

**NEW BERN BANKING AND TRUST COMPANY**  
NEW BERN, N. C.

**SMALL ACCOUNTS WELCOME**

PEOPLE sometimes ask us if we are willing to accept small bank accounts. We are always prompt in replying to such inquiries by saying that we welcome small accounts and cheerfully extend the protection and service of this bank to wage-earners and all who earn money, whether in large or small amounts. The bank pays interest on money deposited in its savings department and extends every courtesy and attention to requirements of all depositors.

DEPOSITS ACCEPTED BY MAIL.  
**FOUR PER CENT PAID ON SAVINGS.**

## SCHOOL NEWS OF THE WEEK

Commencement Exercises Will Take Place On May 29th. Sermon By Rev. B. W. Spillman.

Commencement Exercises this year will take place on May 29th, 30th and 31st. On the night of May 29th the literary address will be delivered by Dr. Dred Peacock of High Point, N. C. On Thursday night, May 30th the anniversary will be preached by Rev. B. W. Spillman of Kinston, N. C., and on Friday night, May 31st the exercises of the graduating class of 1912 will be held.

Work on the High School play "Bess Goes to Europe" is progressing satisfactorily. Almost every afternoon the ten boys and girls, who are taking part meet with two of the teachers and work. The play is wholesome but quite interesting, depicting real school girl and boy life, manners and experiences. There are some very amusing situations and the dialogue is unusually bright and catchy. The proceeds from this play are to be used on the commencement number of the Athenian.

Short histories and descriptions of our flags, both State and National, will appear in the commencement number of the Athenian. If asked by a foreigner to give an exact description of these flags, who could do it? How did these flags originate, and when first used, etc. There are some of the points which will be discussed in these articles. Bertha Gaskill of the 10th grade is writing the one of our State flag and Roderick Davenport is preparing the one on the U. S. flag.

All school children in the state are being given an opportunity to contribute something toward the Aycock monument fund. Of course the New Bern schools will not be behind in this appropriate work of appreciation of our great Educational Governor.

The history lessons of the 4B grade are very interesting, especially those that are dramatized by the pupils. The boys like to impersonate Gen. Greene, Cornwallis and Tarleton; the girls like the characters of Mesdames Steele, Allison, Ashe and Jones. They are anxious to act the Egmont Tea Party and will do so when the lesson is reviewed.

On Thursday morning of this week 31 out of 38 pupils in the 3B grade made 100 on spelling. Edgar Holtwell, Sadie Block, Ruby Kilpatrick, Fern Perry and Elizabeth Richardson in this grade have not missed a word in spelling for the past five weeks.

The 3C grade had a geography bee on Friday. At the end of the period there were two standing on one side and none on the other. Robert Broadstreet and Conrad Bailey were those standing.

A number work test on addition, subtraction and multiplication was given in the 2A grade. The following handed in perfect papers: Ljeyuz, Cutler, Frank Carter, Willoughby Percebe, Rexford Hunter, Milton Liggins, James Rhodes, Earl Stanley, Sue Brown, Salie Ferris, Elizabeth Ruth, Teien Ruth, Maude Whitehead and Sybil Wilson. Mary Belo Moore has had perfect spelling lessons for the last seven weeks.

### The Shop That's Different.

**PILES! PILES! PILES!**  
Williams' Indian Pile Ointment will cure Blind, Bleeding and Itching Piles. It absorbs the tumors, stops itching at once, acts as a poultice, gives instant relief. Williams' Indian Pile Ointment is prepared for Piles and Itching of the private parts. Sold by druggists, mail 50c and \$1.00. Williams' M'F'G. Co., Prop., Cleveland, O.

### Revival This Week at Tabernacle.

A series of revival meetings will begin tomorrow night at the Tabernacle Baptist Church, continuing throughout the week. The meeting will be conducted by Rev. J. B. Phillips, of Macon, Ga., who is expected to arrive Monday morning. Mr. Phillips is an evangelist of wide renown in the South. He comes here from Spartanburg, S. C., where he has been holding a new successful revival. The local paper of Spartanburg, gives a glowing account of Evangelist Phillips' good work in that town, saying in the headlines of the article, that at least fifteen hundred people answered for admission to the church last Sunday to hear the great preacher.

A special invitation is extended to the public to attend these meetings. Preaching will begin at 7:30 o'clock, preceded by a song service of 15 minutes.

### NOTICE.

## WEEKLY COTTON MARKET REVIEW

Active Speculation Firm. Spot Prices Cotton Goods In Demand.

New York, April 27.—Cotton advanced steadily for a time owing to heavy rains especially in the section east of the Mississippi river. They were accompanied by bad reports in regard to floods in the lower Mississippi Valley, where some sections were said to be ten to 15 feet of water, which had swept over thousands of acres of fertile land. Farm-work in many sections is said to be two weeks to a month behind. In the meantime, the spot markets have been firm. Cotton goods have been strong with a good demand. Spinners have been buying the next crop months. Liverpool spot sales at times have been liberal. Tuesday Waldorf Astoria operators are said to have bought 75,000 to 100,000 bales of Oct. and December here. Wall Street and spot interests have also bought at times freely. The Waldorf buying was believed to be for both sides of the account, but in the main for a rise. Liverpool has sent some buying orders. The contingent has been buying at Liverpool. Some experienced people here doubt the possibility now of a crop of 14,000,000 bales being raised this season. They also believe that a crop of that size is imperative. Heavy rains have prevailed at times in the Atlantic and Eastern Gulf States. The conditions in that section improved on Wednesday and Thursday and very many favorable reports have been received from Texas and Oklahoma, particularly from Texas. Those have given rise to the belief that the next Texas crop may easily exceed any ever before raised. On Thursday came very heavy liquidation coincident with a good weather map. In fact on Wednesday there was also some heavy selling. Liverpool prices have lately been rather disappointing. Liquidation has evidently been going on there as well as in America. Many believe that with a period of a couple of weeks of good weather at the South the lost ground would be largely made up.

Others maintain that the consumption is being overestimated and that in all likelihood a big surplus will be carried over into the next season, which would offset very largely even a considerable decrease in the next crop. Liverpool and the contingent have at times sold here and there has been a good deal of liquidation for local Western and Southern account as well as for Wall street interests. It is largely a weather market. On Friday spot sales in Liverpool jumped to 14,000 bales. Little planting has been done in Georgia and Alabama. Lately, however, under the pressure of liquidation, some action in prices has occurred.

## SMALLPOX THREATENS

The Unvaccinated. You Can Protect Yourself Through Being Vaccinated.

Smallpox, the most contagious disease known to science, has recently appeared in our community. All who have not been successfully vaccinated within the last five years are in danger of contracting the disease unless they are vaccinated at once. If you have not been vaccinated, you have good cause for alarm; if you have, you need have no fear of contracting smallpox.

Until lately the State required smallpox to be quarantined. The State Board of Health shall now no longer advocate or insist upon the quarantine of smallpox. The Board takes this position for three reasons:

First, Quarantine is an uncertain protection. Vaccination is a certain protection. Quarantine works positive harm in many cases by giving people a false sense of security against the disease, thereby keeping them in the certain protection which vaccination would give them.

Second, Quarantine is a very expensive protection. The cost of the quarantine of smallpox in the State in the past year has approximated \$100,000 annually, or enough to have three miles of the State waterway.

Third, Quarantine is objectionable to the public. It is an old-fashioned and unpopular method of protecting the community.

## FIRST WEEK TO A CLOSE

Few Cases Tried and Sentences Passed On A Number of Prisoners tried and Convicted Earlier in the Week.

The first week of a two week session of Federal Court in this city came to a close yesterday. The following cases were disposed of during the day: U. S. vs. T. M. Thompson and Oscar Pate, charged with retailing. Both found guilty and sentenced to a term of 1 year and 1 day in prison and to pay a fine of \$100 and the costs of each. U. S. vs. James Morrissey, charged with retailing. Defendant plead guilty but owing to the fact that he was in the last stages of tuberculosis he was discharged.

U. S. vs. Hughey Muse, charged with retailing. Case continued. In the following cases the defendants had been tried previously during the week. All of them were charged with retailing without government license.

Chas. Parish, sentenced to serve 1 year and one day in prison and to pay a fine of \$100 and the costs of the case. Slover Bryan, sentenced to 30 days in prison and to pay a fine of \$100 and the costs of the case. Imprisonment sentence to be suspended upon payment of the fine and costs.

James White, sentenced to serve 1 year and 1 day in prison and to pay a fine of \$100 and the costs of the case. John Marshall, sentenced to serve 1 year and 1 day in prison and to pay a fine of \$100 and the costs of the case.

William Jones, sentenced to 90 days in prison and to pay a fine of \$100 and the costs of the case. The imprisonment sentence to be suspended upon the payment of the fine and costs.

G. S. Henderson, prayer for judgment was continued. Leslie Hawkins, sentenced to serve 1 year and 1 day in prison and to pay a fine of \$100 and the costs of the case.

Pettaway Pickett, sentenced to serve 30 days in jail and to pay a fine of \$100 and the costs of the case. Jesse McDaniel, sentenced to serve 30 days in jail and to pay a fine of \$11 and the costs of the case.

Some Fishing This, at Morehead.

A phone message received at the Journal office, late yesterday afternoon from Mr. W. J. Moore, proprietor of the Hotel Charles, at Morehead City, told of a record catch of fish made in the waters near there. A party made up of citizens and sojourners of the hotel went out after breakfast, and with hooks and lines caught 3,000 trout and other fine fish, returning in time for late dinner. There were several North Carolina gentlemen in the party and they were intensely delighted with the fine sport. Fishing is said to be finer down there this season than it has been in many years. In fact, Florida has nothing on Morehead City in the way of sporty fishing.

### The Shop That's Different.

Lawn Mowers "Philadelphia," synonym of quality. Price from \$3.75 to \$20.00. Basnight Hdw. Co., 67 S. Front St.

### The Glow of The Rabies.

Today we present our readers with the first installment of that remarkable story written by Francis Percy Elliott entitled "The Glow of the Rabies." We are frank to confess that its only object is to make you laugh. The story is so impossible as any Arabian Nights tale, and by the same token so sensational and exciting. There are many strange and remarkable happenings in the story, and you will find a number of them very interesting. The story is so impossible as any Arabian Nights tale, and by the same token so sensational and exciting. **NOW IS THE TIME**

When Women Who Appreciate The Importance of Being Well Dressed Are Thinking of New Clothes For Spring and Summer.

It's just the time when you should see the new styles and learn where the best values can be had. Appearance counts in the battle of life. It's important that you dress well. It's equally important that you get the best values possible to secure for the money you invest in clothes.

Dressing well means neither more nor less than dressing simply, suitably and sensibly, the accomplishment of which is exceedingly easy when you have the right fabrics to select from and the right kind of a dealer to help you make your choice and see that you get properly waited on.

We are showing everything a woman wears from Hat to Shoes. Assortments large enough. Qualities good enough and Prices low enough to please all who appreciate the value of good goods.
