SHE GAVE UP ALL HOPE
Physicians Failed To Help Mrs. Green, But She Finally Found Relief in Cardul.

Meetez, Va.—Mrs. J. C. Green of this place, says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines, until I gave up all hope of ever getting well.
 One day, I decided to try some Cardul. It did so much for me that I ordered some more, and it cured me! Today, I feel as well as I ever did in my life.
 The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardul will do for sick women."
 A few doses of Cardul at the right time, will save many a big doctor bill, by preventing serious sickness.
 It tones up the nervous system, and helps make pale cheeks fresh and rosy. Thousands of weak women have been restored to health and happiness by using Cardul. Suppose you try it.
 It may be just the medicine you need.

ALL YOU NEED IS A CASCARET TONIGHT
No Sick Headache, Bilious Stomach, Coated Tongue or Constipated Bowels by Morning.

Turn the rascals out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.
 Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.
 Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels. Then you will feel great.
 A Cascaret tonight will surely straighten you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head and cheerfulness for months. Children love to take Cascarets because they taste good—never gripe or sicken.

DOCTORS FAILED. RESTORED BY PERUNA.

Catarrh of the Lungs Threatened Her Life.
 Miss Ninette Porter, Braintree, Vermont, writes: "I had been cured by Peruna."
 "I had several hemorrhages of the lungs. The doctors did not help me much and would never have cured me. I saw a testimonial in a Peruna almanac of a case similar to mine, and I commenced using it.
 "I was not able to wait on myself when I began using it. I gained very slowly at first, but I could see that it was helping me.
 "After I had taken it a while I commenced to raise up a stringy, sticky substance from my lungs. This grew less and less in quantity as I continued the treatment.
 "I grew more fleshy than I had been for a long time, and now I call myself well."

DEAFNESS CANNOT BE CURED BY LOCAL APPLICATIONS, AS THEY CANNOT REACH THE DISEASED PORTION OF THE EAR. THERE IS ONLY ONE WAY TO CURE DEAFNESS, AND THAT IS BY CONSTITUTIONAL REMEDIES.

Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
 We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent for circulars free.

SPAIN'S NATIONAL ANTHEM.

"La Marcha Real" Was Composed by Frederick the Great.
 Frederick the Great was the composer of the Spanish national anthem. Frederick's ambitions were varied. He performed on the flute. He desired to be thought a poet. He quoted Latin, but his quotations would have made Cicero stare and gasp. During that remarkable friendship which existed between him and Voltaire the author of the "Heurade" exclaimed with derision, "See the dirty linen I have to wash," holding up Frederick's manuscript, which had been sent him to revise. In the field the great warrior carried about his own poems in his pocket and a bottle of poison, so that he should not be taken alive. Menzies' picture depicts the king with his flute, and Bach dedicated to him one of his compositions.
 The story of the composition of the Spanish national anthem is full of interest. A little while after the conclusion of the Seven Years' war Frederick at a court reception to the surprise of every one produced a march which he had composed. The Spanish ambassador, both a musician and courtier, asked for a copy to send to his royal master, Charles III. That monarch admired the piece, and it was often heard at the Escurial. After a time it was laid aside and almost forgotten. In 1809, after the deposition of Isabella, Marshal Serrano instituted a competition among composers for a national anthem. Some 500 compositions were sent in, but none of them was so inspiring as Frederick's march, which had been exhumed from the archives. This was chosen and is today known as "La Marcha Real."—London Globe.

STRANGLED THE TREE
 A Victoria City man had an ornamental tree in his garden. One night it was noticed that the orange tree was drooping, and on digging down he found that the roots of the tree, which stood at some distance and rested around the taproot of the orange tree, were strangling it to death. The offending roots were cut and cut away, and the drop in the night retired. The tree eventually died. There on digging down at a greater depth the cherryman found the pine had attacked the orange root lower down and accomplished his murderous end.—London Globe.
