Fact was, by Jove, I was so jolly glad for that chance, and for being trusted again by Billings, even in this half-hearted way, that I just ground my pride under my heel-why, dash it, I would have ground anything under my heel for her! I was as happy as a bird, and life was again one grand, sweet what's-its-name.

And, dash it, he insisted upon closing the door. 'You mustn't let them bother you while you are here," he urged pleasantly; "you must just go ahead and do the thing you want to do." By Jove, there seemed little oppor
