THIRTY-FIRST YEAR

STILL OPERATOR CARRIED A GUN

But He Made No Effort to Use It
As He Had no Chance
Against Revenuers.

SACK OF WHISKEY ON BACK

Richard Edwards in Jail at Kinston
Awaiting Hearing Before
U. S. Commissioner.

Date Thursday afternoon near Beaufort, Duplin county, Deputy Collector Cameron, assisted by Deputy Marshals Samuel Lilly, Fagan and Wood, located and destroyed a fifty gallon still, several barrels of beer, one barrel of whiskey and a barrel of molasses and captured a white man named Richard Edwards who was supposed to be operating the plant.

The revenue officers left Kinston early in the day in a large touring car and arrived in the locality shortly before noon. Believing that the still was located near a certain place they at once began a search and soon ran across it. The plant was in full operation, and Edwards, the man captured, was found with a sack containing several gallons of whiskey slung across his shoulder and going toward the town. Although the man was armed with an automatic shotgun he made no effort to resist, realizing that he stood no chance.

After cutting up the still and destroying all of the beer and whiskey except a small quantity reserved as evidence, the officers placed their prisoner in the automobile and returned to Kinston where he was placed in jail to await a preliminary hearing before United States Commissioner Foltin, which will be held today.

For more than twenty years the revenue officers have not raided that section and it is believed that illicit distilling has been flourishing there for some time.

In the last raid made in that section a revenue officer named Rhodes shot and killed one of the blockaders who had been captured and was endeavoring to make his escape.

LOCAL FOOTBALL TEAM BADLY BEATEN BY GOLDSBORO.

Yesterday afternoon the New Bern High School football team and the Goldsboro High School team played the first game of the season in this city in the presence of quite a large and very enthusiastic audience. The local boys have been hard at work for the past two or three weeks and the coach was in high hopes of winning the victory but yesterday morning two of their best men failed to put in their appearance and upon investigation it was found that they could not play on account of unavoidable circumstances. This left the team in a crippled condition and when they met on the gridiron they were defeated by a score of 25 to 0.

Both teams played well but the Goldsboro team outclassed the local boys in weight and also in having a full team which has been practicing for a month or more. The teams will meet again in the near future and the locals hope to make a much better showing.

BASKET PARTY GIVEN.

The basket party given at the school house at Bridgeton last night by the school children of that place, was a decided success in every way. Twenty-six dollars was realized from the sale of the cake and cream and this will be donated to the Disciple church at that place. Miss Mattie Barrington won the prize for being the most popular young lady at the party.

PROGRAM AT THE ATHENS TODAY.

We are featuring today "In the North Woods"—a Biograph production, showing when fate protects the unprotected. Like all Biograph pictures—it is good. "Master and Pupil"—This is a dramatic subject by the Edison Co. introducing Harry Furness the well-known artist and illustrator. Besides the story and the splendid acting the film gives an opportunity for Mr. Furness to do some of his remarkable drawings before the eyes of the spectator and a number of his splendid pen pictures of Dickens' famous characters are shown in this way.

"A Substitution"—One of Lubin's splitting comedies. "His New Cane"—is also a good comedy. The Billy Lacello close their engagement to night. This act certainly pleased the majority of our patrons. Matinee daily at 3:45. Show at night starts at 7:30 o'clock.

SECRETARY MOVES TO THE GROUNDS

Can Be Seen There By Persons
Who Want To Make Entries
For The Fair.

BOATS TO RUN EARLY MONDAY

Directors of Departments Will
Take Exhibits to Grounds
If Exhibitors Desire

Secretary J. Leon Williams will today open his office at the Fair grounds where he can be found by those who desire to make entries and who want to see him on other business. Regular boats will begin running to the Fair Grounds Monday morning.

Those who do not desire to take their exhibits to the Fair Grounds are requested to place them with the Directors of each department who will see that they are carried out to the Fair ground in bulk.

All entries for the Eastern Carolina Fair will be received at the Fair grounds until the opening Tuesday morning. By mistake the premium book states that all entries for the poultry department must be made not later than Saturday, October 26th. Entries for the poultry department can be made at the Secretary's office in New Bern and at the Fair Ground on Monday, October 28th.

Drivers of automobiles, motor cycles and all other vehicles are requested to drive slowly on the main thoroughfares of the city next week and also to keep to the right. By doing this all accidents may be avoided. The Raleigh authorities enforced these rules during the week of the State Fair and not an accident was reported. There will be hundreds of people on the streets at all times during the week of the Fair and unless drivers use some precautions there will be accidents which may have fatal results.

The exhibit of curios and relics at the Fair is now practically complete. However, Mrs. George Green, who is in charge of this department, requests any one who has an article that will be of interest to the public, to communicate with her without delay.

Marshals who have not secured their regalias are requested to call at the A. T. Willis Company's store today and secure same. Every marshal must be equipped with this regalia before entering the parade on Tuesday morning or any other event.

All participants in the riding contests are requested to be on hand at Scott's stables this afternoon at two instead of three o'clock to proceed to the Fair grounds for the usual afternoon practice for the Horse Show.

TABERNACLE REVIVAL CLOSING TOMORROW NIGHT.

The revival meeting which has been in progress at the Tabernacle Baptist church for the past few weeks will come to a close tomorrow night. The congregations have increased from day to day and the interest has been deepening all the while.

A large number have united with the church and many more are expected during the closing services. There will be a big Saturday night service tonight and three services tomorrow, Rev. Mr. Phillips urges all the members of the church to be present at the service at 11 a. m. At 4 o'clock p. m. a special evangelistic address will be delivered and the closing service of the day will be held at 7:30 o'clock p. m. There will be a song service preceding each service. The public at large is invited to attend. Every one will be given a royal welcome.

THOUSANDS KILLED IN BATTLE OF KIRKILISSA

London, Oct. 25.—The Turks and the Balkan allies sent out conflicting reports today concerning the progress of the battle of Kirkkilissa.

The Turkish version was that the Bulgarians had been driven back across the frontier and that 30,000 Bulgarians troops were routed and fled in disorder at Maras. The Bulgarians maintained that they have met with an interrupted series of successes, taking Turkish defenses after defense in the face of a furious resistance.

On one point both accounts agreed—that thousands have been killed. Estimates of actual figures, however, were very vague.

PRESIDENT CHARLES C. MOORE OF THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION PRESENTING DEED TO JAPAN'S SITE TO COMMISSIONER GENERAL HARUKI YAMAWAKI.

HIS Imperial Japanese Majesty's Commissioners to the Panama-Pacific International Exposition dedicated Japan's site in the Presidio Reservation on Wednesday, Sept. 18, in the presence of more than 10,000 people. The ceremonies were highly impressive and were deeply appreciated by the representatives of the Japanese Government Commissioners, Haruki Yamawaki, Giolchi Takeda and Yasukatsu Katayama. The deed to the site was presented by President Charles C. Moore to Commissioner General Yamawaki, who accepted it in behalf of the Japanese government.

WHIRLWIND FINISH.

Wilson's Lieutenants, Facing Deficit,
Urge Many Contributions
In Next Few Days

New York, Oct. 25.—Governor Wilson's managers who are in charge of the financial end of the campaign have planned a whirlwind finish for next week. In order to close up what seems certain now to be a deficit that will run into thousands of dollars, they have redoubled their efforts to obtain popular contributions.

Thousands of letters are going out daily from the Chicago headquarters to probable contributors. These communications contain requests for amounts varying with the ability to give of the person to whom the appeal is made.

No amount however small is despised by the Wilson managers. The man who has only a dollar to give is as welcome and is treated with the same courtesy as the man who gives a hundred dollars.

All along the men who have handled this part of the Democratic campaign have operated on the principle that the small contribution is just as important in a way as the large one. Every individual contribution, they say, represents a vote. Often it represents more than a single vote, because the contributor by making his donation naturally feels that he has become a partner in the enterprise and therefore that it is incumbent on him to get out and hustle for the party.

Off go the doctors, on goes the smile, Teddy has the bullet beat almost a mile.

BECKER FOUND GUILTY OF MURDER IN FIRST DEGREE.

New York, Oct. 25.—Police Lieutenant Charles Becker was found guilty of murder in the first degree by the jury which has been trying him for instigating the death of Herman Rosenthal, the gambler. The verdict was pronounced at 12:02 o'clock this morning.

The verdict read: "Murder in the first degree" and was pronounced exactly at midnight. Becker was remanded for sentence to the Tombs by Justice Goff until Oct. 30. Mrs. Becker, sitting outside the door of the court room fell in a swoon when the verdict was announced.

Becker did not flinch when he heard the verdict pronounced by Harold B. Skinner, foreman of the jury.

NO COMPLIMENTARY TICKETS TO THE FAIR.

There will be no complimentary tickets to the Eastern Carolina Fair. Such was the decision reached by the directors last night. A number of the directors who had the coin with them bought season tickets for themselves and families last night and the others will do likewise before they can see the wonders of the Fair.

In order that travel to and from the Fair grounds might be as advantageous as possible the directors voted to arrange to have all automobiles to go on Oaks road and all returning to come by the Neuse road.

Another decision reached by the directors last night was to make no charge for entries of poultry.

Other matters of importance in connection with the Fair will be found elsewhere in the paper.

SIMMONS RALLY WELL ATTENDED

Barbecue and Public Speaking
Yesterday at Dougherty's
Chapel Near Dover.

MANY GO FROM NEW BERN

N. J. Rouse, Judge Guion and others
Urge Re-Election of the
Senio Senator.

The big barbecue and Democratic speaking in behalf of Senator Simmons yesterday at Dougherty's chapel, near Dover, was well attended and was a big success in every way. Quite a number of local citizens were present and assisted in the exercises and there also a number from Kinston and other points.

Upon their arrival at Dover the visitors were carried in automobiles to the grounds at once. There they were met by a committee and welcomed. Mr. D. W. Richardson, of Dover, was master of ceremonies and he introduced the speakers. Mr. N. J. Rouse of Kinston, was the first speaker and he held his audience spellbound for two hours, explaining the political issues of the day and advocating Senator Simmons' re-election to the United States Senate.

He was followed by Messrs. Owen H. Guion, Jas. A. Bryan, of this city and M. D. Lane, of Fort Barnwell, all of whom made short but very interesting talks.

At the conclusion of the speaking the visitors were invited over to the large tables which had been built at one end of the grounds and which were loaded with the most tempting viands. Sheriff J. W. Biddle, of this city, sat at the head of the table and invoked the blessings of the Almighty. In addition to many other things there were eight hundred pounds of crisp, juicy barbecue.

After the repast had been cleared away the crowd began to leave, those who came from a distance being brought by automobiles to Dover, where they boarded the train.

THE CANTERBURY CLUB

First Meeting Held With Mrs. Eula
Spencer Tuesday Night.

The first meeting of the Canterbury Club was held with Mrs. Eula Spencer on Tuesday night. The club is studying the poetry of Robert Browning for the second winter.

After preliminary business connected with printing the programs, and the decoration of the automobile for the parade during Fair week, the regular work of the season was taken up.

The chairman, Miss Chadwick started the years work with a clear, beautiful talk on Pippa Passes. She read and interpreted the Introduction and Morning to this poetic drama. After this careful reading, the questions prepared by the program committee were taken up and the discussion became general and lively with an interesting variety of opinion. The questions were as follows:

What traits of character are revealed in Ottima and Sebald by this episode in their lives.

What is the first step that Ottima takes in her own redemption?

Which is the stronger character Sebald or Ottima?

Compare the love of Ottima and Sebald for each other.

Under the leadership of Miss Chadwick this club is doing genuine literary study and the interest is manifest both by the large and regular attendance and the lively interest in the poems.

At the close of the meeting, the hostess, Mrs. Spencer, served a most delicious ice course.

The next meeting will be held on Nov. 5th with Mrs. J. T. Hollister and the questions for discussion are as follows: Pippa Passes, Part II—Noon.

What unworthy impulses did Jules reject even before he responds to the higher impulses suggested by the story of Pippa?

"Shall I produce from out of unshapen stuff

Bee art—and further to evolve a soul From form, be nothing". Discussion, Pippa Passes, Part III Evening.

"Yet seems this patriotism The easiest virtue for a selfish man. To acquire". Discussion.

"Tis God's voice calls, how could I stray". Justify this.

SCHOOL OVER TILL AFTER FAIR WEEK

Conclusion Not Reached By Executive Committee Without
Careful Consideration.

MAKE UP LOST TIME IN JUNE

Graded School Management Plans
For an Elaborate Display
at the Fair.

It has been decided best by the Executive committee, to close school the entire week of Fair Week and, in consequence of this decision, school will not be opened again until Monday Nov. 4th. This decision was not reached until after very thoughtful consideration of the matter, when it was decided that school would be closed the entire week and that the week lost on account of the Fair must be made up the first week in June. This will cause the school term to close on June 6th instead of May 30th.

Five booths have been assigned for the educational exhibit at the Fair, and an exhibit of the work done by every grade in school will be shown. The booths for the Educational exhibit are to be well decorated and every effort is being made to make the exhibit as interesting as possible. The primary Department will have one booth; the Grammar School one; the High School one; the Domestic Science Department one; and the Manual Training Department one. Specimens of the writing and drawing showing the progress, from the first through the sixth grades, will be shown.

The first month of school closed yesterday and reports will be sent the parents on the work, attendance, deportment, etc., on Nov. 4th. The enrollment this year at the close of the first month was 817 as compared with 788 last year. The average attendance was 745.80 per day as compared with 725.84 last year. New pupils are coming in to the Music Department almost every day. The work in the Harmony and Theory Classes is quite interesting. A course in sight reading and ear training has begun in the Theory class and it will be of great benefit to each pupil. Great interest is being taken in the Musical History class.

The 3C Grade has been having pleasant reading on Fridays. Each child brings his story book.

The athletic contests of the school this year will be governed by a new set of rules. The agreement among the schools of Eastern Carolina, that no one can take part in any contest who is not taking the full course and making satisfactory progress in the work, will be continued. In addition to this, a local regulation requires that a player must make passing grades on the work and good on deportment with a provision that one "Poor" will not debar a player. These regulations are made with the view that a person whose work and conduct at school is not satisfactory, is not a fit person to represent the school in any athletic contest.

EGYPTIAN TENOR ARRIVES.

New York, Oct. 25.—There arrived on the Holland-American liner Potsdam Mr. Icilio Callia, the Egyptian tenor, who will sing during the coming season with the Philadelphia-Chicago Opera Company. Besides being a singer, Mr. Callia is a lawyer and an athlete, and is said to belong to the Khedive's strong-arm squad. Mr. Callia is about 30 years old. His father is a banker in Alexandria.

MRS. THAW AT PIER.

New York, Oct. 25.—When, with 362 first-cabin passengers, taxing to the utmost her accommodations, the Cunard liner Mauretania sailed for Liverpool Evelyn Nesbit Thaw, wife of Harry Thaw and the central figure in his trials for the murder of Stanford White, came down to see off Roland Morrison, a dealer in oil stocks, who has been very attentive to her.

Stapleford, one of Craven County's most prosperous farmers, died, after having been ill for several weeks with a complication of diseases. He was sixty-six years of age and is survived by seven daughters, two of whom are married, two sons and a brother.
