## GRADED SCHOOL OPENS UP TODAY

Vacation Days are Over and Now Back to Lessons Again.

### OUTLOOK GRATIFYING

Indications are That the Enrollment Will be Larger Than Last Year.

Vacation days are over. Yesterday the final details for the opening of the New Bern graded school were completed and this morning at 9 o'clock the regular routine of class work for the term of 1912-1913 will begin.

Superintendent Craven stated yesterday that the prospects for one of the most successful terms in the history of the school were very encouraging and that with the co-operation of the parents of the pupils this could be realized. There are a few children who will not be able to enter at the opening of the term on account of sickness but regardless of this the enrollment will be fully as large or larger than at the opening of the last term. Every pupil is urged to be on hand at the opening hour.

A teachers meeting was held yesterday morning to organize for the term. Last night in Griffin Auditorium the music faculty gave a recital, which was a complete success. The auditorium was filled and from the frequent applause there is not the least doubt but that they thoroughly enjoyed every number on the program. Those who participated in the recital showed that they were masters of the art, and by their excellent work won much praise.

## IS CONFIDENT OF BEING NOMINATED

Senator Simmons Has no Fears as to Outcome of Primary.

### IN CITY YESTERDAY.

Left For Wilmington and Will Make Address There Tonight.

Senator F. M. Simmons spent Sunday and the greater part of yesterday in the city, leaving yesterday afternoon for Wilmington by way of Goldsboro. He speaks in Wilmington tonight and the Star says friends in the city by the sea are planning a royal welcome for him. He arrived here Saturday night.

While in the city Senator Simmons expressed to numerous friends his confidence in the outcome of the Senatorial primary. He believes that he will certainly be nominated and that if his friends keep up the fight as they are doing now, his majority will be a very large one.

His presence in the city yesterday had the effect of stimulating his friends here to renewed activity. From now until the date of the primary, which is on the general election day in November, they will be successively active in his behalf. A meeting of a few of his especially close friends was held yesterday at which plans were mapped out for what promises to be some very effective work in his behalf.

Thursday night at the court house there will be a big meeting of the Craven County Simmons Club at which several speeches will be made and steps taken to still further advance the interests of Mr. Simmons in the lively campaign that he is making for a renomination. The activity of his friends in this, his home town, is very gratifying to Senator Simmons and he has expressed his appreciation of the loyal support given him here on more than one occasion.

## TWO WEEK COURT TERM IS BEGUN

State vs. Draney, the First Case of Importance to be Taken up.

### STUBBORNLY FOUGHT.

Continued Until This Morning. Several Cases Disposed of.

Craven County Superior Court convened in this city yesterday morning for a two week's term, the first week to be taken up on the disposal of the criminal cases on the docket and the second to be devoted to the hearing of the civil cases. Judge W. B. Cline of Hickory, is presiding.

At the opening of the day's session the following grand jury was drawn: Messrs G. A. Whitford, foreman; D. M. Willis, T. G. Ives, W. D. Lancaster, J. R. Avery, W. H. Lilly, George C. Jones, P. T. Nobles, N. C. Brooks, J. K. Rodgers, F. F. Armstrong, W. A. Rowe, G. A. Everington, J. B. Hooker, W. S. Forrest, A. L. Toler, E. K. Bishop and J. H. Avery. In his charge to the grand jury Judge Cline fully covered every phase of the criminal law; describing in a simple and effective manner the many crimes and the penalties attached. He urged that they deal fairly with every case brought before them; using no partiality and treating the rich the same way in which they did the poor. His charge consumed little more than an hour but during the whole time strict attention was paid to his remarks not only by the jurymen but by all the spectators.

Among the first cases taken up was that of the State vs. P. M. Draney. In this case the defendant is charged with receiving stolen goods knowing at the time that they were stolen property. Mr. Draney is a dealer in junk and several months ago he purchased a quantity of brass which had been stolen, it is claimed, from the railway companies. He was ably represented by Messrs Guion & Guion and W. D. McIver while Messrs L. I. Moore and Wm. Dunn assisted Solicitor Abernathy. The case was stubbornly fought and at the close of the day's session was continued until this morning.

The following cases were disposed of during the day:

State vs. Woodley Koonce Defendant charged with false pretense. Waived bill of indictment and judgment was suspended upon the payment of the costs of the case.

State vs. George Bailey. Defendant charged with carrying concealed weapon. Waived bill of indictment and was fined \$25 and costs of the case.

State vs. John Monk. Defendant charged with carrying concealed weapons. Waived bill of indictment and was fined \$25 and taxed with the costs of the case.

State vs. Ben Wartes. Defendant charged with carrying concealed weapons. Waived bill of indictment and was fined \$25 and taxed with the costs of the case.

## NEGRO KILLED BY PURSUING OFFICER.

Chief of Police Moore of Ayden on Sunday shot and killed Henry Chatman, a negro who was fleeing from the officer. Chatman was wanted for forgery. The officer had a warrant for his arrest but instead of permitting himself to be arrested, Chatman took to his heels. Chief Moore called on him to halt, but the negro ran all the faster. Then the policeman commenced firing on the fleeing negro. The third shot took effect in Chatman's back and resulted fatally. A jury of inquest investigated the matter and reached a verdict that Chatman came to his death as a result of wounds inflicted by Chief Moore while in the discharge of his official duties.
