

Why Women Have Nerves

The "blues"—anxiety—depression—and warnings of pain and distress are sent by the nerves like flying messengers throughout body and limbs. Such feelings may or may not be accompanied by headache or dizziness or hearing down. The local disorders and inflammation, if there is any, should be treated with Dr. Pierce's Lotion Tablets. Then the nervous system and the entire womanly make-up feels the tonic effect of

She Got the Tart. Edith, aged five, watched her mother longingly as she took the toothsome tart from the oven. "Mamma," she said, "won't you play you are my grandma?" "Certainly," answered the mother. Edith went out on the porch and then quickly returned. "Grandma," she said beguilingly, "may I have a tart?" "No, dear; they are for supper." "But don't you know you said you'd play being my grandma, and grandmas always give little girls what they want?" She got the tart.—Woman's Home Companion.

NOT SO

It has been said that "one suffers from a severe attack of La Grippe six months after getting well". Nasal catarrh, headache and neuralgia sometimes hang around for quite a while. Not so with one who uses Savodine freely during the active and convalescent stages of the disease. (Adv.)

FOR ASTHMA.

The successful treatment for all cases is indeed hard to name. Those who are subject to frequent and severe attacks of asthma should be careful as to the selection of their diet and the regulation of their bowels. Gas Tubing

All Kinds All Sizes Any Length We have it for your GAS STOVE, DROP LIGHT, GAS IRON and for any other purpose.

We Carry the Well-Known Vulcan Brand Gas Tubing

VULCAN is without a doubt the very best gas tubing on the market to-day. It is made of new high-price material, very flexible. The rubber ends are specially constructed and will not crack.

A Word About Cheap Tubing

DON'T use it even though it may cost less. In the end it will cost you more. Cheap tubing is cheap because it is made of cheap stock. It leaks from the very start, perhaps only a little, but enough to annoy you with a smell of leaking gas. The ends split after short use. The tube becomes hard and cracks, then it must be thrown away, necessitating the purchase of another length.

ONE LENGTH OF VULCAN TUBING WILL OUTLAST THREE LENGTHS OF CHEAP TUBING
