BOOTING AND BOOSTING. Old fashioned Democrats, said Govmor Marshall in his speech of acceptance, believe that it is no part of goyerament to boost one man and boot another. This was very aptly put. And there is a considerable element of population which believes that it been getting the boot rather than

WORDS AND DEEDS.

The House of Representatives on Tuesday adopted the conference report on the naval appropriation bill, providing for one battleship instead of two as asked for by the Navy Department . Secretary of the Navy Meyer says that the action taken means an appropriation for three battleships at ext session of Congress if the efficiency of the fleet and the present policy of two battleships a year, accepted achout the country, is to be main-

The United States has taken the initintive in a movement for world-wide pence. If it wants to seem consistent and practical in its efforts to rid the world of some of the horrors of war, it will build former the horrors of war, it build fewer battleships. Otherwise its actions will speak much more dly for war than its words do for

Patronize home industries. If you ten dollars for the Wilson camng fund, let the Journal send it long for you. Don't send it to of the nt-of -town papers.

The Notification of the Indiana Ex ecutive For Democratic Vice Presi-dency Honors a Record Breaker.

<text><text> ly wanting to shake his hand in con-gratulation on his acceptance as can-didate for vice president on the Demo-oracle ticket, a smilling woman step-

and a clever one. She also has a remarkable memory. Governor Marshall has earned the

Governor Marshall has carned the reputation of being in a class of story tellers all by himself. He can remem-ber stories, but he forgets names. A name is something to be cast saide with Governor Marshall, and this is one of the regrets of his life, if he has any regrets. The governor is not a worthing man. He is somewhat a fahands with the enthusiastic friends until he had carried out the orders of Indiana has bonored four of her son as vice presidential candidates on the Democratic ticket, but the crowds that

worrying man. He is somewhat a fa-talist, but if he could be would like to remember names; but, not having that ability, he does not worry, for Mrs. Marshall is the name rememberer of the family. She has a peculiar ability along this tine. Not only does she remember the last name, but any combination of names comes as second nature to her, and she carries this ability on down to

the children and cousins of any one seeking the governor. While the governor is shaking hands and trying to remember whether his caller is Jones or Smith, Mrs. Maraball

is busy supplying the information and asking about all the relatives. Ideal Partners. Governor Marshall has no brothers

or sisters, and his papents being dead leaves him somewhat barren of relatives. Governor Marshall's friends are en husiastic over his home life. When he has started on talking of his wife a new light in the Roosier executive greeted Governor Marshall in the big

cames to the surface. They come near being ideal married partners. "I was talking to Tom one day,"

The west wanted to show the east explained one of his most intimate what could be done in notification friends. "We were leaning back, and honors, and, while Mrs. Marshall was Tom had been telling some of his good stories to illustrate various topics of happy, of course, over the honors for her husband, she was also worried, our conversation. We were waiting for her husband comes mighty close to being father, husband, son and partfor Mrs. Marshall to come back from a shopping tour, and I happened to rener all in one. And when a woman mark that I liked Mrs. Marshall bethas that combination on her hands to

ter every time I met her. 'Well, now that's the way she strikes me, Jim,' he said, 'We have been married some sixteen years, and as time goes that is a long or short period, just as you think. To me it is but a fleeting day. Then I think back over my married life and find I have

engines.

grown to know Mrs. Marshall batter

on he wanted to "It won't be any harder than being overnor of Indians, and if the party its you are the man it only agrees a my opinion." she said, and that led the matter with Governor Mar-

airs, Marshall had the henor of ing the first woman in Indiana to h is office. She was appointed cour lark of Sizuben county by her fath ad held that office for a number

When Governor Marshall and his When Governor Marshall and his wife wore about to be married and de-cided that her last official act of the office would be to make out the mar-riage license. Governor Marshall ac-companied his wife to the county clerk's office and watched her with care as the noted the records in the hig book and filled out the license and watched her as the curefully signed hor father's name, with her own as

Mrs. Marshall, having blotted the ak, said, "Now we can go." "Not yet," laughed Governor Mar-

shall. "Why, we are all fixed," explained

Mrs. Marshall, pointing to the license. "Yes, but I have to pay for ft," re-plied the governor. "It's all right for you to make it out, but it's up to ms to pay the fee." And he did Mrs. Marshall is a keen student, and, having established the practice of going with her husband on all his

ring, be they short or long, they make it a point to carry along some book. Mrs. Marshall is as much of a humanifarian as the governor. A glance at some of the bills that have been passed by the 1911 Indiana legislatury gives an insight into the governor: The Evidence is Supplied by Local To curtail child labor.

To regulate sale of cold storage pro ducts

To require hygienic schoolhouse and medical examination of children. To prevent blindness at birth. To regulate sale of cocaine and oth

er drugs. To provide free treatment for hydrophobia.

To establish public playgrounds. To improve pure food laws.

To protect against loan sharks. To provide police court matrons. To prevent traffic in white slaves.

To permit night schools. To require medical supplies as part

of a train equipment. Governor Marshall has also played an active part in providing for protec tion of labor, as is exampled by the

following acts: To create's bureau of inspection for workshops, factories, mines and lers.

To establish free employment agen-

To require full train crews. To require safety devices on switch engines. To require efficient headlights on

To require standard esboos To provide weekly wage, etc.

And Governor Marshall has consulfed with his "partner" on all these bills. He is quoted as saying a man

MORTGAGE SALE.

take no other.

The recent fatal railroad wrecks where n many persons were killed and others njured; the numercous, recent automoile casualties throughout the court y n which many have been killed, (In 103 recent automobile accidents 69 p. -ple were killed and 225 injurad;) the rowded condition of our streets and the sear inauguration of the street car line, to say nothing of everyday begurda lurking everywhere, are suggestive of accident insurance. We've got it in every desirable form at small co-t. The Maryland Casualty Co is the mly Company that main ains a claim depuriment in North Caro ins, 12,5 claims promptly and gives double indemnity for accidents on public curriers, It pays to get the best.
