Washington, Nov. 30.-Gov. Hiram Johnson, of California, who ran for Vice-President on the Bull Moose ticket, will vigorously oppose the mone- of a monument to the memory of the ment of the radical Progressives to oust George W. Perkins, the New York all the bad things about De Graffenried financier, from his position of influence in the Progressive party.

It was learned today that Governor Johnson has written a letter in which he defends Perkins and says he will use his influence to block the plans of

The indications are that Perkins will be a storm centre at the meeting of the Progressive leaders at Chicago December 10 and 11. Those who oppose Perkins are the men of the college professor type, who are sincere in their political beliefs. Those who seek to block angel and that the explorers of that the anti-Perkins movement are the practical men in politics, who know the value of money and organization in politics as well as in business.

It is said that the radical Progressives believe Mr. Perkins, with his Wall street associations, does not fit into the Progressive movement and that therefore he should be shorn of his power of influence in the third party. Senator Joesph M. Dixon, chairman of the Progressive National Committee today issued the following: "The Chicago conference will con-
