### COURT MAKING RAPID PROGRESS

**Criminal Docket Likely To Be Cleared During the Week.**

### DRANEY ACQUITTED

**J. S. Johnson, Dope Fiend Is Given Chance to Leave the State.**

There is no delay in the progress of Superior Court which is in session here this week for the trial of criminal cases. Judge Cline, who is sitting on the bench during this session, stated to the attorneys at the opening of the term that he wanted to clear the docket this week and judging from the prompt manner in which the cases were disposed of yesterday, this will be accomplished.

The first case was that of the State vs. P. M. Draney in which the defendant was charged with receiving stolen goods and which had been continued from the previous day. The arguments in this were concluded within a short while and the case placed in the hands of the jury. After being out only a short while they returned with a verdict of not guilty.

The following other cases were disposed of during the day:

State vs. Robert Smith, charged with larceny of several boxes of cigars from Mr. M. L. Jacobs. Defendant plead guilty and was sentenced to a term of 12 months on the county roads.

State vs. Riley Jenkins, charged with carrying concealed weapons. Defendant plead guilty and was sentenced to a term of 12 months on the county roads.

State vs. Lila Pigott, charged with larceny. Defendant plead guilty. No sentence passed.

State vs. Ben Walker, charged with carrying concealed weapons. Defendant plead guilty and was fined \$25 and taxed with the costs of the case.

State vs. James Walker, charged with retailing spirituous liquors. Defendant plead guilty. No sentence passed.

State vs. Alec Franks, charged with retailing. Guilty. No sentence.

J. S. Johnson, charged with attempting to enter the dwelling of Mrs. Mary Cahoon at 14 1/2 street several weeks ago, was next brought in and placed on trial. Johnson is said to be an inveterate cocaine fiend and his conduct in the county jail since the night of his arrest has indicated as much. Through his attorney the defendant plead guilty to a charge of forcible trespass and was sentenced to serve 15 months on the county roads. Upon the recommendation of the Solicitor the sentence will not go into effect until expiration of 15 days and in the meantime Johnson will have an opportunity of leaving the State.

The case in which Mr. J. F. Edwards, of Vaneboro is charged with assaulting Mr. Ben R. Warren at that place on the night of August 3rd, last, is set for tomorrow afternoon. There are a large number of witnesses in this case and much interest is being manifested in the probable outcome.

### NEGRO FALLS INTO RIVER, IS DROWNED

Henry Wiggins, a colored stevedore, met his death at the Norfolk-Southern Railway Company's freight dock late yesterday afternoon when he fell from the deck of a boat into about fifteen feet of water and was drowned. Wiggins was assisting in loading the vessel with cotton. In some way the bale he had on his truck at the time became overbalanced and fell, carrying him with it to the water. Efforts were made to save him but proved futile. His body was recovered within a short while but life was extinct.

### MISS DAISY PENNINGTON DIES AFTER LONG ILLNESS

After a lingering illness Miss Daisy Pennington, daughter of Mr. and Mrs. C. E. Pennington, yesterday morning succumbed to an attack of typhoid fever. The deceased was 27 years of age, a young lady of the highest character and endowed with the sterling qualities which made her a faithful friend and a lovable daughter. Her absence will be felt most in her home where the greater part of her time was spent administering to the desires of her parents, but with her wide circle of friends she will long be remembered. The funeral service was conducted from the Christian Church yesterday afternoon by Rev. Rodgers and the body carried to Mount Olive from which place it will be taken today to the family burying ground for interment.

### MISS CLARKE, MR. BABBITT MARRIED

**Ceremony Solemnized Last Night at Christ Episcopal Church.**

### RECTOR OFFICIATES

**Wedding Beautiful In Its Simplicity. Attractive Decorations.**

Beautiful in its simplicity and charming in every detail was the wedding at Christ Episcopal Church last evening at 9 o'clock of Miss Elizabeth Howerton Clarke, daughter of Mrs. William Edwards Clarke, to Mr. George Harris Babbitt, of Providence, R. I. The church had been attractively decorated for the occasion and added to this the soft glow of many shaded lights made the scene one of long to be remembered loveliness.

As the bridal party entered and marched to the altar, the strains of the bridal chorus from Lohengrin pealed from the organ. First came the bride attired in a becoming gown of white satin trimmed with hand made lace. She was attended by her maid of honor, Miss Winifred Browne, of Great Island, W. Va. At the altar she was met by the groom and his best man, Mr. Paul Matterson, of Providence, R. I. The ceremony was performed by Rev. B. F. Huske, rector of the church.

Following the ceremony the bridal party repaired to the home of the bride's mother, Mrs. William Edward Clarke, on Change street where a reception was tendered them from 9:30 until 11 o'clock. Mr. and Mrs. Babbitt left on the midnight train for Norfolk from which place they will go to several northern cities and Canada before making their home after October the twentieth at "Tanella" Bristol, R. I.

The many handsome and useful gifts received by the couple attest the esteem in which they are held.

Among the out of town guests were: Mrs. S. Babbitt, Providence, R. I.; Mrs. George M. Babbitt, Providence, R. I.; Miss Winifred Browne, Great Island, W. Va.; Mrs. Lee, Lynchburg, Va.; Miss Rebecca Michie, Durham; Miss Mae Gordon Latham, Greensboro; Miss Tillie Pope, Mobile, Ala.; Mr. Paul Matterson, Providence, R. I.; Mr. Homer N. Sweet, Providence, R. I. and Miss Amy Klein, of Morehead City.

### FALLS FROM ROOF, BREAKS HIS ARM

While engaged yesterday afternoon in painting the roof of a residence being erected on Craven street by Mr. F. M. Scott, Leslie Taylor the nineteen-year-old son of Mr. A. B. Taylor who resides at No. 21 Hancock street slipped from the ladder on which he was standing and fell to the ground, a distance of about thirty feet. In falling he grasped the ladder and clung to this and in this manner probably saved himself from being fatally injured. He was picked up and carried to his home where an examination showed that his right arm was broken just above the wrist. Several persons witnessed the accident and according to their version the young man escaped death by only a narrow margin.

### OAKS MFG. COMPANY ADDING A FOUNDRY

The Oaks Manufacturing Company who manufacture a line of very popular farming implements, are enlarging their plant by the addition of a modern foundry. Since the company first began business they have depended upon outside foundries to furnish them with many of the castings used on their implements. However, their business has grown to such proportions that there was often a delay in securing a sufficient number of these castings and other parts on short notice and the company decided to put in their own iron working department. The machinery will be in operation within the next two weeks.

### THE "AVIS" MUCH ADMIRER

The yacht "Avis" owned by Mr. A. L. Baker, of Raleigh, arrived in port Monday. The boat was purchased from Senator Cochran's estate in Virginia by Mr. Baker and will make Oriental its home port. Lying at the Middle street dock the vessel attracted much attention yesterday. Its powerful 6-cylinder 100-horse power engine develops a speed of eighteen miles an hour and as the engineer stated, "when she's turned loose, she's going some." The furnishings are elaborate and the interior resembles some well appointed dwelling. Capt. R. S. Paris, of Oriental is in command.

### COMMITTEE STILL HAS DAIL REPORT

**Not Ready Yet To Make Any Recommendations Regarding It.**

### CAUSE OF THE DELAY

**Mr. Dail Sick and Unable To Meet With Water and Light Com.**

At the August meeting of the Board of Aldermen Mr. George Dail, who had been appointed to investigate and make a report on the number of water and light consumers in the city, came before the Board and returned his report. Mr. John C. Thomas, who has charge of the collections of this department also made a report in which he stated that the time he gave Mr. Dail a report he had inadvertently failed to give him the names of a number of consumers. The reports were referred to the Water and Light Committee for investigation and this committee ordered to report at the next meeting. At the September meeting the committee was not ready to make a final report. For some time past Mr. Dail has been unable on account of sickness to meet with the committee and when the report was called for at the meeting of the Board last night, Mr. T. F. McCarthy, chairman of the committee, explained the situation and the matter was deferred until Mr. Dail is able to meet with the committee and go over the two reports with them.

Mr. J. Leon Williams appeared before the Board and asked that the ordinance relative to the licensing of hacks and other public vehicles be suspended during the week of the Fair. This request was granted. This was done in order that everyone who owned a vehicle could assist in transporting visitors to the Fair grounds without being compelled to take out a license.

Mr. A. H. Bangert, who has been purchasing agent for the city during the past six months, offered his resignation. Upon motion of Alderman Baxter this resignation was accepted and Mr. Bangert tendered a vote of thanks for his excellent service. Mr. O. A. Kafer was appointed to fill the vacancy.

Plans and specifications for the erection of a concrete fire proof building for the water and light plant were submitted and adopted and the city clerk ordered to advertise for bids. This building is not to cost more than \$8,000.

Dr. Foley, the meat and milk inspector, appeared before the Board and stated that as a whole all the dairies and meat markets were in a very sanitary condition but there were one or two dairies and markets that would not comply with regulations. He was ordered to either make these comply with the ordinances or to close them up. An ordinance was also passed making it a misdemeanor to sell or offer for sale within the city limits any spoiled fruit. The penalty for this offense to be a fine of \$5.00.

Ordinances were also passed making it a misdemeanor for any consumer of light or water to extend the wires or pipes or add lights or faucets without the permission of the city. Violations of this ordinance will be punished by a fine of \$50.00 for each offense.

A recent analysis shows that the water in well No. 1 at the water works is not pure and Mr. T. F. McCarthy suggested that the well, which is now at a depth of about forty feet, be driven to a depth of 80 feet. Upon motion this matter was placed in the hands of the Water and Light Committee and they were given power to act.

The matter of purchasing street signs also came up before the Board. There were two bidders on this; one offering the signs at 30 cents each and the other at 37 cents each. After much consideration the matter was finally referred to the Street and Lamp Committee to be investigated and reported on at the next meeting.

### SENATOR SIMMONS ANSWERS CRITICS

Special to the Journal.  
Wilmington, Oct. 1.—Senator Simmons at the Academy of Music here tonight before an audience of twelve hundred enthusiastic admirers in a speech of two hours and forty minutes in length made the most complete answer to the criticisms of his record that he has made since he came back to the State several weeks ago to open speaking campaign for a re-nomination.

The speech was along the same line as that at Charlotte but was a more elaborate presentation of the reasons why the Senator thinks he should be returned to the Senate while at the same time none of the dramatic force and fire which characterized the Charlotte speech was missing.

4% INTEREST ON SAVINGS 4%

**\$8,000 Saved or \$2,600 Spent**

It is estimated that if a man spends \$1.00 every week for fifty years he will in that time spend \$2,600. If this same money, however, were saved and deposited in a bank at compound interest it would grow in that time to \$8,000.
