SHOULD WOMEN VOTE

No one who keeps posted on the great work being done by women in professional and business life, and, most important of all, in the American home, can for a moment doubt that they would vote wisely.

If they would only guard their own health as carefully as they do their children's they could accomplish even more.

One woman who knows how necessary it is to stay well is Mrs. Herman of North Birmingham (Ala.). Her daughter, Miss Nona, says in a letter: "We have used Vinol in our family for four years. Whenever my mother gets a bad cold or feels weak and run-down she always uses Vinol and it makes her well again. She says Vinol always gives her strength and builds her up."

This delicious cod liver and iron remedy without oil is so certain to cure up chronic coughs, and build up weak, run-down, sickly people of all ages, that we sell it under a positive promise to give back your money if Vinol does not satisfy you. Try Vinol.—F. S. Duffy, Druggist, New Bern, N. C.

IN MEMORIAM.

Died at his home, Jones County, N. C. Nov. 9th, 1911, Dr. C. J. Mattocks in his 71st year.

With Masonic honors his body was laid to rest at Trenton, N. C., Nov. 10th.

For several years the Doctor's health was poor, disabling him for the activities of life, yet he remained keenly alive to passing events, and the love and care of his beautiful country home. He died without a pain or struggle and his spirit rises and pure-winged its flights up to its celestial home. He said he was ready and anxious to go, as the burdens of life had become filled with pains and sufferings with no hope of earthly relief. He leaves a wife and an only son, as his immediate family to mourn his departure, which is largely assuaged by the fact of relief of their loved one from earthly suffering, and his present happy greetings of his Savior, the Host of heaven, and the loved ones gone before.

Dr. Mattocks was a man of high ideals of honor, a popular and successful physician and business man, and made fast friends of those with whom he lived. He took great pride in educating John, his only son, and devoted his lavishing his care and affection on both wife and son. Modest and gentle as a lady, his conversation was ever pure and refined, and his polished attire made him a model of gentleness. We shall miss him in the family, church and business circles of this town, but find in a Father's love for his son, the greatest consolation.

SHORT PASSING EVENTS

Tuesday morning was cold, the thermometer registering 23 above zero, the low temperature for this season.

Thursday night of this week a regular drill will be held at the Coast Artillery hall. Light refreshments will be served and every member is urged to be in attendance.

There will be an important meeting of Christ Church Parish Guild at 11 o'clock this morning at the Parish House. Matters of importance will be taken up and a full attendance is requested.

The price of chickens and eggs on the local market still remains about the same as before Thanksgiving. Eggs are readily being sold at 30 cent per dozen while chickens are bringing prices ranging from 40 to 75 cents each.

The Athenian, the official organ of the New Bern grade school, will be received by the publishers today and will be delivered at once to the subscribers. The magazine this month is replete with very interesting articles and is well worth the subscription price.

Anyone wishing to distribute clothing of any kind to the poor, can do so through the Salvation Army from now until Xmas they will gladly call for any thing that you may feel disposed to give. Call phone 446. May God bless all who give to make others happy. Capt. and Mrs. J. E. Way.

During the Christmas holidays the streets would present a much more attractive appearance if the arches which are located about those in the business section were lighted at night. With the expenditure of a few dollars by each merchant these lights can be secured. Some action should be taken in this matter at once.

Those persons who during the next few weeks will use Christmas stamps on the mail they send to their friends should bear in mind the fact that the postoffice regulations require that the stamps be placed on the side not used by the address and the regular postage stamp. Letters containing these stamps on the wrong side of the envelope will be thrown out.

The ladies of the First Baptist church will hold their annual Bazaar in the office of the New Bern Gas Co., Wednesday December 6, beginning at 4 p. m., and continuing through the evening. Refreshments will be served consisting of chicken salad, oysters, cream and cake, home-made candy etc., also a line of fancy work will be on sale. Come early and avoid the rush.

The Chester Amusement Company, when exhibited in this city during the Agricultural and Stock Exhibit and which went to Beaufort the following week, became short of funds at that place and it is understood that the company has disbanded. The railway people had a heavy claim against them for transportation and as they were unable to pay this, their paraphernalia was attached.

When John Robinson's circus visited this city several weeks ago, their heavy wagons literally tore up a section of National avenue. This section that was put in such bad condition by the circus people is kept in repair by the government and now they are endeavoring to make the circus managers pay for the damage done to the road. Whether or not they will be successful in this re-arrangement is to be seen.

Those who have read the installments of "Keith of the Border" which have appeared in Sunday issues of the Journal during the past few weeks have been more than pleased with the story. The plot of the story is well laid out and the reader is carried along until almost the last chapter before he realizes just what will be the outcome. Next Sunday we will publish an unusually long installment so see that you get your paper on that day.

\$100,000 AND WANTS MORE.

"I can best answer your enquiry as to my opinion of The Union Central Life Insurance Company by saying I carry your Company's limit of \$100,000 and would consider another policy if you will raise your limit. I think the Union Central is one of the best Companies in the country. I admire the way they invest their money in farm mortgages instead of stocks and low interest bearing bonds, and I certainly appreciate the rapid increase in my dividends. While in some companies I am insured they remain nearly stationary. It is my opinion that your Company is under an excellent, progressive and conservative management, and I will cheerfully recommend it to the insuring public."

The above letter was written at Omaha, Neb., Nov. 10th, 1910, by the president of a large wholesale dry goods house. Have you an UNION CENTRAL policy? If not, WHY NOT? They are the BEST.

MAN'S WOEFUL NEGLECT. The late Dr. Talmage, the great preacher delivered a sermon on life insurance at his B. S. Syn Tabernacle once in which he stated that the most pitiful sight was a woman, delightfully reared by an indulgent father and given in marriage to a man who failed to insure his life, and after whose death she was compelled to struggle with helpless children, for bread in a cold, heartless world. The UNION CENTRAL LIFE INSURANCE CO. sells the best insurance cheaper than any other Company. Ask to see net cost comparisons in these two leading companies. W. G. BOYD, Agent
