Charges Commissioner Is Ready To Srettle a \$1,200,000 Claim for \$100,000.

HOUSE COMMITTEE GETS BUSY

Number of Compromises In Liquor Cases Will Also Be Looked Into.

Washington, Jan. 1 .- The House Committee on Expenditures in the Treasury Department is going to investigate the office of the Commissioner of Internal Renveue as soon as the holidays are over.

most successful one in that it proved Chairman W. E. Cox of Indiana to be a wonderfully helpful as well as wants to find out why Commissioner interesting and pleasant term to all Royal E. Cabell has recommended that concerned. The cadets showed rethe Government settle a claim of markable improvement both mentally \$1,200,000 against W. J. Moxley and and physically, and, together with P. J. Armour and other oleomargarine the teachers, are one and all looking

makers of Chicago for \$100,000. Incidentally a number of compromises in liquor cases involving thousands of dollars will be looked into.

About two years ago some one developed an oil with a butter color. Oleomargarine manufacturers in Chicatheir products without having to pay the ten cent tax on colored oleomargarine. The oil was tested for the locomargarine makers and Mr. Cabell would neither give his permission for the use of the oil nor condemn its use. About a year later the Bureau of Chemistry tested the oil and found that it contained sulphur.

Moxley and others were checked up by the Government and found to owe \$1,400,000 back tazes on oleomaragine

in which the oll was used as coloring matter. It is this claim that Mr. Cabell agrees to settle for \$100,000.

#### ORGANIZE CORN CLUB

Members Will Have Chance I. Win Valuable Prizes.

For day morning Dr. J. E. Turb as consoft. Athens, Case, whomes to have harge of the Craven County Farm Life School, Dr. Roberson of the State Department of Agriculture and S. M. Brinson, County Superintendent ef-Public Schools, net in the latter's office in this city and organized the Craven Caunty Boy' Corn Club.

There are a number of these clubs in different sections to the State and through their influence the sons of farmers are induced to make every effort toward growing large crops of corn. In addition of the State and National prizes which will be offered a number of other valuable prizes which

will be given by the local merchants. There has been much interest manifested by the boys of this county in these clubs and that that the new one will soon have a large number of members there is little doubt. Information relative to joining this club can be secured from S. M. Brinson.

#### IMPORTANT MEETING OF TEACHERS' ASSOCIATION.

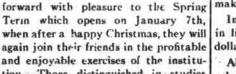

On January 11 there will be a meeting of the Craven county Teachers' Association at Griffin Auditorium. It will be one of the most important meetings of the present term and every teacher in the county is urged to be present, go bought it to give natural color to There will be two sessions: one in the norning and the other in the alternoon and refreshments will be served the teachers during the recess. There will be a number of interesting addresses made by the teachers and others who will be present.
