Stubborn Case

"I was under the treatment of two doctors," writes Mrs. R. L. Phillips, of Indian Valley, Va., "and they pronounced my case a very stubborn one, of womanly weakness. I was not able to sit up, when I commenced to take Cardui.

I used it about one week, before I saw much change. Now, the severe pain, that had been in my side for years, has gone, and I don't suffer at all. I am feeling better than in a long time, and cannot speak too highly of Cardui."

IRVING FISHER FOR WILSON

Noted Yale Economist Appeals to Fellow Progressives With Clear Logic.

SAYS TARIFF IS THE ISSUE

Contrasts Three Party Programs and Declares Democratic Attitude the Only Progressive One.

By PROF. IRVING FISHER.

[Note.—Dr. Fisher is the noted authority on economics of Yale university. He was a member of President Roosevelt's national conservation commission.—Ed.]

I write not as a Democrat but as an Independent Progressive and in the hope that my letter may help other Progressives who are wavering to make up their minds to vote for Wilson. So far as I can see the only hope of progressive legislation lies in the election of Wilson. My reasons, in brief, follow:

1. DEADLOCK IN CONGRESS.—If it were possible to elect Mr. Taft there would merely be repeated the same deadlock with congress and failure to secure progressive legislation which has been experienced in his first term.

If it were possible to elect Mr. Roosevelt even less could be accomplished, for the reason that he would not have a sympathetic congress.

2. DEADLOCKED ELECTION.—To be still more practical, we should consider that the result of us independent voters for Taft or Roosevelt instead of for Wilson may be to prevent any one of the three from being elected.

3. THE TARIFF.—If, on the other hand, we Independent Progressives unite for the most part in voting for Wilson he can be elected, and, if elected, can accomplish substantial legislation, because with him will be elected a sufficient number of Democrats to give a majority in both houses. To this my Bull Moose friends reply that not all Democrats are progressives and will not carry out a progressive platform.

This argument overlooks the fact that the paramount issue of this campaign is the tariff and that progressive tariff reform means progressive tariff reduction. It is just because the Democrats have been a party of negation, so far as the tariff is concerned, that they, if anybody, can be trusted to reform it downward.

Mr. Roosevelt would be equally unable and far more unwilling than Mr. Taft to reduce the tariff. In his seven years in office he left the tariff untouched, and now he speaks primarily as a protectionist and not as a tariff reformer. He yields grudgingly to the demand for tariff reduction, but gives no clear argument for it. Instead, he repeats the old fallacious arguments to make our poor workmen believe that a high tariff raises wages.

Governor Wilson and his party, on the other hand, are ardent tariff reformers. In this respect the Democratic platform is the only progressive platform of the three.

Why should we blind ourselves by the introduction of numerous other issues which could not be settled in the present campaign when we have before us the greatest issue of all, the tariff, which CAN be settled?

4. ISSUES ECONOMIC.—Wilson's grasp of the problems of the hour far surpasses that of Roosevelt or Taft. Mr. Roosevelt has frequently admitted that economic problems such as the tariff, the cost of living, the currency and the economic problems connected with trusts not only have no attraction for him, but have never been understood by him.

5. THE PEOPLE'S INTERESTS.—Wilson is more truly democratic than Roosevelt and more untrammelled in his devotion to the interests of the people as a whole. . . . Those who accuse Wilson of recently adopting new democratic doctrines because their popularity would help him personally should learn that, on the contrary, he adopted them (in his fight to democratize Princeton university) when their unpopularity in the circles in which his activities then lay nearly threatened to destroy his influence and career.

6. PURE FOODS.—Governor Wilson and the Democratic party have shown a greater interest than either Taft or Roosevelt in the protection of the consumer against food adulteration and other injuries to the public health. Dr. Wiley, although previously a Republican, now has decided not only to vote for Wilson, but to help him actively in the campaign.

7. THIRD TERM.—To elect Mr. Roosevelt would deal a fatal blow to the useful tradition against a third term. Nor do I think it altogether improbable that if Mr. Roosevelt were again elected president he would, whatever his present intentions, gradually assume the role of benevolent despot. His natural temperament is that of a dictator.

I write as one who still holds personal respect both for Colonel Roosevelt and President Taft and in no spirit of personal hostility to either. I believe that all three candidates intend to do right "as God gives them to see the right," but I think neither Taft nor Roosevelt sees the right as clearly as Woodrow Wilson.

THE white hair and wrinkled faces of our busy men and women tell of doubt, fear and anxiety—more than disease or age. Worry plays havoc with the nervous system—so that digestion is ruined and sleep banished. What oil is to the friction of the delicate parts of an engine—

DR. PIERCE'S Golden Medical Discovery

is to the delicate organs of the body. It's a tonic and body builder—because it stimulates the liver to vigorous action, assists the stomach to assimilate food—thus enriching the blood, and the nerves and heart in turn are fed on pure rich blood. Neuralgia "is the cry of starved nerves for food." For forty years "Golden Medical Discovery" in liquid form has given great satisfaction as a tonic and blood maker.

Now it can be obtained in tablet form—from dealers in medicine or send 50 one-cent stamps for trial box. Write R. V. Pierce, Buffalo.

Who Will Sit in the Seats of the Mighty—The Money Proxies or the People's Men?

This is entirely a question of the people getting together. In this campaign there are only two sides, that of the Interests and that of the People. Woodrow Wilson has refused in no uncertain terms all financial help from questionable sources.

As a result the Interests have combined their money against him. And the common people must combine their money for him.

The enemy does not need help. They simply don't want opposition. The non-combatants are really on their side.

On which side are you? Will you give one dollar to elect Woodrow Wilson President of the United States?

What Your DOLLAR Will Do

Your dollar, given loyally to help the election of Wilson and Marshall, will educate one hundred voters.

It will carry to these one hundred voters the vital issues of this campaign. It will enable them to decide intelligently and independently as between the merits of the candidates and their platforms.

Your dollar will place the speeches of Woodrow Wilson and Thomas Marshall in the hands of these hundred voters. It will give them their records, their platform and perhaps an address from one of our campaign speakers.

Your dollar will give these voters the advantages you enjoy—the knowledge of the facts which have caused you to join Woodrow Wilson in his straightforward fight for the People and Popular Government as against Representative Government in which only the will of the Few is obeyed.

Woodrow Wilson's Choice a Prophecy

Years ago Woodrow Wilson dedicated his life to public service. He entered upon a study of government. He made himself a master of government, not in a theoretical but a practical sense. He studied other governments as well as our own.

Then he espoused the People's Cause not from the side which cried out the loudest that it was the "People's Party" but from the side which his knowledge told him represented the true principles of Popular Government.

He became a Democrat. Years afterward, he became a great Democratic Governor. He administered his office in true Democratic fashion, eliciting the praise of the whole state of New Jersey.

In eighteen months after he became governor, so powerful was the national effect of his achievements as a Progressive Governor that the Democratic party made him their Progressive Candidate for the Presidency.

In launching his now National Campaign Wilson took a characteristic stand—he chose not to accept a penny for campaign expenses from anyone except the People.

His choice we believe a prophetic one—prophetic of an upright, fearless administration when he takes the Presidential chair, prophetic of great, enduring, honorable public service in the White House.

This is the man, the kind of man the people have wanted for a quarter of a century.

Will you give one dollar—or more—to his cause today?

Send Your Contributions Today

How much can you spare to the cause of the People today?
