

LET US DO YOUR PRINTING

In recent months we have installed thousands of dollars worth of new machinery, putting us in better shape than ever before for filling your orders.

We are now prepared not only to do high class work, but do it quickly and in large quantities.

These two illustrations show the Lanston Monotype Machine, the same being composed of a keyboard and caster. The Monotype casting machine is a complete automatic type foundry, producing type, borders and spacing material of any size at a speed that makes it cheaper to cast new than to distribute. It will turn a pound of metal into type of the highest quality in less than two minutes. With this machine we are especially well prepared to provide a variety of type for our patrons.

Are You Nervous?

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength.

TAKE CARDUI The Woman's Tonic

Mrs. Grace Fortner, of Man, W. Va., took Cardui. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardui helped me. Now, I am entirely cured of the fainting spells, and I cannot say enough for Cardui, for I know it saved my life." It is the best tonic for women. Do you suffer from any of the pains peculiar to women? Take Cardui. It will help you. Ask your druggist.

EASY AND SURE WAY TO CURE COLDS

Don't Neglect a Cold, Ely's Cream Balm Will Stop It in the Sneezing Stage.

A cold generally attacks the weakest part, affecting the eyes and ears in some and producing nasal catarrh and throat troubles in others. A cold is due to inflammation of the membrane lining the passages, and may be promptly cured with a little Ely's Cream Balm, which immediately relieves the inflammation and all distressing symptoms, such as sneezing, coughing, running of the nose and eyes, hoarseness, sore throat, fever and head ache. One real remedy this pure Ely's Cream Balm is so easily applied directly to the tender membrane.

Even in severe cases of catarrh, Ely's Cream Balm never fails to quickly and effectually check the poisonous discharge which clogs the nostrils, throat, causing the disgusting hacking, spitting and blowing of the nose. This remedy not only drives out the disease, but heals and strengthens the weakened membrane, thus ending catarrh.

Catarrh is a filthy, disgusting disease. Don't put up with it another day. Get a 50 cent bottle of Ely's Cream Balm from your druggist and see how quickly you will be relieved. It is perfectly harmless.

Worse Than Mad.
"A friend and I once passed a theater in Washington," said an old time actor. "Just as the performance had let out. My friend met an acquaintance who was coming out of the theater. We were ignorant as to the attraction, so my friend asked his acquaintance what sort of a performance he had been witnessing. 'Hamlet,' said the acquaintance. 'Ah, 'Hamlet,' said my friend. 'I suppose that you are now filled with all sorts of conjectures as to whether Hamlet was really mad.' 'The Hamlet tonight,' said the acquaintance, 'left no doubt on that point. He was not alone mad. He was frantic. There weren't a hundred people in the house.'"

"Isn't that Marjorie Minter, the sonnette star?"
"Yes."
"But she hasn't a particle of makeup on her face."

BUY A RED CROSS SEAL

Red Cross seals were yesterday placed on sale in New Bern, and although the public was not well acquainted with the fact there were many sold during the day. Thousands of the stamps have been sold in nearby towns during the past few days and it is hoped that New Bern will make a good showing. The stamps can be purchased at Bradham's drug store, Duffy's drug store, Henry's drug store, Gaston hotel, Edward Clark's cigar store, George B. Waters' store, McSorley's store, and they can also be secured from Prof. H. B. Craven and at the Presbyterian bazaar to be held this afternoon and the Baptist bazaar to be held Friday afternoon.

The stamps sell for one penny each. This money is used in fighting the great white plague. They are not to be used as postage but are to be placed on the reverse side of letters and packages.

Unfortunate Omission.
One of the most singular instances of punishment for an oversight was that shown by the commitment of an almanac maker to the Bastille in 1717. It was made out by order of the Duke of Orleans, recent during the minority of Louis V. of France, and read as follows: "Laurence d'Henry, for disrespect to King George I. in not mentioning him in his almanac as king of Great Britain." How long this unlucky almanac maker remained in prison is unknown. The register of the Bastille, examined at the time of the revolution, failed to throw any light on the subject.

He Died Anyhow.
This was the way a native physician in India filled out a death certificate: "I am of a mind that he died (or lost his life) for want of foodings or on account of starvation. Maybe also for other things or comfortables, and must probably be died by drowning."
