Interior of Building Shows Unusual Neatness and Cleanliness.

### CLOCK A CONVENIENCE.

Business in Custom House Handled With Promptness and Dispatch.

Mention was made a few days ago of the improvement in the lights in the government building and something further along that line may not be amiss at this time, judging from the complimentary remarks made on the streets.

The custodian is to be complimented on the general appearance of the grass plot around the building, as noticed from the Journal office, and favorably commented upon by passersby, and also upon the way in which the streets at the junction of Pollock and Craven streets are kept sprinkled.

The entire tone of the interior of the building is one of neatness and cleanliness, as well, in startling contrast to the condition of public buildings in other towns that might be mentioned.

The lights in the clock are burning all through the night and the clock is a great convenience to the public. People now have learned to depend upon this clock, as it is keeping the beat of time and invariably strikes on the second.

Comments are often heard among those who have business with the custom officials as to the neatness and dispatch with which the business of the office is handled and the courtesy shown by the custom officers. Some of the out of town captains who have business with many other custom officers state that the way in which business is handled in the New Bern custom office is second to none along the entire Atlantic seaboard.

## FARMERS' UNION TO MEET TODAY

Secretary Crosby Will Be Present and Make Address to Members.

### MEET AT HIGH NOON

Besides Hearing Crosby Union Will Plan For Great County Picnic.

At noon today the members of the Craven County Farmers' Union will meet at the court house. Professor W. C. Crosby, secretary of the educational committee of the State Farmers' Union, will make an address. It will pay any farmer, or any citizen interested in the advancement of agriculture and what intelligent man is not to go and hear Prof. Crosby. He is a man thoroughly conversant with the State warehouse system, and will explain the beauties of the plan in detail.

The hour for this meeting was originally set at 2 o'clock, but in order to give Prof. Crosby more time, the opening was set for noon. After the speaking, the Union will go into executive session.

President D. P. Whitford expects every local union to have its full membership present, as he wishes to perfect arrangements for a great county picnic and also to discuss matters of business which vitally concern every farmer in the county, whether affiliated with the Farmers' Union or not. Mr. Whitford is looking forward with a great deal of pleasurable anticipation to seeing the court house filled to overflowing with thoughtful farmers by noon today.

## WASHINGTON HAS A COSTLY FIRE

Norfolk Southern train No. 2, which left New Bern at 9:25 yesterday morning was delayed two and a half hours at Washington, by being pocketed by a fire. The conflagration started at the plant of the Pamlico Coopers Company, across the river, just as the train pulled into the station. The location of the fire, at the old plant of the Washington Lumber Company, made it a difficult one to fight. Washington has no fire alarm system, and by the time the steam got to the end of the bridge two dr. kins were in flames and it was impossible to save them. Two streams were set on the rest of the plant, and it was saved by hard work. The loss from the destruction of the dry kilns will reach \$20,000, reports a man who saw the fire. The Norfolk-bound passenger train was unable to pass the flames till 3 o'clock.

## ELMWOOD CAMP GROWS RAPIDLY

Elmwood Camp, Woodmen of the World, held their regular meeting Wednesday evening. Applications for membership to the number of 25 were presented. Mr. W. L. Bell, deputy organizer, has been in the city for some days working up a class and so far has exceeded his fondest expectations. The work will continue so soon as Mr. Bell returns from Morehead City, where he has been called to the bedside of a brother who was thought to be in a dying condition.

Mr. J. E. Smith is com. commander of the Camp, Mr. F. M. Bowden, clerk and W. E. Pugh, banker.

All the members are working to increase the membership, which has risen from 21 to 150 within a comparatively short time. Efforts are being made to bring the membership up to 200, and indications are that that figure will soon be reached.

The Woodmen intend to have more funds with which to carry on their good work. The order does a great deal of charitable work. It is very strong financially, as is shown by the fact that the Woodmen of the World own \$1,315, 218 66 worth of bonds within the state, including \$76,768 00 of New Bern street improvement and refunding bonds.

## T. R. ONLY WANTS TO DEFEAT TAFT

Four Years Hence He Expects Progressive Party To Sweep The Country.

### OBJECTS TO CAMPAIGN

Two In Number Eliminate Taft And Lay Foundation For Victory In 1916.

Chicago, Aug. 9.—Four years from now the Roosevelt party expects to sweep the country. Four months from now that party, now finally organized and ticketed, expects merely to consummate the defeat of Taft and with it the death of the Republican party.

In their hearts the Roosevelt leaders know that they can do no more than that in this campaign. They know that they will be unable to elect Roosevelt and Johnson in a three cornered fight. They do know that they can defeat Taft and can thereby vindicate the claim they made in the pre-convention campaign that Taft could not hope to win if nominated.

The coming campaign of the Progressive party, therefore, has two definite and fixed objects. The first is to insure the elimination of Taft and the destruction of the old party organization. The second is to lay the foundation for the campaign four years from now, a foundation upon which they believe success may be expected.

This was the real man-to-man opinion that prevailed in the meeting of the National Committee. That committee remained here to discuss seriously and practically the plan of campaign. Its members were far removed from the captivating eloquence of orators, from the inspiring spectacle of applauding thousands and from infectious contact with overconfident delegates.

## RULE OUT THE BULL MOOSERS

Local Republicans are much interested in the action of the State Executive Committee at Greensboro Wednesday in passing the following resolution:

"That in view of existing political conditions, the committee deems it proper to announce to the Republicans of the State that in holding their county and township conventions none but those who endorse the rational Republican candidate for President and the Republican platform adopted at the Republican convention held at Chicago, June 18, are in any capacity entitled to participate in or represent the party, and that in organizing all township, county, Senatorial, Congressional and State conventions none but Republicans supporting the national ticket and the platform of our party nominated and adopted at the convention held in Chicago, June 18, be allowed to participate in the election of delegates or committeemen or in nominating candidates, in any way participating in said convention."

This rules out of all conventions Republicans who do not pledge themselves to support Taft for the Presidency.

## HAWKINS-AVERY.

Correspondence of the Journal.

Cove City, Aug. 7.—The Methodist church of this place was the scene of a pretty wedding this evening when Miss Lottie Bell Avery became the bride of Mr. Hermon Hawkins. The church was beautifully decorated for the occasion in green and white, quantities of flowers and ferns being placed about the altar with exquisite taste. Mrs. H. B. Hines presided at the organ and to the strains of Mendelsohn's wedding march the bridal party entered the church. The ushers were Mr. W. D. Heath and Mr. S. D. Jones. The maid of honor was Miss Annie Avery, sister of the bride carrying an armful of roses. Mr. Ruben White was best man. The pastor, Rev. M. W. Dargan, spoke the beautiful words which bind the hearts of the young couple forever.

The bride is a woman of charming personality and has many friends who wish for her much happiness. The groom is a young man of high character and is busy receiving the congratulations of his many friends upon winning such a fair and lovely young bride.

The out of town guests included Miss Lizzie Kilpatrick of Kingston, Mr. and Mrs. J. A. Ipeck, Miss Stella Ipeck, of A berry, Mr. W. W. Porter and Sam El, of Perfection, Mr. and Mrs. E. H. Heath of Wintergreen.
