Shoppers in the city are especially urged to make use of the rest room.

Dogs and Monkeys Fight.

The paraphernalia of some side show passed through the city yesterday and while at the depot attracted much attention. Among the other effects was a cage of monkeys and trained dogs. These animals became unruly and caused quite a commotion around the spot at which they were located. MAGNOLIA FARM
CHANGES HANDS

J. W. Stewart Sells it to Florida Man. Price Obtained Not Made Public.

Mr. J. W. Stewart yesterday sold to Mr. John Shaw, of Florida, a tract of land near Croatan, known as the Magnolia plantation and containing 1,350 acres of cultivated land. This is one of the most valuable farms in this section and although the consideration was not made public, the price paid was doubtless several thousand dollars.

In addition to this tract another of about 100 acres and located near this city, was also purchased by Mr. Shaw from Mr. Stewart.

Mr. Shaw came to Eastern North Carolina several months ago from Florida, where he owned a large plantation and so well impressed was he with conditions here that he decided that he would come here to live. Upon his return to that State he made plans accordingly. He and his wife are now in the city and will leave today to look over their new acquisitions and get things in readiness at an early date. Mr. Shaw is confident of his ability to handle to advantage the farms that he has bought.

FIRST PRIZE TO
BUTTON COMPANY

Makes Best Time In Horse
Hose Wagon Races at
Fayetteville.

Special to The Journal.

Fayetteville, July 24.—The Button Hose Company of New Bern won the first prize in the horse hose wagon races at the State Firemen's Tournament this afternoon, time 33 2/3 seconds. The Fourth Ward Company of New Bern tied Rescue and Capital Companies of Raleigh and the Goldsboro company for second place, its time being 34 seconds. This race will be run again today by those companies.

The first event on the program today was a floral parade. Many vehicles and floats were entered in this and it was said to be the most gorgeous spectacle ever seen on the streets of the city. A business meeting of the firemen was next held and Wilmington was chosen as the place at which the next tournament will be held. Morehead City Salisbury and Greensboro wanted the tournament but the majority vote was against them.

At 4 o'clock this afternoon the horse hose wagon races were held. The track was in excellent condition and several thousand people were in the grandstands and along the course.

Sam Coward, jumper for the Atlantic Hose Team from New Bern stumbled and fell at the hydrant and no connections were made. Tomorrow three hose teams from South Carolina will enter the Interstate races.

The Atlantic Hose Company's bad luck did not cease with the accident on the race course but continued while they were returning with their horse and wagon to the stables. The horse became frightened and shied. In some way the wagon was thrown against the curbing and one of the wheels was torn off.

Tonight the visiting firemen are being tendered a banquet at the Commercial Club.

The following time was made by the hose teams in the races today:

New Bern, Buttons, 33 2/3; New Bern, Atlantic, Coward stumbled and fell at hydrant. No connections; New Bern, Riverside, 34 4/5; New Bern, Fourth Ward, 34; Goldsboro, 35; Concord, 40 1/5; Statesville, 36; Morehead City, 35 4/5; Sanford, 37; High Point, 39; Burlington, 43; Kinston, 34; Raleigh, Capital, 34.
