

## Keeping the Body in Repair

Nature intended that the body should do its own repairing—and it would do so were it not for the fact that most of us live other than a natural life.

Nature didn't intend that we should wear corsets, tight collars or shoes, nor live in badly ventilated and draughty houses, nor eat and drink some of the things that we do, nor ride in street cars when we should walk.

The consequence is that the body when it gets out of order must look for outside help to make the necessary repairs.

### LIBERTY BRIDE GETS WORK PARALYZED AT TEAM'S FATE

Mrs. Washburne Gets Employment on Magazine as Part of Pre-Nuptial Arrangement.

Los Angeles, Cal.—In conformity to her part of a prenuptial contract that caused comment from all sections of the country, Mrs. Marjorie Washburne, until a few days ago Miss Helius Chandler, obtained a position with the firm by which her husband is employed.

The company publishes a magazine, and Mrs. Washburne will do illustrating for it.

A part of the prenuptial contract, which, as a whole, provided for the greatest personal liberty on the part of husband and wife, specified that each should carry an independent livelihood, and should share the expenses of maintaining a home and of caring for children, should any result from the marriage.

"The account of my mother being prostrated and moaning over the disgrace I have brought upon her are merely trash," said Mrs. Washburne. "I have received several telegrams of congratulation and commendation from my mother since my marriage."

### WIDOW'S JOKE A BOOMERANG

Mrs. Ewart is Held in \$500 Bail For Sending Post Card to Man Just for Fun.

New York.—Playing a joke on a professional entertainer is an expensive pastime, as Mrs. Mary B. Ewart, a widow of East Orange, N. J., learned. United States Commissioner Jones held her in \$500 bail for the grand jury on complaint of Malcolm B. Shackelford, a neighbor, to whom she admitted sending a postcard with the picture of a woman seated in a man's lap, and underneath the following inscription:

"You are a great one to keep a date. I waited for you until 9:30. Why don't you keep your engagements?"

"FLORENCE."  
When the postcard arrived at the Shackelford home there was trouble. It was discovered that Mrs. Ewart's name had first been written on the card in pencil and then erased. The police declared she admitted she sent the card as a "joke."

Fine Horses Killed by Train as Lad Holds the Reins Too Scared to Move.

Royersford, Pa.—Thomas Hoopes, aged about sixteen years, had a startling escape from death on the Reading railway at the crossing just above Mingo station. The lad was hauling sand to the Mingo stock farm, and was about crossing the railroad, when the Williamsport express hove into sight. Seizing the brake and calling to the horses, he managed to stop them just as the locomotive struck and instantly killed both high-bred horses, tearing them from the wagon and leaving him too scared to move, still seated on the sand wagon.

### JAIL RESTORES HIS MEMORY

Sight of Prison Brings Back Mind of a Convict—Recognizes His Jailor.

Everett, Wash.—Robert Carlson, a logger, who had forgotten his name and past life, and who had been brought here under guard from Arlington to be examined for insanity, regained his memory at sight of prison walls. He was booked as John Doe Christensen. When the jailer tried to question him, he suddenly blurted out: "I know you. I have been here before. I was in the upstairs corridor four years ago."

### PASTOR WINS BASEBALL FANS

Pitches for Home Team and They Go to His Church—Team Wins Steadily.

Columbus, Ind.—Rev. John L. Shaw, a former Methodist preacher of this county, who is now located at Norden, Neb., has written that he has greatly increased the attendance at his church in Norden by "swapping" work with his congregation.

He proposed to the baseball fans of the town that he would pitch for the home team if they would attend his church. He is now pitching for the team, which is winning steadily, and the fans are attending his services.

### PIANO IN WRECK SAVES LIFE

Forms a Barrier That Forces Man in it at Time of Crash of Train.

Sheridan, Wyo.—His piano forcing him into a small open space in his car of household goods was all that saved J. S. Doyle of McCook, Neb., from being crushed to death when a Burlington train in which he was on his way home crashed into some empty cars north of Sheridan.

One of the seven horses in the car was killed, Doyle was badly bruised and cut, but after his injuries were dressed in the Sheridan hospital he was able to continue his journey to McCook.

### ROYAL SUITE FOR MANUEL

King George of England Offers Ex-Sovereign of Portugal Living Apartments in Kensington Palace.

London.—King George has offered to King Manuel a suite in Kensington palace. Thus another foreign royalty becomes more or less a burden on the taxpayers of Great Britain. At present Manuel occupies a house at Richmond. If he accepts the rooms in Kensington palace he will have as fellow residents the duke of Argyll and Princess Louise, Princess Henry of Battenburg, mother-in-law of King Alfonso, and the countess Granville.

### PLANT MISSION IS SUCCESS

Government Entomologist Wins Important Concessions From England, Belgium and Holland.

Washington.—After several months of a tour of diplomatic missionary work in the interest of American plant interests, Dr. L. O. Howard, government entomologist, has returned to Washington. Dr. Howard conferred with the agriculturists' officials of Great Britain, Germany, France, Belgium and Holland.

The principal result was that England, Belgium and Holland agreed to put into operation a system of government inspection of plants instead of having that inspection performed by their nurserymen.

The latter, it was feared, would meet the expense of raising the prices to the American market. The French government is expected to adopt this government-inspection plan later. Germany has given no assurances.

### Boys Try to Lynch Man.

Butte, Mont.—Fifteen boys ranging from twelve to fifteen years of age confessed in the juvenile court that they attempted to lynch Joseph Meyers, a chicken farmer, after having set fire to the Meyers home. Mrs. Meyers testified that she and her husband had been rendered destitute by the depredations of the boys.
