STOMACH MISERY ENDS

A Little Diapiesin Will Make Indigestion, Heartburn or Dyspepsia Go in Five Minutes.

If you had some Diapiesin handy and would take some now your stomach distress or indigestion would vanish in five minutes and you would feel fine.

This harmless preparation will digest anything you eat and overcome a sour, out-of-order stomach before you realize it.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn that is a sign of indigestion.

Ask your pharmacist for a 50-cent case of Pape's Diapiesin and take a little just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping.

SAVED CHILD FROM DEATH.

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala. "we feared it had come to its end. We had many remedies without avail, and doctor's medicines seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that our little one is completely cured and our child is again strong and healthy."
