. Told of taking her to a moving picture show and of their trip to Morehead City, and also of taking her to the passenger station one night at 12 o'clock to meet his father. He then went into the details in regards to the Wilmington trip and all that occurred there. Also told of a buggy ride they had in this city and what occurred then.

The case will be resumed at the opening of today's session and will doubtless be concluded this afternoon.

All during the day Miss Daughtery's aged mother sat within the bar, her head bowed down with the grief she has suffered during the past few weeks. At times her eyes were filled with tears and one could easily see that she had the sympathy of everyone in the court room. Miss Daughtery's sister, Mrs. L. K. Tindal, who lives on Hancock street, and beside her mother and great aunt, seemed to greatly feel the great affliction which has befallen the family.

As had been previously rumored, Mrs. Pace of Wake county, wife of the defendant, came into the court room with her husband yesterday morning and took a seat beside him. She carried her baby in her arms during the early part of the day. From appearance she is a woman who has suffered a great deal of sorrow and much sympathy was expressed in her behalf. The court room was crowded all during the day and it was necessary for the Judge to have the Sheriff make them keep to their seats. There is a large number of witnesses on both sides that have not yet given their evidence and these will be placed on the stand today. After H. N. Pace had concluded his testimony, several character witnesses for Pace were introduced. Court adjourning at 12:10 a. m. to meet again this 9 a. m.

The following other cases were disposed of during the day's session. A true bill was found by the grand jury in the case of the State vs. George Crockerham, colored, charged with burglarizing the home of Randall Williams, also colored a few weeks ago. Crockerham was brought into court and plead not guilty to the bill of indictment. A special venire of 50 men was ordered summoned to try the case. The case will be called this morning.

Flora Dudgey, colored, plead guilty to a charge of an assault with a deadly weapon. Sentenced to a term of 12 months in the county jail.

Wm Chapman was found guilty of an assault with a deadly weapon. Sentenced to a term of 8 months on the county road.

Romulus Ward, colored, plead guilty to a charge of carrying concealed weapons. Upon recommendation from the solicitor prayer for judgment was pronounced and the defendant ordered to pay the costs of the case.

John Gillette, colored, plead not guilty to a charge of an assault with a deadly weapon upon Romulus Ward. The jury returned a verdict of guilty and the defendant was sentenced to a term of six months on the county road.

DUNCAN'S NEW RAILROAD

Final Arrangements For Transferring Franchise to E. Carl Duncan.

Greensboro, Oct. 4.—A meeting was held in the parlor of the Guilford hotel Monday afternoon by the original incorporators of the Raleigh, Charlotte and Southern Railroad, and the final transactions for turning over the franchise, which was secured at the last legislature, to E. C. Duncan, of Raleigh, were carried through. Mr. Duncan and his associates, whose names have not been divulged, expect to get busy right away in making preparations for building the road, and will soon get into the field with the surveys. The price paid for the franchise was not made known.

Mr. Duncan is very enthusiastic over the future promotion and building of the road, and steps will be taken at once toward securing the proper capital for financing the proposition. It is estimated that from \$7,000,000 to \$10,000,000 will be necessary to put the line in operation, and that from one to three years will be required for the construction.

The proposed road will be about 111 miles in length, and according to the original plan will be extended from Raleigh to Charlotte via Pittsboro, Albemarle and Ashboro. It seems to be the policy of Mr. Duncan to carry this plan out.

The road will tap the old C. F. & Y. V. near Siler City, and will pass through the manufacturing district of Randolph county, which will include Cedar Falls, Franklinville and Rameaux. A branch line is proposed to extend from some point near Pittsboro to Greensboro via Saxapahaw, Haw River and Burlington, a distance of between 50 and 60 miles. By reason of its connection with the Norfolk and Southern at Raleigh, the proposed road will give Charlotte direct connection with Norfolk.

The Raleigh, Charlotte and Southern Railroad will pass through a new section of unlimited resources, especially of timber and water power. It will go near the great Whitney plant, which is rapidly nearing completion. It will give to the counties through which it passes an east and west line through a territory for a radius of 40 miles each way.

Creator Opera House Monday Night.

An event in the musical world of this city will be the appearance of Sig. Creator and His Band Oct. 9th. If Creator could describe the force which emanates from him when he takes the baton he might be able to answer the question: What is genius? No one can tell what it is, but everyone feels that Creator has it. The spirit of it travels over the house, electrifies every member of the band and makes people in the audience shout with pleasure and tremble with appreciation. The Asheville Citizen last February said, "Wizard of the Baton is Great Creator. Musical triumph last night at the auditorium. Fearless leader proves claim that he has the finest band in the world. Proving beyond all question his claim to superiority the great Creator delighted two large audiences at the Auditorium yesterday and evening. It is no exaggeration to state that no band artist who has ever visited Asheville created such a lasting and favorable impression as did this magnificent leader of a masterpiece organization. While Creator's rare talents are decidedly individual, he is magnetic and his fervent spirit communicated itself to his players and to his auditors. He has rendered a musical program of the highest excellence and of wide range. Harmonies and recitals vied with each other in rare phrasing and delicate expression, and the audience was at times carried away by the emotions of the music which mounted to the dome of the Auditorium."
