**TAFT LEADERS IN FIST FIGHT**

**NO DAMAGE IS DONE**  
Republican County Convention Yesterday Was Slimly Attended.

The Republicans held a very slimly attended county convention in the court house here yesterday, but what it lacked in numbers it made up in exciting events. Of the latter the most sensational was a personal encounter between Postmaster Basnight and Mr. Robert Hancock, Mr. Basnight made several passes at Mr. Hancock but failed to land, Mr. Hancock sought to use a chair on his adversary but was prevented by Mr. D. W. Basnight and others who interfered.

It was strictly a Taft convention, all the delegates being canvassed as to whether or not they were going to support Taft. Apparently the Roosevelt people didn't want to get in the convention as none of them showed up.

When it came to the question of selecting delegates to the State convention, Mr. Hancock furnished some additional diversion by insisting that nobody be appointed as a delegate unless he would pledge himself to attend the convention. As soon as a person was named, Mr. Hancock would turn to him and ask, "Will you go to the convention?" If there was a negative reply or one that indicated doubt, Mr. Hancock would insist on somebody else being named. A lot of time was consumed in this way, but finally the list was made up as follows:

Delegates, John Biddle, D. W. Basnight, R. H. Rowe and J. A. Morton; alternates, J. F. Heath, Sam White, J. S. Basnight and McD. Laughinghouse.

Delegates to the Senatorial convention were named as follows: W. F. Gilbert, John Biddle, J. M. Harrison and N. T. Weeks; alternates, J. L. Toler, H. H. Ballance, Abner Fulcher and W. C. Toler.

Delegates to the Congressional convention, George Green, W. F. Gilbert, D. W. Basnight and John Biddle; alternates, J. M. Harrison, J. A. Toler, J. G. Hardison, and J. U. Smith.

Col. Hancock precipitated a long debate, conducted largely by himself, over the question as to whether there should be eight members of the executive committee or eleven. He argued at length for eleven and though interrupted several times was permitted by the chairman to speak until he was ready to sit down. In this fight the convention voted against him. Members of the committee as selected are: D. W. Basnight, John Biddle, H. A. Morton, W. F. Gilbert, Robert H. Rowe, C. B. Hill and N. T. Weeks. Mr. George Green, who was elected by the convention as chairman of the executive committee, makes the eighth member.

Towards the shank of the convention Deputy Collector J. G. Hardison offered a resolution endorsing the Republican party in general and John M. Morehead in particular. This brought Mr. Hancock to his feet about the twentieth time. The delegates saw they were in for it again and Mr. D. W. Basnight moved to limit debate to ten minutes. Chairman Green held this motion out of order. Mr. Hancock, announcing his intention to speak till 9 at night, came out of his coat. Everybody began to look sick. Mr. Hancock then removed his collar and tie, and the faces of the delegates blanched perceptibly. Deputy Collector Hardison stepped to the rescue and the delegates breathed a sigh of relief as he consented for the clause in the resolutions referring to Chairman Morehead to be left out. With this amendment, Mr. Hancock voted heartily with the others for the resolutions.

The temporary organization was George Green, Chairman and D. W. Basnight Secretary. Mr. Green was made permanent chairman. Messrs. W. F. Gilbert and D. W. Basnight were both placed in nomination as permanent secretary. Mr. Basnight withdrew in Mr. Gilbert's favor and he was unanimously elected.

**ATLANTICS WIN LABOR DAY RACE**  
Got First Money In Yesterday's Firemen's Contests.

**MANY ARE PRESENT**  
Several Thousand People Gathered to See The Races.

The main feature of the Labor Day observance in New Bern yesterday was the firemen's tournament held in the afternoon on East Front street. At 2:30 o'clock the appointed hour, several thousand people gathered to see the races, but the firemen were about an hour late in starting. Then the local companies and two companies from Kinston appeared on the scene.

The races were governed by the rules of the State Firemen's Association. Each race appeared to be very interesting to the large crowd present. An excursion train of nine coaches came in from Wilmington, while hundreds attended from Kinston and other points on the Norfolk Southern railroad. Over 1200 tickets were sold entitling bearers to admittance inside the lines.

No records were broken and no very remarkable time made, still the tournament appeared to be a success. The reason given for not making a better showing was that the water pressure was but fifty pounds. The Atlantics of New Bern won first prize money. The time of the different runs follow:

Atlantics, 33 4-5.  
Caswell (Kinston) 41 3-5.  
New Bern No. 1, 35 2-5.  
Riverside, 35 2-5.  
Kinston No. 2, 36 flat.  
New Bern No. 1 and Riverside made a tie. In running off the tie, Riverside made 38, and New Bern No. 1 "blew off at the hydrant."

Kinston team, Caswell team No. 1, had as chief actors: Chief Fraank Hill, P. O. Baker, who made jump at the hydrant; Floyd Wooten, who broke the coupling and F. T. Harper driver of the wagon. In Kinston company No. 2, Elliot Jones jumped for the hydrant, while Wooten made the coupling. Dennis Lee was driver.

After the races New Bern Fire Company No. 1 served refreshments.

**SENATOR SIMMONS IS HERE FOR A WEEK**

Senator F. M. Simmons arrived in the city early Sunday morning from Raleigh, where he stopped for a brief look-in at the headquarters of his campaign for the nomination to succeed himself in the Senate and to confer with a government road engineer with reference to the inauguration of post road construction in this State under a bill which passed Congress largely through his efforts. He will be in the city for a week and will probably go out to his farm in Jones for a few days before entering actively into the political campaign.

**MOORES FOREGATHER AT HOTEL CHARLES**

There was a great reunion of the Moore family at Hotel Charles, Morehead City, last week. Seventeen members of the family, from Georgia, New Mexico, Charlotte and Wilmington, spent the week at the famous resort, fishing day and night. Boxes of fish were sent by them to Barium Springs Presbyterian Orphanage and the Odd Fellows Orphanage in Charlotte. There was a large catch of fish and many pounds of the funny tribe were caught by the party while there, most of them large trout, many weighing 5 and 6 pounds each. A cove, weighing 21 pounds, was landed with a reel. The box of fish sent to Goldboro was the prettiest Mr. Moore said he had ever seen. It contained flounders, trout, pig fish and perch. Yes, fishing is good at Morehead City now. The Hotel Charles is open the year round. Comparatively few North Carolinians enjoy the rare sport to be had in September at Morehead, while many from other states are taking it all in.

**DEER HUNTERS MEET WITH SPLENDID LUCK**

A hunting party, composed of Messrs. Dick Lane, Capt. Charles Hancock, Charles Ellison, Charles Daniels and W. E. Street, left New Bern Sunday for Blad's camp, near Riverdale. Yesterday morning the deer hunt began. Before noon Mr. Street had killed three deer—a three-ang buck and two does. They were taken to Riverdale and shipped home yesterday. It seems that Mr. Street got all the deer, but Mr. Ellison led at the camp, that was a preliminary to the deer hunt. When the deer came along, Mr. Ellison got "buck fever" and put nineteen shots in a tree and one in the buck. He is not discouraged, however, and is going to get a deer yet. The whole party report a fine time.

**LEON JOHNSON OF DOVER IS SLAIN**  
Test Hill, Colored, Coroner's Jury Holds, Is Guilty.

**HAD AN ACCOMPLICE**  
Accessory Also Colored. Both of Them Safe In Craven Jail

Mr. Leon Johnson, a white man of Dover, was murdered early Sunday morning, on a street of that town, by two negro men. He was walking home alone about 12:30 and there appear to have been no witnesses to the killing. The victim's throat was cut, the jugular vein being severed.

Shortly after the discovery of the body, two negroes, Charlie Moore and Test Hill, were found hiding under a church. They were arrested, charged with murder, and brought to New Bern Sunday afternoon and lodged in jail.

Dr. R. DuVal Jones, the coroner, went to Dover yesterday morning and held an inquest. A coroner's jury was empaneled and several witnesses examined. The negro Test Hill was held for the murder, with his companion, Charlie Moore, as an accessory. They now await the action of the grand jury, without bail, in New Bern jail.

Hill claims that Johnson first assaulted him, stabbing him in the neck and hip. Moore was also cut in the shoulder. To offset this, a closed knife was found in the pocket of the dead man. The coroner's jury simply found that Johnson died as a result of hemorrhage from wounds inflicted by Hill.

Johnson after being stabbed, ran to the house of his employer, Mr. C. H. Haddock, and tried to get in. The screen door was hooked and the wounded man, falling to get inside the house, fell across a settee beside the door and in a few minutes expired.

**AUTO IS WRECKED BY WILD BOX CARS**

Dr. R. S. Primrose's automobile was badly wrecked yesterday afternoon at the Pine Lumber Company crossing on Griffith street when a car ran into it and jammed it up against a brick building close to the track.

Yard Conductor Leon Scott, on noting Dr. Primrose's approach, signalled the engine that was drawing the car along with two others and the engineer stopped his engine in time for the cars to have stopped before reaching the automobile, but two of the cars boke loose and ran on into the automobile.

At this point they are two tracks forming a Y. On the track furthest from the automobile Dr. Primrose noticed that box cars were being shifted. Stopping his machine so as not to run into those cars, he found that he was on the other track of the Y. Then he saw cars approaching on this track also. It was then that he and his companion, Mr. S. R. Street, decided that it was time to get out of the automobile.

After jumping out, Dr. Primrose and one or two others tried to save the automobile, but they were unable to get it out of the way of the approaching box cars.

The hood of the machine was demolished and two of the wheels crushed.

**COUNTY TAKES OVER TOWNSHIP MACHINERY**

The monthly meeting of the county commissioners took place yesterday. Aside from the regular routine of business, the most important thing done was the taking over of the road machinery of No. 3 Township and arranging to have it used all over the county. Instead of in this one township, Convicts will also be used in the whole county. The Commissioners will purchase all the roads that have been properly surveyed, drained and graded in the township, many in the vicinity of New Bern. All the townships now pay a road tax of 15 cents. The money received from the sale of the road machinery in the Eighth Township will be spent for all.

**GREEK MILITARY TRAINING**
