

LET US DO YOUR PRINTING

In recent months we have installed thousands of dollars worth of new machinery, putting us in better shape than ever before for filling your orders.

We are now prepared not only to do high class work, but do it quickly and in large quantities.

These two illustrations show the Lanston Monotype Machine, the same being composed of a keyboard and caster. The Monotype casting machine is a complete automatic type foundry, producing type, borders and spacing material of any size at a speed that makes it cheaper to cast new than to distribute. It will turn a pound of metal into type of the highest quality in less than two minutes. With this machine we are especially well prepared to provide a variety of type for our patrons.

THE MISTLETOE MAID

THE Spirit of the Mistletoe
Her spell about the land throws wide,
And eyes are bright and cheeks aglow
Where stirs the pulse of Christmastide.

O gracious branch with berries pearled, Yet as the winter, weeping, dies
What glories green surpasses this, The charm still masters Cupid, so
Whose magic sways the whole wide world, Whene'er he looks in Psyche's eyes
The rhythmic sweetness of a kiss? He sees the mirrored mistletoe.

YOUR GRAY HAIRS QUICKLY VANISH

A Harmless Remedy, Made from Garden Sage, Restores Color to Gray Hair.

A feeling of sadness accompanies the discovery of the first gray hairs which unfortunately are looked upon as heralds of advancing age. Gray hair, however handsome it may be, makes a person look old. We all know the advantages of being young. Aside from the good impression a youthful appearance makes on others, simply knowing that you are "looking fit" gives one courage to undertake and accomplish things. So why suffer the handicap of looking old on account of gray hairs, when a simple remedy will give your hair youthful color and beauty in a few days' time? Most people know that common garden sage acts as a color restorer and scalp tonic as well. Our grandmothers used a "Sage Tea" for keeping their hair dark, soft and luxuriant. In Wyeth's Sage and Sulphur Hair Remedy we have an ideal preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak hair that is split at the ends or constantly coming out. A few applications of this valuable remedy will bring back the color, and in a short time it will remove every trace of dandruff and greatly improve the growth and appearance of the hair. Get a fifty cent bottle from your druggist today, and notice the difference in your hair after a few days' treatment. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

BUY A RED CROSS SEAL!

Red Cross seals were yesterday placed on sale in New Bern and although the public was not well acquainted with this fact there were many sold during the day. Thousands of the stamps have been sold in nearby towns during the past few days and it is hoped that New Bern will make a good showing.

The stamps can be purchased at Bradham's drug store, Ditty's drug store, Henry's drug store, Gaston hotel, Edward Clark's cigar store, George B. Waters' store, Messaly's store, and they can also be secured from Prof. H. B. Crayon and at the Presbyterian bazaar to be held this afternoon and the Baptist bazaar to be held Friday afternoon.

The stamps sell for one penny each. This money is used in fighting the great white plague. They are not to be used as postage but are to be placed on the reverse side of letters and packages.
