POLLOCKSVILLE NOTES.

Pollocksville, Oct. 15.—Cotton is very low now.

Mr. E. L. Bender and his friend, Mr. C. Jordan, of Raleigh, have been visiting relatives here.

Mrs. F. M. Taylor and little son Benjamin left this morning for Raleigh, where they will visit relatives and also attend the State Fair.

We are very glad to know that our school teacher, Miss Keller is still on the mend.

Rev. E. S. Wood filled his regular appointment here Sunday.

SHORT PASSING EVENTS

All of the graded schools in the city will be closed today.

This is fair week at Raleigh and quite a number of New Bern people will go up to Raleigh during the week to attend the event. Dr. J. F. Patterson and Mr. J. S. Claypoole, of this city have been appointed as two of the marshals during the week.

Those who visited the Athens theatre last evening were profuse in the praise of the Billy La Celles who are filling an engagement there for the first three nights of the week. Their work is well worthy of applause and they received their share. Don't fail to see them tonight.

On October 21st in front of the National cemetery, Mrs. Ad. Topperwein, of San Antonio, Texas, will give a free exhibition of fancy shooting with Winchester rifles and shotguns. Mrs. Topperwein is said to be one of the best shots in the country and her exhibition will doubtless be well attended.

Among the new banking institutions chartered last week was the Swansboro Bank and Trust Company of Swansboro; authorized capital \$10,000; divided into shares of the par value of \$50 each, but the corporation will begin business with \$5,000. The incorporators are W. J. Moore, T. H. Pritchard, J. A. Pittman and others.

Yesterday at Washington, in Beaufort county court the grand jury returned a true bill for murder against Merrill Harrell and Leroy Stanley colored and the case was set for trial Thursday. It will be remembered that they are charged with the killing of Oscar Hill also colored, on a negro excursion train several months ago near (Chocow) city.

Again it is circus day; the event has long been looked forward to by thousands of people in this county. The famous John Robinson's circus will give two performances here today. At ten o'clock the mammoth free street parade will be held. This event alone is worth going miles to see. Hundreds of visitors will be in the city and everybody will be having a good time. The doors for the first performance will be opened at 2 o'clock.

The football team of the New Bern graded school is endeavoring to secure a game at an early date with the football team of the Washington graded school. If they should succeed in doing this, local enthusiasts are promised some real enjoyment. The local team has had a deal of practice lately and are now in the best of trim and if these two teams should meet it is more than probable that the home team would carry off the honors.

J. S. MILLER.

convicted of murder and sentenced to a term of ten years each in the State prison, many people have asked 'what will be done with their three-months old baby.' We understand that the managers of an orphanage at Greensboro have offered to take the child and it is more than probable that it will be placed in their care. It is indeed a pitiable state of affairs that the little one will be compelled to bear the stigma of its parents' crime through life, such, however will be the case. Twelve true men said that they committed murder and the little babe along with them must suffer.

EYE EASE
A pair of properly fitted glasses will give you a world of comfort that you will scarcely realize with defective vision. The best advice we can give you is to have your eyes fitted with glasses that are guaranteed to conform to the defects. But above all don't get a pair of cheap glasses that 'will do for now.' They will bother you constantly and may injure your eyes permanently.
